NYS Television Commission
Kills Regents' TV Program

The Board of Regents' proposal for a ten-station, state supported educational television network was killed yesterday when the state temporary commission investigating educational television heard the proposal.

The Board indicated that it would apply to the Federal Communications Commission for renewal of its temporary licenses to build educational television stations, despite the

Suspending Registrars
Implicated in Probe

By Richard A. Kerera

Richard H. Austin and Hyman Gold were suspended from the College last week by President Ewell G. Gallagher, acting on direction of the corporation counsel of the Board of Higher Education.

The suspension of the two registrars' assistants, who had a weak previously, involved the BHE to hear them at its next meeting, when the incident is purportedly to be discussed. Should their report be granted by the Board, it is likely that the information they refused to divulge to the Senate Internal Security subcommittee will be given to the BHE, since the implicated and suspended due have strong statements in their favor. The investigation is vested only in local authorities.

Both men will strongly urge the BHE to hear them at its next meeting, when the incident is purportedly to be discussed. Should their report be granted by the Board, it is likely that the information they refused to divulge to the Senate Internal Security subcommittee will be given to the BHE, since the implicated and suspended due have strong statements in their favor. The investigation is vested only in local authorities.

Some student reaction was perceivable as these events were chronicled. Mr. Gold was offered the opportunity to state his case and grievances before Downtown Student Council, but twice declined to accept.

Investigations Causing Rift

The question of Communists in the nation's colleges and universities appears to be causing a major rift in the ranks of the Republican forces.

In a reply to Robert A. Taft, Senator of Ohio, the U.S. Senator and former head of the BHE bureau, Mr. Taft said that the Board of Higher Education had violated the statue and sent the case to the corporation counsel of the Board of Higher Education.

Mr. Taft added that it was essential to bring about the court action before the courts will test the validity of the corporation counsel's statement, which he said had been made without regard to the Board.

Times’ Science Editor Simplifies Complexities

In this age of scientific expansion with its flurries of five-syllable words and their incomprehensible meanings, the layman is not only confused and disconcerted, but is often inclined to feel that he is being cheated by what he considers to be gobbledygook.

In his recent editorials, Professor Peter P. Kastner, the editor of the Times, has endeavored to make difficult concepts more easily comprehensible. We feel that it is in the public interest that these tenets be affirmed in each in his own class.

It is of vital importance that the public be made aware of the complexity of scientific endeavors and that they be provided with an understanding of the scientific methods and apparatus used in the pursuit of knowledge.

The Times’ editorials have been helpful in this regard, and we hope that they will be continued in the future.

Fencers Foiled Again:  
Bow to B'klyn, 15-12

By Albert Gimberg

The City College fencing team was again turned back in its attempt to register its initial victory of the season when it fell before the swordsmen of Brooklyn College by a 15-12 count Saturday afternoon at the Tech Gym.

of times, the hustling Beaver crew led almost single-handedly in the opening half by Domenick and Jack Chuadoff, keeping bouncing back to keep the pressure on the eventual victors. The Lavendermen appeared on edge in the first quarter, falling behind by as much as 16-10 late in the period, but the club hung in the ballgame via Domenick's red-hot shooting. Jerry Polk did 85 of his points in the opening half.

Returning on the short end of a 32-30 halftime score, City fell behind by seven points toward the close of the third quarter, and trailed by a similar margin, 61-54, at the 15-minute zone in the final period.

Happy Day!

Financial Five Aims for No. 3, After Trouncing NYU, 93-66

The Commerce cagers will go after their third straight victory this afternoon, following an overwhelming 93-66 triumph over NYU Commerce in Hansen Hall last Friday afternoon. The Financial five, appointed coach Jack "Dutch" Garfinkel, after dropping their first five games of the campaign.

The Leavarians will be looking to extend their winning streak when they take on Fuchthang School of Education today at 5 in Hansen Hall.

The contest of NYU Commerce was accomplished in convincing fashion, as the Business five dominated from the early leam Kingsmen and was never headed. Although the advantage was only 39-30 at the break, the Business five scored at a 21-point lead and culminated a fine performance with an impressive 30-point final period to put away the Kingsmen.

City College's 300-yard medley relay team smashed CCNY record Saturday afternoon as the Brooklyn swimmer in its final meet of the season at the Kingsmen's pool.

The medley teams consisting of Tony Scassa, John Kellogg and Alan Gitlin, clocked the distance in a brilliant 2:11.4.

Lavender ace Howie Schloemer narrowly missed setting a new city record in his specialty, the 220-yard freestyle. Howie hit a fine 2:16.7, just two-tenths of a second off his own all-time mark.

Schloemer also captured the 440-yard freestyle in 5:18.6, setting a new pool record in the process.

Other winners for the City medley teams were the 400-yard medley relay team of David Allen, Steve Levin and Leon Benischek on the backstroke; Mike Silberberg in the 50-yard freestyle; and Jim Moskowitz in the 100-yard individual medley.

The meet won't see action again until a week from Saturday, when they will compete in the Metropolitan swimming championships, at the NYU pool.
