OLS OneSearch demo: Allie Verbovetskaya and Gregory Gosselin

- Allie conducted a demo on the discovery tool OneSearch highlighting options for Interlibrary Loan which is found under “More Options” tab. It was requested that the tab be changed to “Find Item”. OLS will look into that option however we should discuss this with our Public Services campus reps who are meeting on April 16. Issues must be a consensus by committee members. Greg mentioned we may be able to duplicate tab with another name and suppress tab per campus.
- Check the OLS Blog for news and information - <http://ols57.commonscunyc.edu/>

 - We can create aliases for statuses that are more understandable to users
 - Blocking for overdues made explicit instead of just Block...BO (block overdue)
 - Deliver All (batches)
 - Policy Directory info on holding form
 - Can choose 1 or 2 days to respond...used to be at least 4
 - Text messages available – patron scan choose email or text – or we can decide – requires addon (uses twilio) .0075 cents per text
 - CM not called email templates anymore...notification templates
- OCLC update: OCLC update Migration and names are/have changed. FirstSearch is going away at the end of the year. Discovery tool in its place (WorldCat Discovery). Refund service to begin in August that will no longer require you to make a dummy request but be issued a refund instead.

ILL vs. CLICS at GC

- GC has a pilot program where they will make requests for its students via ILL when requests are submitted regardless if the item is owned in CUNY libraries. However, these ILL requests will not be requested from CUNY libraries.
- we will table this for open discussion for next meeting

ILL and undergraduates

- Do we lend to undergraduates? We will table this discussion for next meeting

IDS reminders

- IDS Logic/new ALIAS – To use IDS Logic you must update the new ALIAS add-on. We must follow up with Greg who will check to see if he can assist with getting it to work for CUNY libraries
- IDS conference July 29-31, 2015 in Watertown, NY which is about an hour from Syracuse.
- IDS conference travel: We will look into possible traveling options: Amtrak to Syracuse then chartering a bus to Watertown.

OCLC Listening Tour

- Scheduled for Monday April 6 from 3:00-5:00 p.m. at Graduate Center room C196.05
- Questions?

METRO ILL Meeting

- May 5 from 3-5 at METRO

LACUNY-ILL meeting planning

- LACUNY meetings are based on room availability. We will try to schedule for early morning or end of the day.
- Greg offered the use of 57th Street conference room if available. If interested, someone can host us at their campus.
- If a campus would like to host us, we would be happy to schedule at different locations.
- Baruch has offered the use of their space as well.

Other

- Can we have a OneSearch add-on for ILLIAD? We'd have to ask Atlas or IDS.
