Quintet in Opener for Stein Fund

By Norman Oshin
The second annual concert of the Stein Fund quintet was held yesterday at the gym. "The Chanters," the best known of the many student groups now making regular use of the gym, were the main attraction of the afternoon. Dr. Robert Chastney, who is in charge of the Stein Fund, introduced the group and told of the success of the fund raising activities of the past year.

The concert consisted of a varied program of songs, solos, and instrumentals, all of which were well received by the audience. The group's popular songs included "I've Got a Crush on You," "My Bonnie Lies Over the Ocean," and "In the Good Old Summertime."

The Stein Fund was set up in 1937 for the sole purpose of providing hospitalization for all students injured while competing in the sport field of College League. Since the Stein Fund was established, the late Dr. Sidney Stein, CONY, has been the chairman. The fund has given badly needed hospitalization to students during the past year.

Previous to the setting up of the Stein Fund, students were forced to bear the cost of hospitalization themselves. The fund has now been organized to provide hospitalization for all students injured while competing in the sport field of College League.

The Stein Fund will be provided by the college and will be open to all students who are members of the College League. Contributions will be accepted on a voluntary basis.

You really should try to get a handle on these finkers. How can you play this kind of a game? Putting the money in the bank and buying those raffle tickets will not help.

By the way, when you put all that money in the bank, don't worry about putting anything in the bank for me. I'm not interested in putting anything in the bank.

By Jerry Boyce

No fewer comrades and fellow workers have begun to promote the idea of recognizing the Thanksgiving holiday as a day of thanksgiving. This idea has been promoted by the Student Council of the City College, the Student Senate of the City College, and the Student Labor Congress of the City College.
