James Wechsler & Joe Starobin

Expelled from City in '33 for Anti-War Activity

--- will analyze the Trotskyist efforts to narrow the anti-war movement, by supplying Soviet military secrets to the Nazis and Japanese militarists helping the would-be destroyers of peace. How by opposing the Madrid Government the Trotskyists give much-needed aid to Franco.

Hear how they carry their disruptive influence to the student movement for peace.

A Discussion in Preparation for the April 22 Strike

Thursday April 8, 12:15 RM 306

The Society for Student Liberties
