SMITH

The possibility that former Governor Alfred E. Smith, Democratic nominee for President in 1928, may introduce Governor Al Smith at the rally in Madison Square Garden may be ruled out...

BY FREDERICK T. MICHELL
Special Cable To The New York Times.

The leading nations of the world today united in expressing their joy at the success of the joint Russian and Italian force in the Balkan War. The Allied Governments have been pleased to learn that the Russian and Italian forces have been completely successful in their efforts to suppress theolecule uprising. The Allied Governments have been pleased to learn that the Russian and Italian forces have been completely successful in their efforts to suppress theolecule uprising.
