Charter Convocation Tomorrow

Pace Will Give Talk; Classes Off

Highlighted by such prominent speakers as Frank Pace Jr., former Secretary of Defense; General Tasker Collection, and the Hon. Bernard M. Baruch, the Charter Convocation ceremonies will be held tomorrow at 10 a.m. in Parade Grounds. Both events will be preceded by the presentation of awards to graduating seniors, and Mr. Baruch will re- ceive the first. He will be the recipient of an award from the student body commemorating his ten years of service to the School.

Dr. Frank Pace, executive vice-president of the General Dynamics Corporation, also served as director of the defense business during the war years. In December 1950, he acted as chairman of the Senate Select Committee on the Korean Peace Movement and was a member of the Defense Ministers' Conference of the North Atlantic Treaty Organization in Brussels.

Mr. Baruch appeared here at last year's convocation along with Mrs. Eleanor Roosevelt, and the program will prevail for the day.

Cord, Field Disagree On ICB, SC Statuses

In a discussion on the relation of Inter-Club Board vice-president of Council, and Cord, who has the right to amend its own charter, it could amend ICB out of existence. Cord, ever, that this is undesirable.

In opposing Cord's contention, Art Field, chairman of ICB, said, "Student Council provides that changes in the ICB charter be initiated by ICB, and not Student Council. If Student Council had wished to retain these initiative powers it could have done so.

"This it did not. If SC cannot initiate changes within the ICB charter, surely, it cannot dissolve the Inter-Club Board since, in effect, this would be abolishing the charter.

Cord had submitted-that there are three general areas in which ICB is completely subordinate to Student Council. One is that SC has no control over ICB funds. The second is that ICB has no control over ICB powers, duties and functions in the school. It therefore could amend ICB's charter.

The two areas in which Cord stated that ICB is completely subordinate to Student Council are: the right of ICB to use funds collected from student body money from ICBS, however, it does not have to give ICB any money. (2) ICB Student Council can void any action taken by ICB simply by not validating the ICB minutes sent to Council each week.

Norton Testimonial Now Farewell Fete

The Dean Thomas L. Norton Testimonial Luncheon, one of the Dean's decades of service to the School, will also serve as a farewell dinner for the educator who announced last week that he will retire at the end of August University's School of Commerce.

Lucia to Continue As Fencing Coach

Beaver fencing coach Edward Lucia has been re-engaged for the next school year—September 1955-June 1956—it was learned last week.

Hygiene Department chairman, Dr. Hyman Krakower, commented that Lucia's half-time teaching load will continue. In addition, he will get some additional time as a substitute for a staff member, who is on leave. The balance of this staff member's teaching schedule will be allotted to Baruch School basketball coach George "Red" Wolfe.

Lucia stated that "I am very happy that I will be back at the City College, working with the team. I hope that I can always remain here at City."

Last month, Lucia handed in his resignation because of the unsatisfactory financial arrangement endured by his students. He had also, in an exclusive interview with THE TICKER, stated that both President Gallagher and Dr. Krakower were "passing the buck" in reference to his case.

Krakower in replying to Lucia's charge strongly denied the "buck passing" allegations leveled at him.

Lucia, in his letter of resignation, had accused Gallagher and Krakower of "passing the buck" in fixing responsibility for cutting his teaching line in half.

Referring to the statement which appeared in an article and supporting editorial in last week's TICKER, Dr. Krakower stated that "There has never been any 'passing of the buck,' nor will there be any."

"Where my responsibility entails the making of a decision," he continued, "I have not and shall not hesitate to do so and do so but do not hesitate to so do, with the smaller number of personnel required for its needs."

Off Broadway Theater

By Otto Solomon

Mr. Solomon’s London,-Berger performance will probably result in a series of plays to be produced in New York. The play, directed by Mr. Berger, is a witty, satirical piece about the world of the theater and its inhabitants. The cast includes familiar faces from the London stage, as well as some new talent. The show opens on Broadway next week.

The American Theater in the East has been experiencing a new surge of interest in its productions. This interest is due in part to the recent success of American Theater productions in London and New York. The theater has been experimenting with new techniques and styles, resulting in a fresh, innovative approach to traditional plays.

City Defeats Wagner, 2-0, After Losing Opener, 1-0

The City College baseball team split a doubleheader with Wagner College, Saturday, at the Seahawks' diamond at Grimes Hill, Staten Island. The Beavers dropped the first tilt, 1-0, and took the second contest, 2-0, in thirteen innings.

Clint Bosco of Wagner pitched both games for the Seahawks, and was superb in both efforts. In the first game he hurled a two-hitter at the Beavers, and in the nite-cap he twirled twelve scoreless innings before City finally broke his skin of scoreless frames at twenty-one, as the Beavers tallied twice in the top half of the thirteenth.

Dom Tenerelli led off the frame with a single and advanced to third on a sacrifice and an infield out. With two away, Mike Kucklina walked and a moment later was thrown out as Tenerelli in-laid on backstop Jimmy Cohen's double to left.

In their half of the thirteenth, the Seahawks loaded the bases with one out. Lavender hurler Joe Galletta refused to buckle under the pressure and forced the last two batters to popup to the infield.

In the first contest, Beaver hurler Pete Troia matched Bosco until the eighth when Hawk center fielder Ed Peterson blasted a home run to give Wagner its 1-0 victory.

Bosco allowed only two singles and struck out ten in registering his triumph.

On Wednesday, May 4, at Babe Ruth Field, the Lavender squandered the season's series with New York University, whipping the Violets, 8-2.

Galletta hurled smoothly, yielding seven hits, walking four and striking out eight. He was backed up by a 13-hit attack.

Bab-o Five Wins, 65-62, To Capture IMB Crown

The Bab-o Five frittered away a 13-point halftime lead but held on long enough to defeat the Boro Park Juniors, 65-62, for the Intramural Board's Spring 1965 basketball championship in Hansen Hall, Thursday.

Bab-o, led by Ralph Sobolinsky, Marty Stolzenberg and shooting Mel Klein, streaked to a 22-22 halftime score and back came Boro Park, as Eli Steinberg, the game's high-scorer and the Most Valuable Player in the tournament, scored 12 of his 20 points in the second half to go.

However, Bab-o held firm, pulling away on foul shots. In all, the victors sank 31 charity tosses to Boro Park's 10. The losers outshot the Sophos from the floor, 26 to 17.

Sobolinsky led the victors in scoring with 17 points, 11 of them on fouls. He was followed by Stolzenberg with 16. Arnie Morrenbesser tallied 18 markers for Boro Park.

Stickmen Rip Lafayette For Five Out of Six: Perlow Paces Attack

The City College lacrosse team went leopard hunting Saturday afternoon at Easton, Pennsylvania. Although the Millermen won, 12-4, to chalk up their fifth win in six starts, they found Lafayette's felines to be surprising elusive, as City led by only 5-3 at the end of the first half.

The biggest Leopard hunter on the Beaver safari was Co-Captain Mel Perlow, who bagged five goals and three assists. He was ably abetted by such other noted big game marksmen as Co-Captain Ralph Kelley, John Purro, Len Fagan and Fred "Turkey" Hannahan.

At the same time, defensemen Norm Epstein and Mel Schnoll were keeping the Cats from straying too close to the tempestuous net in the City goal.

The first half saw some very shoddy passing as both City and Lafayette blew several good scoring opportunities.

However, the Lavender finally tracked down the Cats in the third quarter, scoring five times while holding the home side scoreless.

Hannahan opened up the scor­ ing after only 50 seconds had elapsed in the third period as he converted a pass from Perlow. Less than two minutes later, Fagan made the score, 7-3, rффing a pass from Hannahan into an empty cage.

At 6:29, Perlow scored his fourth goal of the game, taking a pass from Kelley while cutting across the crease to make the count read 8-3.

By the time the last minute of the quarter had rolled around, Fagan had scored CCNY's fifth goal of the game. Less than a minute later, Kelley scored, making the score, 9-3.

With a 6-3 victory over St. John's, Saturday, the Beaver tennis team rolled to a 6-3 season record with only one match remaining.

Guy Ferrara continued undefeated in singles play and, with his partner Al Jong, maintained his unbeaten string in the doubles.

The netmen have defeated Hof­ stee, Queens, Hunter, Brooklyn and Adelphi. They have lost only to Fordham and NYC.

The only match remaining for the Karlmen is with Manhattan on May 14. This is a rescheduled match of the game that was postponed earlier in the season.

The Manhattan court is located in Riverdale and can be reached via the Broadway-7th Ave. line.

Legmen Copy Sixth in Vie

The City College track team bowed out of the Metropolitan Collegiate Track conference Saturday, as it finished in sixth place in the Metropolitan track and field championships held at Randall's Island. The Beaver performers were only able to gather a total of 11 points to beat out last place Brooklyn College.

The Lavender's best performance was a second place finish in the shot put. Jack Kushner tossed the shot 49 feet 5 inches for this achievement. Irv Stein's toss of 43 feet 1 inch also gave City fifth place in the same event.

CCNY placed third in the broad jump when Robert Marsh leaped 22 feet 2 1/4 inches. Joe Gold gave City fourth place in the 440-yard run, while the Brucemen captured the one mile relay to complete their scoring.
