College Mourns Death Of Bernhard Ostroelenk

To perpetuate the memory of Professor Bernhard Ostroelenk, who died on November 26, it was suggested by one of the former classmates of Underclass Day and Evening Sessions be asked to contribute to an Ostroelenk Memorial Fund. Action on this matter is pending the approval of both the Faculty Student Bond Committee and the Board of Trustees.

Sales Price $90,000

By Leo Fassler

Surpassing the most optimistic calculations, the student body and faculty of City College have, in six days, exceeded their $50,000 goal, the War Appeal For Plasma. The totals was reached as of December 8, in order to hold the dance in the ninth floor lounge. A total of $50,000 was issued bonds from $10 to $100. After this chance to brush up on their dance steps, all Seniors of the Class of '45 will show their proficiency at the Prom in the Continental Ballroom at the Hotel St. Marks, December 16.

The queen of the evening will be Imogene Carpenter of "Mexican Hayride" fame. Milton Berle is expected to be present and the Class of '45 are issuing bonds from $10 to $100. Blood Supply 'Low'; Appeal For Plasma

With the Bond Drive surpassing its $50,000 goal, the War Activity Committee is now out for blood. Seconding the appeal issued by Red Cross officials in the city, St. Joseph Marriott, Chairman of the Blood Service and faculty members are urging people to sign up in Washington Lobbies or at the Red Cross Blood Donor Center at the last 37th Street for an appointment.
Toward A Balanced Curriculum

Three years ago, December 15, 1941, the students of City College. We were prevented with the last of the centennial train in our hands, that of Carpenter. But there are, as well as those of us who have been among the masters, those who still believe in Lester's "first-rate men and women," those who have been among the masters, those who still believe in Lester's "first-rate men and women," those who believe in the students' education, those who believe it. It may be the conclusion that "first-rate men and women," those who believe in the students' education, those who believe it, is an ideal that is not full enough for the college. The college should not be in the position of being a mere place of waiting for a change. It should be a real place, an active place, a place where the students are engaged in the business of learning, not merely sitting in a classroom waiting for the next lesson. And the college should be in the position of being a real place, an active place, a place where the students are engaged in the business of learning, not merely sitting in a classroom waiting for the next lesson. We went to the Theater rehearsal of "This Corn is Green" by Edwin Williams with an air of journalistic importance. We came away with an air of dramatic importance. Ahh, the Dramas... It was a little of fun sitting in PLT bookin in one's importance. Hal Schur, Theater's main man, told everything to me. He said that Theatron crew is now busy to see the play and you'll see what happens. Ahh, the Dramas...

GO and Oh Gee!

For years there have been rumors of mergers and consolidations of the city's public transportation system. Now, it appears that the city is planning to integrate its various modes of transportation into a single, unified system. The plan, which has been under development for several years, would involve the conversion of the city's streetcars, trolley cars, and subways into a single network of electrically powered vehicles. The new system would be operated by a single company, and would be able to transport passengers between all parts of the city, regardless of which mode of transportation they used.

When we walk into Madison Square Garden Wednesday night, we'll be giving the lift off the Londoners' seventh basketball match of the season. The match is a real contest, and we shall be watching for the finish. Feeling is strongest around the school that this is City's year. October 20th, the Titans will face New York University, and it's likely the match will be started. Signing up for the Titans are many who are veterans of the game, and it's likely the match will be started. Senior Body On Spree; "Bored" Of Education

The fact that they are Seniors has given renewed vigor to the Class of '45. They have planned a series of activities that are bound to be lots of fun. The Administration smiled benignly and gave its consent to set aside the week of December 11-16 as Senior Week.

The Seniors have threatened (and there is no other word for it) to carry through, without modification, the following list of activities:

December 11... this date shall be known as Beerday! The entire Senior body will march in cadence to the Graham Theatre and, while viewing the movies, remember the classes they cut to attend. December 12... renamed Familyday. All the dotted parents of the upper half of the Class are invited to the Church! Lounge at House Plan.

December 13... Tuesday. Mr. Quigle, President of the Mathematics Department and possibly Miss Laura Hans, of the Guidance Department, will accompany the group. All the banding through snow banks will cool the ardor aroused... we hope.

College Stew...

Another week has now begun. Stew is here; join in the fun! And with another week comes more activities to round out the program of the term.

Call For Vocalists

December 14 and 15 have been set aside for Home Plan executive elections... the next issue of the Journal. The results of the statistics will be dedicated to the memory of Dr. Bernard Ostrolevich... Watch for the date of SOS's gala dance and Christmas entertainment... Senior Party to be held Friday Night. December 8, in the Main Lounge... Here you noticed the pretty copper rose color they're painting the 12th floor?

Call For Vocalists

How often have you noticed happy Cityites roaming through the halls singing! Little do these prospective Carnes realize that they're wasting their talents! At last the chance has come for them to display their ability. Mr. Walter W. Bell is organizing a glee club to entertain students in a Christian character. The Glee Club meets every Friday at noon in 912. Get in on the ground floor!

Accounting Stew

All invited to hear Thomas Lehn, Director of the American Institute of Accountants, address the Accounting Society Thursday at noon in 1590. His topic will be "Planning Accounting in the Profession."

Parlez-vous Francais?

"Le Bourgeois Gentilhomme," a French play by Moliere, will be presented in the Hunter College Playhouse, 68th Street between Park and Lexington Avenues, at 2:45 by the American Association of Teachers of French. The play will be performed at the first time in CCNY history, and pictures will be held in PET.

Get into the swing of things!
