1500 Bond Purchasers
Pack PET For Rally

"You have proved what you can do." With these words, Mr. John Whitney Richmond of the War Finance Com- mittee, Chairman of the City College War Bond Rally held in the PET on Thursday from 12:30 to 3. This event, attended by 1500 students, faculty, and guests, climaxd the Sixth War Loan Drive in which sales reached $200,000, more than four times the original goal of $50,000. Of this amount, 1200 bonds were of the E Series of $100 each; the pet demonstrates thereby adding the Borough of Manhattan to reach its E Bond quota first.

Dr. Milton Blum, faculty Chairman of the War Bond Drive Committee, presented the awards to the winners of the competition. Doris Herskovitz, who sold $27,725 in bonds, was presented with an oil painting and two tickets to the play "The Corn Is Green." Other students and student organizations honored at the rally were Milton Claska, chair of the Library Department, and Dr. Lerner, who each sold more than forty bonds. The Student Library Association, which sold $25,100, and Theta Delta Phi sorority, which had a sale of $22,300, were also included.

Included in the program were speeches by Dean West, Dean of the College, student-nurse of Ruben Bienen; Joseph White, guitarist and singer; Dorothy Dowan; and Mayor O. Johnson, V-See President of the N. Y. Life Insurance Company.

Following the rally, a Christmas Convocation will be held at the college. The Administration extends to each and every student its wishes for a Merry Christmas and a Happy New Year.

The Administration extends to each and every student of the School of Business a Merry Christmas and a Happy New Year.

As this festive season approaches we welcome it with much heavier heart than was possible for us to do last year or the year before. The daily reports of successes from the War and the reports of destruction to the best interests of humanity, give us no confidence in the future that the world will be ours and that in the not too distant future we will be able to welcome home all our men who so nobly are giving their services to their country.

If you are in some service, perhaps far away, who is thinking of you and likewise wishing you a Merry Christmas. Let us hope that he has not been forgotten and, in spirit at least, is with us now.

Wishing each and everyone of you a Merry Christmas and a Happy New Year.

Imp Wishes Merry Christmas

By Ross Cath

I was momentarily pleased by my visit to the Lassen area when a new feeling, a diff-

erent and exciting one, struck me. I found myself standing at the door of a small, 

chapel and felt the warmth and peace of the place. The sound of music filled the air,

and I realized that Christmas couldn’t have been better.
