TV Screen Star Selected ‘Queen’ of TB Carnival; Students to ‘Cough It Up’

By Joan Zalinsky

Jacqueline Susann, talented Hollywood, Broadway and television actress and author, was crowned “Queen of the TB Carnival” Thursday at 1. The carnival will run for two days, Thursday and Friday, from 10-4 in Lounge C. With $300 set as the goal of the annual affair, the money will be donated to the Thalidomide Association. This is the 22nd time the carnival has been run, the last year it was held was last year. The slogan adopted for the occasion is, “Cough it up, they won’t have to cough at all.”

Students will “cough up” 5c for each amusement ticket, or get a group of 25c. Tickets will be honored at the various booths set up in the lounge.

Some booths will be sponsored by different groups and organizations in the school, and will award prizes for the winners of the games. Jelly apples, charlotte nasses and jello will be sold by the faculty-student sports club.

The price is 25c per copy.

Winter Sports Club Programs Frolic;
IceSkating, Skiing, Major Attractions

Deposits of $10 for the Winter Sports Club’s five day weekend outing to Vermont, December 28 through January 1, must be placed in Box 921 before December 19.

The group will leave Friday, December 28, at 5 from 29th Street and Lexington Avenue and will return January 1.

“We have arranged a program that will be enjoyed by all who participate,” announced A. B. Rosenberg, president of the club. Activities will consist of a “skier’s breakfast,” lunch on the slopes, if desired, and supper at the hotel. The vacation will be climax with a mixed steak banquet and a new year’s Eve party.

Students not interested in skiing can bowl, play ping pong or participate in any of the other outdoor sports available to the guests. Those interested in outdoor sports can ski, ice skate, go down the toboggan run or go sleigh riding. Instructors will be available for all those persons interested in learning a new sport and for those who would like to improve upon their present capabilities.

Drop Three Varsity Hoopsters After Finding Records Altered

By Steve Schatt

The crushing blow to the remnants of a once mighty team was dealt Friday afternoon when it was disclosed by President Harry N. Wright, after a recent trip to Vermont, December 28, that three members of the varsity basketball squad, in addition to those of one other, had altered their records to permit the players to enter the Tournament of All American’s as fully matriculated students.

The three undergraduates involved are: Arnie Smith, 6-1 senior captain of the varsity; Ed Cheeney, 6-5 starting center, also a senior; and Moe Bragin, 6-1 junior at the School of Business.

Pending completion of investigation, these players will be permitted to continue attending classes, but have been barred from participating in intercollegiate athletic events.

Upon being notified of their banishment, all three of the above-stated students had agreed to sit with. There are five couples to a table. Inquiries may be made at the time the price is 25c per copy.

Grads Engage Official Florist

The senior class has engaged the Shammock florist as an official supplier of corsages. Discounts and free delivery service are being offered to students who purchase corsages,cluding a section of orchids, gardenias, roses and other flowers.

A drop of $100 for the Winter Carnival will be accepted in 804 Thursday, from 12-4. Anyone who is unable to place an order Thursday should see Jerry Kaufman as soon as possible in the TICKER office.

Sessions interested in renting tuxedos at a discount should see Nat Ritter or Morry Feit at the senior prom booth on the ninth floor. All tuxedos ordered through the School of Business will be delivered to the Central Treasurer’s office, Friday, at 1. They must be returned to the same place no later than December 10.

Three Hundred Pint Goal Set By SC Blood Bank Committee

A Red Cross Bloodmobile unit will be in Lounges A and B from 10-4, Friday, December 14. Registration slips and parent release slips, for students under 21, may be obtained at the ninth floor booth.

This year’s goal is 300 pints, but Ros. Ed Fretz and Abe Rosenberg, Co-chairmen of the Blood Bank committee, have announced that the two hundred pledges needed to reach this goal before the Bloodmobile arrives, are slow in coming. They urge the students to remember that this is the blood collection goes to our fighting men, while the other half remains in a reserve which CCNY students and faculty members may draw upon without payment.

George Paul Redgate, 19 year old, an Army war veteran, spoke Friday to the freshman assemblies on behalf of the bloodbank. Wounded in Korea, Mr. Redgate received 23 pints of blood and had 5 operations to save his leg and his life.

Across the Seas
To Study at City

By Bob Parker

Did you know that there are students attending City College who are citizens of other countries? Like many other foreign students, they have traveled thousands of miles to get their education at City. Alex Colmenares of Greece and Mieko Nakamachi of Japan are two of the many students attending City.

Student Life Keeps
Cityites Spirit High

By Jerry Pickels

With the discontinuance of the football team and the closure of our grandstand, basketball championship almost unmaintained extracurricular activities.

Lavender Five Wins; Watson Leads Attack

By Stan Fluk

A foul shot by acting captain Jerry Domershick with only 38 seconds remaining to play provided the margin of victory for a scrappy though somewhat erratic City College five over a game Rennoke squad, 63-62, Saturday night at the Main Gym.

The contest, a preliminary to the NCAA, the five's major victory of the night was the "come-from-behind" one in University Athletic Conference play. Bill Behrens, the Lavender captain, Joe Cotrone, and Larry Gurkin were injured. Watson surprised us with his defense throughout the game. He blocked a last-second driving lay-up attempt by Tony Proietti to preserve the victory. The lack of reserve strength definitely hampered the Beaver attack. Coach Nat Holman used only seven players. Domershick played the entire game and was, an obviously tired young man during the major portion of the second half.

Paul Cap led the offensively deliberate Roanoke five in scoring with 24 markers. Behrens was runner-up in City scoring with 37 points.
