Government Scholarships Aid Discharged Veterans

By Bernie Gershater

A total of 750 state scholarships are still available to all honorably discharged veterans of World War I and II, who are residents of New York State when inducted, and who are still residing in New York State.

The scholarships provide for $350 a year for tuition and fees, covering a maximum of four years, at an approved college, university, professional, technical, vocational or trade school located in New York State, and may also be applied toward payment of tuition and fees for part-time attendance as well as for full-time attendance.

Veterans who are interested should write for application forms to the Division of Examination and Testing, State Education Department, Albany 1, New York, or secure them through the local high school principal, or the nearest Veterans Service Center. Applications should be made at once.

In addition, the Federal Government’s GI Bill of Rights allows returning veterans certain benefits. At pay schools, veterans are allowed a maximum of one year to cover tuition fees and other instructional expenses, plus $50 a month for single men, $75 for men with dependents and $100 for disabled veterans.

Since City College has no tuition fees, the procedure here will be slightly different. Veterans will receive their monthly stipends for work completely without cost. Refunds will be paid for books and lab fees. All veterans will be given all regardless of their field of service. If this year is completed satisfactorily, veterans will receive a regular diploma after their four-year period of enlistment. This applies not only to academic courses, but to technical and professional degrees as well.

All service men who are interested may apply for the scholarship in Room 905 for additional information.

Student Body Elects Women To SC Executive Positions

For the first time in the history of the Student Council of College, as a girl named Betty Goodman was elected to the executive board. Betty Goodman was uncontested, hold the offices of Vice-President and Secretary of the SC executive board.

Launch Drive for NYF Fund

Beginning today, the War Activities Committee will launch its annual War Activities drive, with the object of selling Victory Bonds. The NYF money will be converted into a free ticket, the principle of which the students will have a chance to use.

In the Upper Sophomore section, the women again decided to form a committee to handle an all-girl panel. The panel was formed for the purpose of selling Victory Bonds.

Seniors Planning Inviting Program

Planning a full and varied program, the Senior Class will begin its activities with a pre-Election Day dance. It will be held on Monday, November 6, in the main lounge. All students are invited.

The main attraction of the afternoo will be the crowning of the senior class homecoming queen. The candidates will be reviewed and judged by the students present.

Frosh To Elect Officers In Assembly Tomorrow

Appropriately, influenced by the November elections, freshmen have turned out in full force to elect officers of Freshmen. Elections will be held at Chapel tomorrow, where each candidate will have a chance to speak to their individual members of his class.

The candidates for president are Joseph Cohen, Sidney Frank, Joe Basner, and Morris Berman. The candidates for vice president are Robert Baldwin, Rich Bertner, Stanley Fein and Esther Zeltich. The candidates for secretary are Eugene Silverman and Muriel Rosen. The candidates for treasurer are Louis Federman and Claire Turk.

Frost To Elect Officers in Assembly Tomorrow

Appropriately, influenced by the November elections, freshmen have turned out in full force to elect officers of Freshmen. Elections will be held at Chapel tomorrow, where each candidate will have a chance to speak to their individual members of his class.

The candidates for president are Joseph Cohen, Sidney Frank, Joe Basner, and Morris Berman. The candidates for vice president are Robert Baldwin, Rich Bertner, Stanley Fein and Esther Zeltich. The candidates for secretary are Eugene Silverman and Muriel Rosen. The candidates for treasurer are Louis Federman and Claire Turk.

Rooms To Let

Inquire At 22 Street ‘House’

"Because House Plan forms such a vital part of City College’s extra-curricular life, City students should know something about its activities," said Mrs. Ripp in an interview.
Introducing

Dr. Earl Emer Fleischman—head of the Public Speaking Department of the College of Liberal Arts at Aggie University—was the first speaker to address the new speaker's bureau at the University of Oregon in 1917. Dr. Fleischman, who has been teaching at the University of Oregon since 1917, is a well-known public speaker and has given many talks on various topics. He recently gave a lecture on the importance of public speaking in today's world.

Letters To The Editor

One College, One Dean

Since September 1937, a chairman-executive committee has been functioning to the College of Liberal Arts, which was organized in the fall of 1936. The committee is made up of the dean of the college, the chairman of the administrative committee, and the chairman of the faculty council. The committee is responsible for the overall administration of the college and is also responsible for the organization of the college.

Letters to the Editor: We would like to hear from our readers about their experiences at the college. Please send your letters to the editor at the address below.

One Day, One Man

Yesterday was a special day for the college. It was the day when the first official of the college was appointed. The college has been without a dean for many years, and the appointment of the first dean is a significant event.

Sports Shorts

The college basketball team had a great win against the university team last night. The game was very exciting, and the team played well together.

The ticket prices for the football game on Saturday are as follows: general admission tickets are $5, and student tickets are $3. We encourage everyone to come out and support our team.

NYU To Lose Sat.

By Jerry Smolich

Waking through the halls and lobbies of the college, we couldn't help but notice the excitement building up for the big football game this weekend. The NYU team is expected to lose, and the students are already getting ready to cheer for their favorite team.

Recommended

Some of the best books to read this fall include "The Great Gatsby" by F. Scott Fitzgerald, "To Kill a Mockingbird" by Harper Lee, and "1984" by George Orwell. These books are sure to provide a great reading experience and are highly recommended for anyone looking for a good book to read.

Have a "Coke" Welcome Back

We want to welcome back all of our returning students! The student council has planned some great events for the next few weeks, including a welcome back party and a free pizza night. We hope everyone has a great semester!

**To The Students**

The School of Business has established certain specific rules of conduct and deportment with which all students are expected to be familiar and in turn conform to. Among these rules are regulations forbidding smoking in corridors, classrooms, elevators, and stairwells. Smoking, however, permitted on the ninth floor and in all student lobbies and rest rooms. Carrying lighted cigarettes or pipes in restricted areas is not only a hazard to your fellow students but tends itself to careless disposal of cigarette stubs, tobacco and dead matches in places that otherwise would be kept in clean condition. All students are therefore urged to obey our rules governing smoking because, breaking them, is prima facie evidence of malintent, and instruction of them immediately subjects the student to charges of misconduct leading to disciplinary action.

All students are likewise urged to become familiar with and abide by the regulation which restricts the eating of lunch to the precincts of the cafeteria on the tenth floor. Disposal of lunchroom debris in classrooms wastes baskets creates unsanitary conditions which must be avoided at all costs in an edifice as constant as ours. It is considered a breach of discipline for a student to be found eating any food in classrooms, corridors, elevators, or stairwells, and makes such a student liable to disciplinary action.

Once again the Administration asks student cooperation in these simple requests, which when honored will help us to maintain a standard of excellence and dignity becoming a college building.

**G9 and Oh Gee**

By Rosa Cobin

Working on a Farm Labor Contract for the CCC, the students wearing on those muscles that are used to mental endeavors. Coming home they are ready for a shower and a bed. But one evening as I pulled into the yard of our camp there was someone calling "Lavender" coming at me, sung to the tune of "Goodnight, Irene." Who had chosen to help harvest the crops during their vacation. I really know that some of our CCC men love the farm work. A bit of home transplanted.

To some of the skeptics who underestimate the noblest power, the following is dedicated, by Norman Sarno.

"Now that school has begun again, how about sending a lonely soldier copies of his favorite newspaper? You can't realize how much it means to a boy away from home. It's sort of a link between you and him.

From Corporal Irv Seiden, '45, out in the Pacific, who sees a part of the world every day, and who claims he has heard a lot of it. He suggests: Don't let them forget they have folks back at City. This isn't something that only one or two of O'Leary's physics classes.
