Eberhardt Appointed To Succeed Kamenoff

By Thelma Weiner

At a meeting held last night in the Board of Higher Education confirmed the appointment of Dr. Charles Eberhardt as dean in charge of guidance. He succeeds Dr. Ralph J. Kamenoff, who has resigned to accept a position in the field of education.

Dr. Eberhardt praised his predecessor's work. "Dean Kamenoff has created such a solid foundation," he said, "that it will be my unbridled effort to try to maintain the services he started during his tenure.

A hygiene instructor at the school of Business for 25 years, Dr. Eberhardt has had the opportunity to familiarize himself thoroughly with the problems of the students.

Regents Declares Reds Subversive

The Board of Regents has declared the state and national Communist Parties as subversive, thereby barring them from participation in the state public school system, and specifically in the municipal colleges.

Power to take such action was vested in the Board under the provisions of the Peaiberg Law of 1949, which last April was extended to public community colleges facilities. The Peaiberg Law empowers the Board to control all subversive activities on campus.

SDA Affirms 1952 Stand

Calling for support of the right of teachers to participate in political activities, Students for Democratic Action has reaffirmed its strong position on academic freedom.

Nearly 150 delegates, representing 30 member chapters, attended the annual SDA convention at the University of Pennsylvania, September 12-14.

The delegates also chose "Operation Brotherhood" and a labor education program as the major SDA projects for the year. "Operation Brotherhood" represents a nationwide campaign to aid student organizations, including fraternities and sororities, of discriminating membership provisions.

An SDA meeting to decide which morally obligated candidates to support will take place Thursday at 12:15 in 707.

Students Return from Europe After Studying Retail Fashions

The first European Travel and Study Group for the study of merchandising and fashion in the leading cities of the continent was conducted by Mrs. Lilian Kushel, supervisor of textiles and fashion in the retail department.

The tour was conducted under the auspices of the College as an official offering of the summer session. After taking formal examinations, the students who accompanied Mrs. Kushel received four credits.

During the seven-and-one-half-week trip, the group was taken on guided tours to all the important sightseeing spots, as well as on trips through leading fashion houses, museums, ateliers and retail stores in London, Paris, Lyons, Nice, Genoa, Rome, Florence, Milan and Lucerne.

Time spent abroad was divided into study days, sightseeing tours, and free days. Arrangements were well planned in advance. On the first day of the group's arrival in the city. In each city the students took courses, the work was conducted by local organizations.

The round trip was made on the MV Georlge, an English ship. A flat fee of $900 was charged. Approximately $350 was spent on various incidental expenses.

Of the fourteen students who accompanied Mrs. Kushel, only two were fellows, one of whom was an English boy who joined the trip after it arrived in Europe. Several of the students came from the immediate metropolitan area.

Vivian Verme, an upper senior, who accepted the invitation to study abroad, was most enthusiastic about her experiences. She felt that she not only gained scholarly knowledge in her specialty but that her cultural outlook was broadened.

"It is good to see the world," she said, "and when I am in Paris, 'I meet more Americans than natives.'" She said that she enjoyed the life in the big city place, and that she was a competent teacher, who not only knew everyone in her specialty but that her cultural outlook was broadened.

"Perhaps the most of the study days were spent at couturiers (designers). It was here that the students were able to increase their knowledge about design and fabrics.
Senior Prom Set At Essex House
The Columbia Room of the Essex House has been chosen as the site for the student dance, which will be held Saturday night, April 15. Tickets will be on sale for $1.50 per person, or for $2.50 per couple, beginning Thursday, April 14. Formal attire is required. Areas were set aside at the reception for the afternoon group and for the evening group. Several groups from the College and the University will also be invited.

Ed Students Need Exams
All students who are not satisfied with the examination results of the College, and who are registered with the secretary of the College, are required to take the examination. Rules for the examination are the same as those for the College, with the exception that the examination is held at 3 p.m. on Thursday, April 12. Examinations are to be taken only by those who have not taken them before.

Entrance Figures Show Slight Increase

Preliminary registration at the four municipal colleges indicates it is in the same trend as last year, with students returning to the same schools. The figures show a slight increase as compared to last year.

The preliminary figures indicate that there will be an increase in the number of students at the colleges. This is due to the fact that many students are returning to their schools to continue their education.

The figures also show that the percentage of students returning to the same school is higher than last year.

The increase in the number of students is due to the fact that many students are finding it easier to continue their education in their local schools.

Lunchroom Trial Called Successful

The Faculty-Student Committee has decided to continue the system instituted last semester of closing the cafeteria for a short period of time after lunch during the middle of the hour. As stated in the previous issue, this plan was recommended by the cafeteria committee, which is now being formed by the students and the faculty.

The main purpose of the plan is to reduce the crowding in the cafeteria and to make the students more aware of their responsibility in maintaining cleanliness. The cafeteria committee is made up of seven students and seven faculty members.

Chest Forms Ready; Spring Funds Donated

Students desiring to work with the Community Chest Committee will find applications available in 321 starting this Friday. The applications are to be returned a week later, and the committee will meet in order to make the final selections.

Fifteen Years Ago This Week

"The game doesn't mean a thing and we're going to lose if I can help it." So said Captain Jack Neuberger of the City College basketball team before the game against the University of Chicago last Saturday. The game, which was played before a large crowd at the Manhattan Athletic Club, was a hard-fought contest, with the City College team emerging victorious by a score of 27 to 12.

The City College team was led by the services of Jack Neuberger, who scored 13 points, and Ted Solomon, who contributed 7 points. The University of Chicago team was led by Bill Wilson, who scored 10 points, and Tom Orlando, who contributed 7 points.

PAYCUTS... (Continued from page 1)

This week, the City College administration announced that the pay cuts for the clerical workers will be implemented on February 1. The pay cuts are expected to affect the finances of the college, which has been facing a budget crisis.

The administration has stated that the pay cuts will be necessary in order to balance the college's budget. The cuts will affect all clerical workers, including secretaries, librarians, and maintenance workers.

Seniors

The following is a list of the seniors who have recently graduated from City College:

- John Smith
- Mary Johnson
- David Lee
- Susan White
- Robert Green

City Booters Drill For Opening Tilt

By Herb Nager

Faced with a tough opening match against Brandeis University, October 10, Coach George (Red) Wolfe's Beaver squad has been steadily building up to the pace of their
daily Lewishohn Stadium practice sessions.

The Beavers hope to get off to a fast start in their two matches against Brandeis and Rosemont next Monday.

In recent years, the Brooklyn Beaver campus has been a key victory in the Metropolitan Collegiate Soccer tourney, thus giving the
campus a chance to see itself for the key contest slowly.

The two squads have completely dominated the League during the past few years, thus turning the
two-day event into a virtual championship affair.

The Beavers are hopeful of re-
gaining the title they lost to the Monmouth squad. The loss in the opener has been
discouraging to the Beavers' fans, who have witnessed their team
fare well in the opening round.

Despite the graduation of seven key seniors, the 1949-50 season began.

In the opening round, the Beavers defeated the New York University 1-0, with a goal from Lucien Dauphans, who was instrumental
in the victory.

Following its initial conference
game, the Wolfmen entertain Queens College. In the following weeks, the team will face other tough opponents, such as
Pratt Institute and the Long Island Argies.

The Beavers then clinch out the
campaign with two non-league
efforts. They face the Lafayette
Leopards, November 3, followed by the Pennsylvania State Argies, and conclude the season against the ever-danger-
ous Rensselaer Tech Engineers.

The schedule:

Oct. 1---Brandeis. Home
Oct. 2---Kings Point. Away
Oct. 3---Pratt Institute. Home
Oct. 11---L.I. Argies. . . . . Away
Nov. 14---Lafayette. . . . . Away
Nov. 21---Stevens Inst. . . . Home

Diversified IMB Program Slates Additional Novelties

In an attempt to present as vastly-diversified a pro-
gram as possible, the Intramural Board plans to add several additional events to its program this semester.

A Girl's Carnival Day and an Intercollegiate Intramural sports program are included in the IMB's slate. Basketball and bowling are also among the new activities.

By Henry Ficzower

Diversified IMB Program Slates Additional Novelties

In an attempt to present as vastly-diversified a program as possible, the Intramural Board plans to add several additional events to its program this semester.

A Girl's Carnival Day and an Intercollegiate Intramural sports program are included in the IMB's slate. Basketball and bowling are also among the new activities.

A girl's carnival day and an intercollegiate intramural sports program are included in the IMB's slate. Basketball and bowling are also among the new activities.

A handball tournament, which will begin Thursday, will open the IMB program this fall. Interested participants are requested to see Marvin Small in the IMB office, 610A.

The traditional frosh-soph car-
vival, scheduled on October 25, will commence IMB-sponsored festivities at Hanse Hall. The four-hour tournament, consisting of 32 teams, will begin the following week.

Individual bowling, chess, and
chess-pong tournaments are also
on the IMB schedule. The bowling
tournament will begin within the
next two weeks at the Gramatan
Bowling Lanes, 23rd Street and Third Avenue.
