BEAVERS MAUL MORAVIAN, 40-14

Final Game for Eleven Seniors; Weisbrod Shines

By Dan Schaeffer

As the sun faded behind the concrete stands of Lewiston Stadium, eleven senior
Seniors walked off the field never again to appear in a Lavender uniform.
Wearing the best football of their three-year careers, they rolled up one of
the largest scores in Lavender football history, trouncing Morav-
ian, 40-14.

Credit for the smashing victory has to go to every member of the team. But players scored touchdowns while brilliant defensive
work kept Moravian from scoring until City linebacker Steve
Alvy took up a 34 point lead. However, if we must pick a hero for the day, that hero will be the diminutive
guard who scored one
touchdown and passed for three
others.

Due to injuries suffered in the previous week, Capt. Jerry Stith, after starring for three
years, will be able to play only minutes of this contest at half
back.

The St. Nicks appeared to be the better team from the very beginning of the game, though they were unable to
score a first-quarter touchdown in the second
quarter. Midway in the second
quarter, the St. Nicks recovered the
Greyhound fumble.

The first touchdown was scored
on the 14 and then Jim Clancy
passed to Art Jacobs in the end zone
for the score.

At the start of the second
quarter, H. Hens intercepted a pass on the 22. Five
plays later, Weisbrod
touched down in the end zone
(Continued on Page Three).

Publicity Bureau To Run Contest

In its first attempt at stimulating the activities of the college, the Publicity Committee established the "Publicity Bureau Contest" last week. Club notices for the calendar, which are included in the bureau's weekly press releases, should be deposited in the mail box on the outer wall of the Chaminade.

The bureau, in conjunction with the Student Council and Varsity Club, is conducting a "fighting fund" for City College's contest with a prize of $2 to be awarded to the individual writing the best essay on the subject of "The Majority and Politics." The winning essay will be published in The Ticker. The bureau will sponsor a special "Publicity Week" early in the fall semester. Entries should be submitted to the Publicity Bureau in the Mail Room.

Lexicon Offers Free Portraits

Something for nothing—and two hundred seniors don't want it! The lexicon is at hand.

The lexicon, a purely charitable organisation, offers, not one, two, or three, but four portraits to any and all members of the senior class who come down to Scann and get a Photographic Card to the Studio. At last report, two hundred portraits already flashed to call for said casuals.

The harrassed lexicon editors inform the Senior Class of the following: 

1. If you make a clarification call for applicants for the writing and circulation of the publication of a joint publication, you will have to take a seat. Senior Class of 35.

2. If you see the word "business" to supplement the theoretical training of your college, use actual experience, not nominal salary, which is also included in Dean's recommendations.

3. To make the thesis more practicable in the college, the present system of random selection of topics by the student, which is supposed to be replaced by the student with no guidance, would also be set up by the Dean's plan.

4. Student Council cannot hold a meeting on the 12th of the month. The meeting, however, will be held on the 12th of the month, in the Student Council Room.

D. A. Drops Co-op Investigation

The municipal investigation resulting from a reported shortage in Co-op funds has dropped for lack of evidence, according to Mr. Ten Eyck, Assistant District Attorney.

The investigation was begun last year by Paul Blanard, Commissioner of Commerce, but had not uncovered the shortage. The case was assigned to Mr. Ten Eyck, who had been appointed to the post of bookkeeper, Mr. Miller, resigned and departed for Florida in the fall.
