Lavender Downs Hawks, 3-0

Unbeaten City Takes 7th; Brooks Nipped in Overtime

By Dave Golipsky

Scoring late in the second, third and fourth periods, City College defeated Hunter College, 3-0, yesterday at Lewisohn Stadium to clinch the Metropolitan Soccer League championship.

The clear-cut Beaver victory returned them conference kingship for the third successive year and for the fourth time in the past five seasons.

Coach Harry Cartin's undefeated booters racked up their sixth conference win, against one, in eliminating the Hawks, who, with a 4-0-2 mark coming into yesterday's game, were the biggest threats to City's ascendant supremacy.

Morris Hocherman, John Koutsantanou and Stan Spielman scored for City. All three goals came with less than two minutes to play in the period in which they were registered.

Hocherman tallied at 20:41 of the second period when he knocked in a loose ball during a melee in front of the Hunter net. Spielman had passed crossfield to Hocherman, who kicked the ball, to goal-mouth. Hunter goalie Richard Borow came out to block the ball but, before he got to it, the wily little Hocherman swept in to put City ahead, 1-0.

32nd Goal

Hocherman assisted Koutsantanou to the thirty-second goal of his Beaver career at 20:41 of the third. Kouts shot home a bullet that Borow had no chance to stop.

An alert play by Spielman led the cake 1:45 from the end. Bonnet had just dribbled a weak kick toward the goal. Defenseman Vic Abrahams started to clear it when Spielman intercepted and rammed the ball right back into the Hawks' cage.

Hunter dominated the play for only five minutes, and that at the outset of the game. From then on it was all City. The Beavers played their usual pressing game and finally broke through.

Rough Game

It was a rough game. Several of the City players termed it the "toughest, next to the Army game." Koutsantanou suffered a badly bruised shin midway through the second quarter and sat out the remainder of the half.

This was probably City's last game of the season. The postponed game with Fort Schuyler may not be played as it will have no outcome on the final standings. Hunter has one game left, against Kings Point.

Kingsmen Nipped

Trailing 1-0 with only 17 seconds to play in the final period, the Beavers rallied to best Brooklyn College, 2-1, in overtime at Lewisohn Stadium, Elec­
tion Day. Johnny Koutsantanou provided the equalizer as he scored a beautiful bead shot after a pass was centered to him from the side of the field. Kouts' shot went over the Brooklyn goalie's outstretched arms.

Playing the first five-minute overtime, the Beavers suddenly came to life. Morris Hocherman booted in a goal when the Kingsmen's goalie had been faked out of the cage by some tricky maneuvering on the part of the Lavender. This goal proved to be the winning one as Brooklyn was forced to stay on their side of the field by City's aggressive play.
