Accountants Mapping Aid For Groups

In cooperation with the Central Treasurer of Student Activities, the Army for Defense has established an Advisory Committee for Student Organizations.

The Committee will assist organizations in the improvement of the recording of financial transactions. Services will be available to all organizations.

To assist in the installation and maintenance of proper bookkeeping systems, a symposium will be held Thursday at 10:30. It is important that treasurers or capable substitutes attend the meeting to represent their organization.

The Central Treasurer's office has a staff of 13 persons who have been trained to do bookkeeping work. These funds are managed by the Treasurers of the organizations, and any errors that may be found in the books can be quickly corrected.

Often, officers of the student organizations have difficulty finding a bookkeeper or auditor who can keep the books as a service at a reasonable cost. However, it is well to realize that the auditor must start from scratch with the books because the bookkeeper's or accountant's statements are based on gross income. Sometimes, it is impossible to get this information from the books of previous years.

The records of the Central Treasurer are kept in such a way that the auditor can get a complete audit of the books.

Student organizations in all colleges are required to have their books audited and checked by the Central Treasurer before any awards or honors are given to the organization.

In addition to the regular work of the Central Treasurer, the Committee does the following:

1. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
2. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
3. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
4. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
5. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
6. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
7. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
8. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
9. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.
10. They make arrangements for the Central Treasurer's office to attend meetings of the student organizations.

City Bank to Collect Blood

A Red Cross Mobile Blood Bank truck will be present today in the lobby for the collection of blood from students, faculty, and staff. All individuals are invited to donate blood. The process is quick and requires minimal time, and it can make a significant difference in someone’s life.

MCNY Students to File Activity Forms

Student Activity Records are due in the Admissions Office by Friday, April 30th. Students must file these forms to be eligible for participation in extracurricular activities. Forms can be obtained from the Admissions Office or online.

City Organizations Support UJA Drive

The United Jewish Appeal will conduct a two-week fund-raising campaign during April and May. Among the various campus organizations which are participating are the Film Society, the Women’s Center, and the City College Literary Guild. Contributions can be made at the Literary Guild offices or by mail to the UJA office.

Theater-in-Round Shows to Be Presented in PET

As part of the spring semester’s cultural offerings, PET will stage a series of theater-in-round shows. These performances are designed to bring together students and faculty in a unique dramatic setting. More information will be available soon.

Drive Features Games, Prizes

A Winter Carnival will be held on Thursday, April 22nd, in the Field House. This event will feature games, prizes, and refreshments. Students are encouraged to participate.

SC Pictures Show Atom Bomb Attack

On Monday, April 26th, PET will present a special film program. The presentation will take place in the Field House at 7:30 p.m. The film will feature footage of the atomic bomb attack on Hiroshima.

Lavender Trackers Open Season Less Co-Captains

The Lavender Trackers, who have been open to all students, have announced that they will be recruiting fewer co-captains for the upcoming season. This change is intended to provide more opportunities for team members to take on leadership roles.

Employers Respect CUNY Graduates

Rutgers, Newark, has taken steps to respect the contributions of CUNY graduates. The university has implemented a policy that recognizes the unique experiences and skills that students gain from their time at CUNY.

Time In Take the Stand

By Nancy Schwartz

President Wright has announced a new direction for the University, focusing on student-centered education and research. This change has sparked a series of protests and discussions across the campus.

No More of Isreal

The play to be performed is a comedy entitled “No More of Israel.” It will focus on the complexities of the Israeli-Palestinian conflict.

Military Academy Offers Trip to West Point

The Military Academy is sponsoring a trip to West Point for a select group of students. Interested students are encouraged to apply. More information will be available soon.

Football Squad Starts Training For Next Term

In preparation for the upcoming football season, the squad will begin training on Monday, April 26th. Practices will be held every Tuesday and Thursday from 4:00 p.m. to 6:00 p.m.

45 Club Gets Around

By Stan Fisk

Don’t call it a move. There are other ways of getting around. You say you’ve never been to the 45 Club. There are other ways. The best and simplest way is to join the 45 Club. All you need is to sign up. There are other ways.

**Redmen Rip City Nine As Moundsmen Falter**

By Steve Schatt

The City College baseball team played two games last week in preparation for the opening Met Conference encounter against Wagner and comparison between the two is impossible. The Redmen defeated Cornell at Baker Field by a 4-1 count, while Saturday the City men were outscored by St. John’s, 19-2, at Lewisham Stadium. But lost the latter score convey the impression that.

**Tennismen Set to Open Net Season**

Although the players on the tennis team may not have any romantic inclinations speaking from an athletic standpoint, they differ in respect to participants in other sports in that they are out for love rather than blood. However, too much confusing, it should be explained that the term “love” in tennis is the abbreviation of course, if your name happens to be Annie Maries.

The net squad opens its season Saturday against Adelphi at the latter’s home grounds. Opposition will also be furnished by NYU, Brooklyn, St. John’s and St. Francis of Brooklyn during the ensuing campaign.

The City College tennis team has compiled an impressive 1950 record of six victories and two setbacks. However, the squad has lost by the loss of four key players from last year’s crack team. The present time is still too early to be able to determine how well the “new men” can work. It is certain that the Lavender will have a difficult time replacing the players who have left the team.

**IMB Cage Games Enter Semi-Finals**

The quarter-final round of the Intramural Basketball Tournament was held Thursday, with the winners having been designated as class champions. In the semi-finals to be held Thursday, the Sophomore group and the Junior five will engage the Seniors.

In the opening games, which were both equally thrilling, the Gohommes (Sophomores) edged the Saxons (Sophomores), 27-23, and Roosevelt “53” (Junior) toppled the Team of Destiny (Juniors), 30-27 on Hill Kine head’s net in overtime.

Stan Pollock’s 13 points and his shooting exhibition in the final game almost turned the tide for the losers.

The Team of Destiny, sparked by Stan Luster, Ted Luster, and Fred Luster at the end of the regulation time, could only lose in overtime, 30-27.

The second games, which were equally matched, saw Post “54” (Freshmen) lambast Barry “54” (Freshmen, 48-19, and Last Hardy (Seniors) trim the Clowns II (Seniors), 33-25. As usual, Eli Cohen was high man for Post “54” with 15 points, while Lester Goldberg’s 18 points was tops for Last Hardy.

Last Hardy will take on Roosevelt “51” in the semi-final round on Thursday and the Gohommes will clash with Post “54”.

All the prospective entrants for the semi-final bracket of the tournament which is now getting under way are required to report to the Rocking Room for weigh-in and a final check-up.

Competitors will then be paired up for boots according to weights and further instructions will be given as to the time and place of the preliminaries. Those interested in the rules and regulations are urged to see Stan Pacula, the IMB boxing manager, or check with the bulletin board.

With warm weather approaching, students may be happy to learn that the IMB has arranged for a swimming meet to commence on April 19. “Tennis, any one?” will be the cry heard throughout the School when the tennis tournament starts on May 3.

**Stevens Institute of Technology Upsets Lacrossmen, 5-4, in Closing Minutes**

The lacrossmen suffered their initial setback of the young season in the closing minutes of a hotly contested game at the hands of Stevens Institute of Technology at Hoboken Saturday. With less than two minutes of play remaining and the score 4-all, Kenley Cox tallied on a pass from Charlie Davis to give the engineers a 5-4 victory.

Charlie Davis was the leading scorer for the Engineers and followed with four. The other members of the squad who are counted on heavily include Ed Zettlin, John Favra and Nick Mizoguchi.

**Commerce ‘9’ Being Planned**

Plans are now being made for the formation of a Commerce basketball team. The first meeting will be held Thursday at 1113 at 1400.

Anyone who is interested in acquiring a position on this team may either attend the scheduled meeting or he may get in touch with Irwin Davis any time this week.

There have been numerous attempts to formulate a similar team in the past. These attempts have met with little due to the lack of interest on the part of the student body.

"This attempt will succeed because I feel sure that the student body will support it," stated one of the organizers.
