**Award**

Applications for the Astronomical Society's Annual Award are now available. Contests are open to all graduate students. The award is granted annually to the graduate student who has made the most outstanding contributions in any one of the following fields: astronomy, astrophysics, astrochemistry, or meteorology. Applications are due by January 1, 1956.

**Letters to the Editor**

To the Editor:

On December 13th, the Student Council set up a Dance Committee to plan the Spring Dance. The committee is made up of twenty members, and their first meeting was held on that day. The committee will be responsible for all aspects of the dance, including decorations, refreshments, music, and security.

**Time's a Wastin'**

Tickets Now on Sale for Snowball Dance

Seating reservations for the Baruch Ball can be made now. The snowball dance is scheduled for January 20th, and tickets will be available for purchase at the Administration Building.

**Queen Market Bullish for Mercury Contest**

The beauty contest business has been booming along; for the past year we have had several entrants. The current winner is Miss Market, who has won the contest for the past two years. The contest is open to all students, and winners are determined by a combination of judges' scores and public voting. It is the aim of the contest to promote a healthy lifestyle and to encourage students to participate in community activities.

**Open New Psych Lab Here**

Dr. Sidney S. Glazer, head of the psychology department, has announced that a new psychology laboratory will be opened on the campus. The laboratory will be fully equipped with modern equipment, and will be available to all students. The opening of the laboratory is expected to enhance the quality of instruction and to provide a more stimulating learning environment.

**VOTE TOMORROW!**

For those who have not yet made up their minds, I would like to remind you that tomorrow is the last day to vote. The Student Council election is an important decision for the future of the college. Please take the time to study the candidates and make an informed decision. Remember, your vote counts!

The $1 Fee Increase

The Student Council has voted to increase the fee for the current academic year. The increase is intended to cover the cost of running the Student Council and to provide funds for student activities. The Student Council believes that this increase is necessary to ensure the continuation of a wide range of student activities.

NSA Delegate

Steve Mann

I am writing to request your support of the National Student Association (NSA) in the upcoming election. The NSA is a national organization that represents the interests of college students across the country. It is important that we have strong representation in the NSA to ensure that the needs of our student body are heard.

Voting Set

In Lounge Tomorrow

The voting for the Student Council election will take place in the Lounge tomorrow. Please make sure to vote and make your voice heard. Your vote is important in shaping the future of the Student Council and the college.

SC Election Supplement

The Student Council will hold its election tomorrow. The candidates are vying for the positions of President, Vice President, Secretary, and Treasurer. Please make sure to vote and support the candidates of your choice.

**Residential Candidates**

The Residential Candidates are running for various positions in the college's residential life. They are promising to improve the living conditions and activities for students in residence. Please take the time to meet with the candidates and learn more about their plans.

**Dear Editor:**

I would like to remind everyone to vote tomorrow for the Student Council election. The candidates are working hard to promote their ideas and to represent the interests of the student body.

**Dear Editor:**

I would like to express my gratitude for the opportunity to serve as a Student Council representative. I have enjoyed working with the other candidates and look forward to working with the Student Council to improve the college community.

**Dear Editor:**

I would like to express my support for the candidates running for the Student Council. They are all dedicated to serving the student body and working towards a better college community.

**Dear Editor:**

I would like to encourage everyone to vote in the Student Council election. It is an important opportunity to make your voice heard and to shape the future of the college.
VP Candidates

Bob Cord

I am the candidate for Vice President on the Beaver platform. The Beaver platform is for the student as a whole and not for the chosen few. This can only be alleviated by increasing the Student Council's representation from the current 29 to 39 members. This increase in representation will allow for a more efficient way of conducting council business. In addition, a decrease in the size of the Student Council will help decrease the current shortage of funds for the Student Council. I believe authority, responsibility, and leadership come only with the right knowledge and experience.

Sheldon Goldenberg

Vigor and better things should be brought about to those of student council members. I have been trying to bring a new vigor to the Student Council. I have been an active member of the Student Council for the past two years. I know the current office and how to carry the job. I feel that I have the experience and ability to adequately perform the necessary duties.

Upper '56

Herb Cohen

My candidacy for the position of President is based on the principle that the Student Council is responsible for the student.

On Second Half Rally

It's beginning to look like the City cagers are in for a rough season, a very rough one indeed. Although Nat Holman's five played one of their best games against Wagner running it up, 80-38, in the second half of the game, they still found themselves behind by 15 points at the half. The Baruchians took charge of the game in the second half with a 31-14 margin. In fact, they had a 67-59 lead going into the final minutes of the game. The Beavers' victory was their biggest spread of the season Friday, 15-13.

**Frosh Cagers Trip Wagner**

The altitude on Grymes Hill, Staten Island may have been disagreeable to the varsity basketeers, Saturday night, but it was very much to the liking of Dave Polansky's Little Beavers who won their game from the Seahawk frosh. The final score was 67-51.

Second Victory:

Wagner downs five on second half rally.

**And Away We Go**

Nat Holman's travelling hoopsters will make their long-trip tomorrow when they play the fourth straight game on the road against Scranton University. The game, scheduled for 8:30 on Tuesday, December 28, will play game situation in Pennsylvania.

Despite the fact that Scranton is approximately 130 miles distant, a good Beaver following is expected at the game. I assure that all City students will make the trip. Dive into being admitted to the game, the Faculty Manager of Athletics has arranged for tickets to be sold in advance for $5.00 apiece. Ticket information may be obtained from Herb Nager in Ticker office, 911B.

When the faculty meets the students in a basketball game, the outcome is not in doubt. Basketball somehow survived Thursday's alleged contest in Hansen Hall despite the fact that the instructors used some tactics of rather dubious legality to gain a 70-52 victory.

The faculty even had the audacity to recruit a member of the students as their cause. The student was none other than Merv Shorr, captain and high scorer of the Beaver varsity.

Bolstered by such sterling court heroes as Bill Bankhead and Mitchell; Roberts of the BA department, Doc Henderson and Yutkin of the hygiene department, Hank Meisel of Student Life and "Krazy" Klot of the Bookstore, the faculty ran away from the students in the second half.

The students made a variant effort to gain their first victory in the last four games as they led the faculty, 10-4, at the end of the first quarter.

Led by "Krazy" Klot's 3-point shooting and those illegal practices, the profs managed to gain a 30-28 lead going into the second half.

Roberts must have taken some student body to aid their cause. He had over 10 points and the game remained close for the rest of the contest. The final score was 70-52.

**Beaver Mermer Drown Lafayette**

City College's swimming team was in a position to name its own score against Lafayette College in Saturday meet at the uptown pool. The score the Beavers managed to arrange was 54-30, although they could have easily scored 60-0.

Going into the last event of the day, the 400-yard freestyle relay, City held a 38-16 lead over Lafayette. The Beavers had won every contest except the dive which they had lost by a narrow margin of one point. However, since City had the meet sewed up, Coach Jack Roder permitted the Leopards to win the event, by giving his team the slowdown sign.

In contrast, to the barren record of the scorers, the Beavers had been scorching in recent weeks, only two items being the exception. The new standard was established in the 220-yard butterfly, with a time of 2:06.4; and the 100-yard freestyle in 55.8. Klot was the best in the 50, in 24.4; to become a two double winners.

Steve Kester also won in events for City, coping with the 50-yard freestyle, with a time of 24.4, and the 100-yard freestyle in 55.8. Klot's time in the 50 was just one-tenth of a second away from the record.

The Beavers' Phil Dake was swimming in his first meet, to the 200-yard breaststroke, while another newcomer to the Lavender, Sol Stern, scored a surprising victory over teammate Arnie Farber in the 200-yard freestyle. Farber is the City record-holder for the event.

**Saporame Drop Mee**

The Lavender Grunt and Crow are considered the brain child of the season Friday, 15-12 Lafayette College of Pennsylvania. The contest took place in the Leopards' gym.

Registering victories for the Beavers were Sal Sborba, Taylor, Alan Sborba, Leland, in 123, 130, and 157-pound class respectfully. According to the Grunt, the Leopards' defeat was the best he has seen.

Two Citymen, Steve Karide the 147-pound class, and J. Horowitz the 167-lb. division fought to draw.
