Feeling left out

Student Council demonstrated Friday night that they are making no attempt to include non-Council members among their ranks.

The Student Awareness Association, charter sponsors state that: "The elections (for SAA representatives) are to be held concurrently with the Student Council elections, which are being voted on today."

detected to exclude the names of candidates for SAA leadership.

The reason given: "The results of the participation of the student body in the election of public officers of the College, the execution of the results of the election, and the presentation of the candidates for the positions they are seeking." The SAA spokesmen believe that this will encourage students to participate in student elections on a larger scale.

1. The SAA is trying to change the election process and to make it more inclusive.
2. The SAA is advocating for a more open and democratic election process.
3. The SAA believes that including non-Council members in their ranks will encourage students to participate in student elections.

Around 'n About

By Stan Fish

It was clouded over Saturday. Was colder today. And the bunch of Clouds had another set of meetings for the next week, so I decided to take a walk. I was in the middle of the street when I saw a group of people standing around a tree. They were talking about the weather.

I went over to join them, and they were discussing the possibility of a snowstorm later in the week. I told them that I didn't think it would happen, but they weren't convinced. They said that they had seen some clouds forming earlier in the week.

I asked them if they had any plans for the weekend, and they said that they were going to have a picnic. I told them that I had a similar plan, but I was going to have a barbecue instead. They laughed, and we talked for a while longer.

Eventually, they said goodbye, and I continued on my way. I was feeling better now that I had talked to some people. It was nice to have someone to talk to about the weather and other things.

Infinite Baseball-Experience Aids Mentor "Skip" Mishkin

Although City's lead baseball team is on the verge of capturing its first metropolitan conference title, the coach will not be attending the game. However, his assistant, "Skip" Mishkin, will be in attendance.

Mishkin said, "I believe that baseball is a great sport, and I want to help any way I can. I will be there to support the team and to encourage the players."

Faculty Upsets Students in IMB Basketball Tilt

In a stunning upset, the Faculty defeated the students in the IMB basketball game that produced some of the most dramatic events in the history of the school. The Faculty upset the students 23-20, Thursday night, when they scored in the final seconds of the game.

The Faculty had been down by 10 points with 90 seconds left on the clock, but they made a comeback to tie the game. Then, with 20 seconds left, the Faculty made a free throw to take the lead.

**Neuberger Two-Hits Brooklyn To Strengthen League Lead**

By Lanny Mason and Herb Nager

A strong two-hit pitching job by Warren Neuberger and some lusty hitting by his mates combined to turn back Brooklyn 3-2 Monday afternoon at the Manhattan Beach home field, strengthening the Beavers’ hold on first place in the Metropolitan Collegiate Baseball Conference. The victory was the ninth second Conference win in the past week. Last Wednesday the Lavender comboed two Manhattan twirlers for fourteen hits to gain a one-sided 1-0 win over the rivals’ Van Courtlandt Park. Neuberger was the winning pitcher in that encounter, his fifth consecutive League victory. Their only other scheduled tilt, a non-league affair against Kings Point Merchant Marine Academy, was canceled due to weather.

While Neuberger was baffling the Kingsmen, his mates were pounding the loose-fielding Ma- raudeers for eighteen hits, including circuit clouts by shortstop Dick Dickstein and Neuberger. The Beavers wrapped up the game in the first inning, chasing starting hurler Herb Issacson, and taking three runs. After Dickstein led off with a homer, Mike Kucklin slugged a single to left. Both he and Ted Solomon were safe when the latter reached base on an error. Ozzie Bartet and Marv Weisner followed and the Kingsmen were second. A moment later he scored when Marv Morris tagged him.

Finding the slants of all four Manhattan swingers to their liking, the Beavers answered with fourteen safeties as they amassed their highest hit and run total of the season: Adding to the Mischkein’s attack were the two base-on-balls that they received, and the five errors contributed by the Jaspers’ in
defense. 

**NETMEN DEFEAT QUEENS; RIPPED BY VIOLETS, 9-0**

After notching its first win of the season against Queens, 6-3, last Monday, the City College tennis team was soundly trounced by the NYU netmen, 9-0, Saturday. Trailing 3-1 in the Queens encounter, Coach Harry Karlin’s charges rallied to sweep the remaining singles matches as well as all of the doubles.

Gaining victories in the singles for the Lavender were Milt Nelson, Joe Frankel, and Larry Ginsburg Co-Captains Nelson easily downed Marty Huch in straight sets, 6-1, 6-2. Bohrer required three sets to topple the Queens foe, while Ginsburg won, 6-3, 6-1.

In the doubles matches Cliff Huffman and Nelson teamed up to beat Jack Shapira and Howie Borden of the City’s duos of Warren Burd, Harold Reikes, and Ed Trunck. Diekstein was also victorious. Despite a heavy rainfall the 45ers to Storm West Point

"Storm the Point and beat those Cadets," will be the battle cry of the 45 Club as they travel to the United States Military Academy for the second time this year, Saturday. May 9, to witness the lacrosse game between City and Army.

Earlier this year, the unofficial CCNY cheering section journeyed to the Point to watch the Beaver nine battle the Cadets to a 4-4 deadlock. The 45ers were hopeful of breaking the jinx there but have failed in the last three years, during which time they have not had a single Beaver athletic triumph. The bus will leave from the College at 3 a.m. this morning. The home team will win the Famous West Point grounds. There will be ample time to witness some of the many other athletic activities held at the Academy that day.

Tickets for the trip, which will be the 45ers final junket ed from Ros Gerson in the TICKER-office or Frank "Doc" Thornton, the Club’s Faculty Advisor, in Room 1097A. Any student who is interested in making the trip should place his reservation early. The baseball outing to West Point produced such a fine turnout, that it was sold out several days in advance.

If the City club produce a victory, it will be the first the 45ers have seen since 1950, when a powerful lineup overwhelmed Temple in Philadelphia.

The 45 Club, which was formed eight years ago by Doc Thornton, got its unusual name when one of the students on the or ganization’s first trip noted that the bus in which they were traveling had 45 seats.

**Dutchmen Vanquish Stickmen**

Still in search of their third victory of the season, the City College lacrosse team got a strong effort from goalie Tom O’Brien and a two goal tally by Larry Romo, who finished the game with 18 saves for the Dutchmen’s field in Hempstead. The defeat was City’s worst of the season.

Coach Leon A. (Chief) Miller’s charges were unable to get a concentrated attack going. The veteran mentor was particularly disappointed at the inability of the defense to move the ball upfield.

Meanwhile, Hofstra was constantly on the offensive peppering the Citymen with 30 shots, including a leaguered goal tends, Hal Friedland and Stu Neuberger. Ron Friedman led the Dutchmen’s attack with five goals and two assists.

Hofstra took command from the first, scoring seven goals before the Millermen were able to score their lone marker of the afternoon. Trailing 9-1, the half, Lester Gottlieb converted a pass from John Mahon to register their third goal of the game, thus nullifying the early reception from both the City and Hofstra teams.

This was the only second shot at the goal that the Millermen were able to get, and the Hofstra offense attempted. The fast-tir ing Beavers met with increasing difficulty as Hofstra began pressing to set a new school record for goals scored. Luckily the clock ran out in time to save the Beavers from being victimized by a convincing record. However, Hofstra did succeed in equalizing the old mark.

Saturday, the Millermen will make their third effort to drop the West Point to take on the Army "B" team. This will mark the annual "B" team’s third effort to gain their third victory of the season. Last year, the Lavender suffered a 15-5 loss at the hands of the Cadets.
