Baruch School Postpones Appearance of Student At Inquiry of Colleges

The Board of Higher Education’s unit investigating subversives in the municipal colleges postponed the indefinite postponement of the appearance of Mrs. Selma Gorkin, ’35.

Mrs. Gorkin, a former employee of the BHE, previously stated that she "drastically decline to aid such a loyalty probe." Mr. Michael A. Castaldi, director of the inquiry, stated that in view of this attitude he would postpone the appearance until further consultation with his committee, Chairman Sarnoff, 500 of the City Financial adviser, stated that he would not cooperate with the committee.

Earlier, President Bueh G. Gallagher declared that it would be impossible to question students concerning activities employed by the College, and would require the submission of information about subversives in cooperation with the employers.

Mrs. Gorkin is the first student to be called before the committee, and the first student to refuse to cooperate with the BHE in its drive to remove Communists from the municipal colleges.

Dr. Gallagher declared that there was little chance of getting Mrs. Gorkin as a witness, but stated, "the student has a right to a reasonable opportunity not to appear voluntarily."

CB Initiates Program To Train New Leaders

Inter-Club Board has announced the initiation of a new leadership training program designed to supply the extra-curricular program with a continuous flow of trainees in top leadership.

The Board, which meets every other week at the Baruch School and has three representatives, will establish the program, to be held weekly. At the next meeting problems faced by the different clubs will be discussed. The program will be divided into two sessions: one for newcomers, and another for experienced members. The purpose of the program is to improve the leadership of the different clubs and to provide a nucleus of qualified leaders who will be able to assume the responsibilities of the different clubs.

Inter-Faith Committee Reports:

Baruchians Okay Holiday Symbols

The Inter-Faith Committee of Student Council recommended to the Dean and President of the School that "in the future the Menorah and the Christmas Tree should both be displayed in the Baruch School," and the school administration agreed.

The President of the Student Council said that the display of the Menorah by the College authorities can positively regard the will of the overwhelming majority and cater to the twisted motives of a small but badly outnumbered minority.

It was revealed in the Student Council survey that 86 of a total of 114 students interviewed felt that the tradition of the display of the Menorah on grounds that it was a violation of the separation of Church and State was invalid.

75.5% of the students regarded the Menorah as a religious symbol, yet only about 25% actually (Continued on Page 4)
**Hunter Professors Dismissed by BHE**

The Board of Higher Education last week voted to dismiss the vice president of the Hunter College system, Robert B. Lewis, and four other professors. The decision was made after a series of charges by the departmental unit's representative that the educators had been implicated in mismanagement and financial irregularities.

**Fresh Elections**

The results of the Freshmen election, held October 24, are as follows:

- Class President: James Zalinsky
- Class Vice-President: Nancy Previsco
- Class Treasurer: Donald Gold
- Class Sergeant-at-Arms: Elizabeth Letts
- Class Marshal: Max Mass

The election was held on Tuesday, October 24, and was attended by 243 freshmen.

**Thanksgiving Holiday, December 25**

The Thanksgiving holiday is scheduled for December 25, with classes resuming on December 26.

How do you spend a day? There are so many things to do UNION Track which are outdoors and indoors. The weather is perfect for a day of fun and activity. Whether you choose to stay indoors or venture outside, there are plenty of options available.

In the past, people used to spend their days working in fields and tending to their crops. Nowadays, people have more leisure time and can enjoy activities such as hiking, picnicking, or simply relaxing in a park.

There are many places to visit in our area. For example, the local museum has an exhibit on the history of the region. The library also offers many resources and events for people of all ages.

In the evening, there are many places to go. You could watch a movie, attend a concert, or go out for dinner. There are many restaurants to choose from, offering a variety of cuisine.

Overall, there are many ways to spend a day. It all depends on your interests and what you enjoy doing. Whether you prefer to stay indoors or venture outside, there is something for everyone to enjoy.
Inexpensive Travel Offered By Latin American Nations

Professor Osvaldo A. Bontempo, of the St. John's School of the United States, is the chairman of the board of the Latin American Travel Association. The association offers students a chance to travel to Latin American countries for as little as $100.

The association offers students a chance to travel to Latin American countries for as little as $100. The association offers a variety of trips, including cultural, historical, and adventure tours.

The association also offers students the opportunity to volunteer in Latin American communities. Students can contribute to the development of Latin American communities by teaching, providing medical assistance, or working on sustainable agriculture projects.

The association encourages students to explore the rich culture and history of Latin America. Students can immerse themselves in the local language, cuisine, and traditions, gaining a deeper understanding of the region.

The association offers a range of travel options to fit different interests and budgets. Whether you are interested in adventure, cultural immersion, or community service, the Latin American Travel Association has a trip for you.

For more information, visit the Latin American Travel Association website at latinamericantravel.com.
Booters Sink Mariners, 5-1, In Key Met Conference Test

By Marv Glassberg

Still remembering the injuries they suffered in last year's 4-3 win over the Merchant Marine Academy, the City-Booters had the Mariners on the run with their shots and placed them in the fourth quarter when they controlled the ball long enough to produce a scoring threat. From 9:00 to 10:00 P.M., the tall sailors from Great Neck, battered by Con- je Wally Meiner with several hard shots, but all were deflected by the Booter defense.

The long-awaited City attack finally materialized at 11:15, when Kontosantanoos, smothered the ball, sidestepped two defenders, and rolled it over the center of the field toward the goal. As he changed after the goal, the ball was in the net, from his shots toward him, but Koutsos passed to #20, who struck the ball downfield on a similar play. Just this time he beat the visitors.

Harriers Rip Hunter To Gain Initial Win

Turning in a sparkling performance, the City College cross-country team "shut out" Hunter College, 15-47, Saturday, to gain its first victory of the year.

The contest took place at Cortlandt Park course, which John Kontosantano, City's cross�country team leader, used to train. The Harriers easily won the tenth and eleventh positions for the Lavender lopers before the game Hunter runner came in.

Coach Harold Bruce was elated at the results of the meet. "These boys," Bruce cheerfully declared, "are an entirely different group. The pickup they've made is astounding." The pickup was the result of an attempt to get into "The Big Ten" and rebound from the previous year's season.

Spectators Jam Stadium Stands;
Booters Awe

The City College soccer team drew its best Saturday afternoon crowd ever when it romped 4-1 over the 48th Precinct, in a match between the varsity and -. As a result, the City College team, sky, and Vincent DeLuca, of the Brucemen's next outing is.

John Kontosantano, speedy Beaver center forward, outraces Kings Point defender in bid for goal during final quarter of Lehighwood Stadium. Income was 5-1.

Soccermen's Stalwart

Koutsosantano Paces Booters

Koutsosantano played outside ball with Prague in '56, he joined the Greek-Americans and still plays for them. They won the championship in a "minor" league in '56, which enabled them to get into "The Big Li," which is in the top second season. Hal Friedland, former City College player, has been chosen to take over the teaching duties of Dr. Hansen.

Gawer Gains Nod As Hygiene Head

After 47 years of meritorious service to City College, Dr. Canute Hansen, who had been chairman of the hygiene department since the School of Business since the School of Business since the School of Business.
