SC Committee Reverses Stand

Within a period of 24 hours, four candidates for Student Council executive positions were disqualified and reinstated by the SC-Disqualification Committee.

Charges were first brought against the candidates, Lenny Vogel, Bert Wassereman, Jerry Lewis and Jerry D'Antonio, hearing Wednesday, disqualified Council executive positions were disqualified and reinstated again yesterday morning on the basis of an appeal which has been removed from the name of appellants.

SC election rule, which states that campaign literature "must be placed on classroom bulletin boards," The Committee at last time maintained that the area used by the candidates in 4S could not be considered a "bulletin board." At a meeting the following day, the Committee voted to reverse its decision, thus placing the candidates in their original status.

Since the Committee was empowered by SC with the right of final decision on the disqualification of any candidate, their final action cannot be overruled by the Board of Higher Education.

In calling the Disqualifications Committee "just a rubber stamp," which cannot think for itself, Danny Lowe, Committee chair, said, "If SC sets up a committee with such powers (to disqualify candidates) they should have either allowed themselves to review the Committee's actions or allowed the Committee some leave in interpreting the rules."

The School-wide election will be held today during the 10 o'clock hour. Voter groups on the classroom at that time will receive a ballot stamped with his official class. Any student who, in class elections, votes for positions "outside of his class" will have his ballot declared invalid.

Students who cannot vote at 10 will be permitted to vote tomorrow between 2 and 4 at a booth in front of 921.

BHE Selects Three As Trial Committee

The Board of Higher Education announced last night the identity of the three-man trial committee which will determine the fate of the suspended members of the College's Hygiene Department—Professor Frank Lloyd, Associate Professor Nat Holman and Bobby Sand.

Those named by the Board are Gustave G. Rosenberg, chairman of the committee; Lawton Mackall, and Porter R. Chandler.

The three were elected by the BHE in accordance with the rules by the usual date for the departmental trials will be determined by this trio, and will probably be forthcoming within a few days.

The nominations of the trial committee were announced at the regular meeting of the Board last night, only a few hours after Nat Holman, the suspended basketball coach, half refurmed his conviction of innocence before the weekly luncheon of the Basketball Writers Association.

Revealing that he would be defended by former Supreme Court Judge Edward Lubard, Holman declared, "I would not tolerate, much less take part in any, such schemes. These charges are false. I have never done a dishonest thing in the game."

Plan Improvement Of Manhattanville

City College has received $1,500,000 from the Board of Education for the rehabilitation, reconstruction and furnishing of the newly acquired Manhattanville campus.

This announcement was made at President Buell G. Gallagher's press conference Tuesday. He stated that the Board, Monday, December 1, 1952, presented his request before the Board and, on the following Thursday, the appropriation was approved.

The money will be used for the improvement of the entire South Campus, the name given to the Manhattanville campus, by President Gallagher. Plans have also been made for the improvement of the Academic Building.

Funds have been approved by the Board for the architectural plans and for a High School stage of its buildings into a collegiate stage. Once the South Campus is reconstructed completely there will probably be an adjustment of the amount of time between classes or an arrangement of class schedules in view of the need traveled to travel from one end of the campus to another.

Whoops!!

In spite of the TICLER editorial which appeared in the last issue of the paper, the referendum on today's ballot, a $50.000 increase to $30.00, the present fee is $25.00 which is used to support student activities in the School.

CCNY Problems To Be Aired At All-College Conference

Five Panel Talks Set for Thursday

By Sam Perelsohn

The All-College Conference, composed of Assembly discussion groups, will be held Thursday from 11 to 11:30 a.m. in the afternoon in the Assembly Rooms of both the Uptown and Downtown Centers.

During the day, the panels representing all phases of the College will meet and analyze the ideas presented at their respective discussions. Results of the inter-session meeting will be compiled into reports to President Buell G. Gallagher at the inauguration ceremonies, Thursday, February 19. To be contained in the reports are not only the problems found, but all proposed solutions.

The Conference has set for itself three clear-cut purposes. They are: to evaluate what has been done and what can be done and work to resolve the topics the panels have discussed, to effect a new President; to bring the whole College together in a community manner; to create wide and favorable public relations in the institution.

In order to insure the success of the All-College Conference, President B. C. Smith, President of the BHE, announced that the 11 a.m. session of about 1,000 students attending the proceedings. A program will be prepared for the Observation Post, the Uptown papers, will be discussed in detail by the Conference on Thursday, Uptown field its "initial Com-

Accounting Group Schedules Induction of Honor Members

Betta Alpha Psi, national honorary and professional accounting fraternity, will initiate 39 new members and will confer honorary membership on Aiden C. Smith, senior partner of Price Waterhouse.
Intelligent?

The accompanying photograph is a prom poster designed to be shown in a galaxy (via television) to the students of this college. It depicts a girl posing with a book, a laptop, and a telescope, symbolizing knowledge and exploration. The poster is intended to promote intellectual curiosity and encourage students to engage in academic pursuits.

Sophs to Hold Fete At Park Sherman

The Duplex Tower Room of the Park Sherman Hotel will be the scene of a Sophomore Fete on Saturday evening. The Prom group will dance to the music of the 'Carnival of Venice' by Nicolai, and will be entertained by the Junior and Seniors of the college.

Inter-College Panel To Examine Program

As part of the All-College Conference, the Inter-Collegiate Panel on "Community" will meet in the Chase Room on Tuesday, December 14, at 4:00 p.m. Dayolu. The purpose of the panel is to discuss the role of inter-collegiate cooperation in the community and to explore ways to enhance such cooperation. The panel will be chaired by Professor Louis Levy, and will include representatives from several other colleges.

Practical Solutions Sought by Committee

The Faculty-Student Relations Committee of the All-College Conference, which meets at 12:15 in the office of the Dean, will pick up the agenda item "Co-Curricular Panel Topic." The committee will discuss various co-curricular activities and how they can be improved.

Group Talks On "Courses"

The Inter-Collegiate Committee on "Courses" will meet in the Chase Room on Tuesday, December 14, at 4:00 p.m. The committee will discuss the present and future course offerings of the college and how they can be made more relevant to the needs of the students.

Five Rips MIT, 96-56, To Set Scoring Mark

By Morton Weinstein

The City College basketball team smashed an all-time CCNY scoring record as it rolled to an impressive 96-56 victory over Massachusetts Institute of Technology, Friday night at the Fordham Gym. Soccer star Tommy Holm tallied a three-pointer with only five seconds remaining in the game to eclipse the mark of 95 points set in 1907 against Adelphi and equalled against Muhlenberg in 1948 and Temple in 1951.

Howie Buss again led the Beaver attack with 30 points, equaling his output in the Adelphi encounter, shooting himself sub­terfugally-in-the-pocket, Howie did most of his scoring in the second half, in which he garnered all but three of his total.

Also contributing greatly to the evening's scoring were Mary Shorr and Captain Jerry Domen­shick Shorr, while he played, controlled the ball, and his fine-rebounding and tallied fifteen points. Domenshick, in addi­tion to his three-point produc­tion, played a beautiful pass­ing game in leading the Beaver fast break.

The game was a rout from the very beginning as the Lavender squadron took first before the Engineers' Bill Van Alstyne could sink a foul at 6:22 of the first quarter. Featuring the fast break, City piled it on to lead by 25-4 at the end of the opening quarter.

The second quarter was played almost entirely by the Beaver forwards, who were actually outscored by MIT, 22-21, and the half ended with City in the lead, 47-15.

Polansky followed the same pattern in the second half, using his first team in the third period, and finishing the game with his subs. But there was no stopping the Beaver machine this night, and the crowd roared its approval as the Beavers steamed toward the new CCNY record.

The box score:

MIT - 15 15 20 26 56
City - 25 22 20 29 96

Sport Shorts

Howie Buss

City's record hoop victory Friday night can be attributed to the Lavender's high shooting per­centage ... The Beavers hit for 37 out of 78 shots for a 47% mark. It was the first meeting between CCNY and MIT since 1927 ... The series began back in 1906, with the Lavender now having taken all seven games played.

The Beaver swimming team captured its opening meet of the season last week, drowning Brooklyn Poly, 46-38 ... The natalists will splash against Colum­bia tomorrow afternoon at the City pool ... Cross-country coach Harold Assem Bruce felt his harrier squad at the Prince George, Hotel Saturday night.

Fencing Grads Still Sharp

Several prospects of City College fencing coach James Mon­tague are still achieving national successes in their respective sporting activities.

No fewer than seven former City-Stars were named in the national rankings announced last week by the Amateur Fencers League of America.

Five of the top ten in the foil division are CCNY alumni. These include Dr. Dan Bukantz, Nat Lubell and Albert Axelrod, who took first through third places, respectively. Lt. Hal Goldsmith, last year's National Intercollegiate Champion who graduated in June, placed fourth.

Beaver Grapplers Down King's Point

By Al Martin

In a tense, grueling encounter, which was in doubt up to the last match, the City College wrestling team registered its first victory of the season by defeating Kings Point, 15-12, Saturday afternoon at the Fordham Gym in what could be the biggest game of the season for the Polanskymen. Tickets for the fray are 50c each with a student, senior citizen and 12c otherwise.

Channel will televise the proceedings, beginning at 8:00. A freshman contest, starting at 6:00, will also be seen.

The red-hot Rams are currently being touted as one of the top teams in the nation and a result of impressive victories against Adel­phi, Columbia, and St. Francis, a trio of national opponents. The Adelphi triumph is particularly noteworthy, as the team has already defeated the Garden City trio five times after being routed by Fordham.

However, Coach John Such's five cannot regard City as a mere breather, since they now trail only too well last season's intrac­city fray. When the Lavender, playing its home game of the sea­son, was 5-2-1, the Rams proved definitely superior, since the City Garden Car five tripped the Beavers after being routed by Fordham.

However, the Rams have yet to run their full compliment of each team member. The City five is still in the making, and the Rams are likely to be down a couple of creators.

The two teams have met 37 times since the first game back in 1923, and the Beavers have won 28-9 lead in the series.

Although the Fordham squad is primarily composed of sopho­mores and juniors, they haven't displayed any symptoms of lack of experience, but have performed as a well-balanced unit.

Ed Conlin,

The coach's under­standing of the high school coaches involved in this latest recurrence of the RHE closures, has indicated that the "questioning is now in progress" but has declined to go beyond that on the matter until the investiga­tion is complete.

The coaches, who fall under the jurisdiction of the Board of Education, were informed of the BHE report of November 19, which led to the suspensions of Frank Lloyd, Nat Holman and Bobby Sand. In the section dealing with Dr. Lloyd, the report declares: "As Chairman of the Faculty Athletic Committee, he approved payments to high school coaches from athletic funds, from 1945 to 1948—actual payments of money, and by supplying Madison Square Gardens tickets to the coaches for scouting and recruiting.

Dr. Ernst, supervising the exam­ination of the high school coaches involved in this latest recen­tence of the RHE closures, has indicated that the "question­ing is now in progress" but has declined to go beyond that on the matter until the investiga­tion is complete.
