Redmen Down Lavender, 6-4

In Late Rally

By Dick Goldberg

St. John's is a jinx!

After trailing City, through most of the ball game at the Stadium, last Saturday, the Redmen put the voodoo on our Beavers, in the last six innings and walked off with a 6 to 4 victory.

The Beavers scored early getting three runs in the first inning but after that their bats were effective as woodpeckers in a petrified forest. Meanwhile, St. John's couldn't get anywhere as the Beavers' pitching was celebrated. Solotes and didn't score until the sixth inning when three of the four runs they tallied were unearned. The Jinx had been to work.

In City's half of the eighth the Beavers scored again, but after that their bats were as effective as woodpeckers against the offerings of Arky who won, 6-4. It was announced by Russell Knopp and Daniel Schaeffer, commentators.
