Council Blood Bank Drive

The date of this semester's Blood Bank drive has been changed from April 17 to tomorrow, it was announced by Howard Eckstein, co-chairmen of the committee.

The drive, which will be held at the Varsity Sweet Shop, will collect the largest amount of blood, according to the committee.

Students and staff are encouraged to donate blood.

Suspending Seven Editors

Of Uptown Newspaper

By Phyllis Zlotogora

Dr. Daniel F. Brophy, dean of students, has ordered the Uptown newspaper, to suspend publication because of its April Fool issue which resulted in an indecent publication.

The controversy issue appeared Wednesday along with a series of observation posts. The controversy issue was also printed by the Student Council.

President Shaul C. Gallagher has stated that he is completely ashamed of the newspaper. He further declared that he is sure the persons who wrote, edited, and published this material are not representative of City College.

After the suspension, which was to take effect in two weeks, Sam Stein, managing editor, released this statement: "We realize that parts of the publication were objectionable and regret any embarrassment caused by it."

Henry Greenspan, editor-in-chief, in a statement to THE TICKER said, "I am in complete shock. We must have been confused about our responsibility."

What young people are doing at General Electric

Young chemical engineers are making silicones

Silicones are a class of man-made chemicals that are highly versatile and have a wide range of applications. They are used in various industries, including electronics, agriculture, and cosmetics. The chemical process involved in making silicones is complex, but the basic principle is that silicones are made by reacting silicon with other elements to form a polymer.

Exams Offered For NY Jobs

The Ticker reported that the New York State Department of Labor was offering exams for various job positions. The exams are intended to help individuals prepare for job interviews and increase their chances of securing employment. The exams cover a wide range of topics, including general knowledge, mathematics, and specific job-related skills.

A Kid's Game

By Ralph

"In the spring of '56, my parents gave me a new game called 'A Kid's Game.' It was a classic that had been around for years, but I had never played it before. The game was simple: you had to collect as many cards as possible by answering questions correctly. The questions were about sports, movies, and popular culture. "A Kid's Game" was a hit with my friends and I played it every day after school."

A Record Setter

Sorbera Wins Four Letters For Second Straight Year

Sorbera, the first man in City College history ever to win four varsity letters in one sport, was named the Most Valuable Player in his sport, making him a four-letter man for two straight years. He is the first City College athlete to achieve this honor.

On top of his athletic success, Sorbera is also excelling academically. He is a straight-A student and is a member of the Dean's List. He is a role model for the City College community and an inspiration to all athletes.

What is Lorem Ipsum?

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when it was printed by a typesetter. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
Rain Hurts Season Openers; Tennis Team Awaits Queens

"Weather, weather, weather."

That old demon, the weather, played havoc with City College over the week-end as a combination of rain, snow, sleet, hail and what have you, ruined the openings of the baseball season, the track season and caused a postponement for the lacrosse team.

For the baseball team, it marked the second straight time that the opener was cancelled because of inclement weather. Saturday, March 31, the game against Wagner was cancelled. Last Saturday, the same game was postponed, and yesterday, the City College-Fordham University baseball game was ruled off because of wet grounds. The Beaver nine will meet Columbia, tomorrow, at Baker Field, if all is well. Game time is 3.

In outdoor track, the contest that was scheduled for Saturday against Hunter was called off and rescheduled for yesterday. And...well, you know the rest.

The lacrosse team was the lucky one or the unlucky one, depending upon how you look at it. They were able to get one contest into record before the bad weather really struck. On Friday, March 30, the team played Fordham and lost, 7-2.

The only team not bothered by the weather so far was Coach Harry Karlin's tennis crew. The Beavers' first encounter of the season took place for tomorrow, against Queens, at the Fleet Swim and Tennis Club, 150 Street and Gerard Avenue, Bronx. Karlin, who has practically the entire team, as it wound up the season, lost, 7-2.

Coach Karlin's same crew that posted a very nice 7-2 record last season, is being optimistic about their chances this season, of the very least, duplicating last year's mark.

The first five men on the Beaver tennis squad are all veterans from last year's team and they have the added advantage of knowing how to take a winning combination. Allen Jong, at this point, occupies the number one position on the team and is followed very closely by Guy Fereira in the number two spot. Walter Eitter and Mel Drimmer are the third and fourth men on the team, respectively. Harvey Rothstein has a hold on the number five spot, while Dick Woodley, the only sophomore on the senior-laden team, is the number six man.

The only others on the tennis team who will see action this season are Roy Pischekman, a Downtown student who doubles as manager, and Gil Levitt. After the Queens contest, the Beavers next foe will be Manhattan. The game is scheduled for Saturday, at the Fleet Swim and Tennis Club.

Beavers to Use Babe Ruth Field As Home Diamond

It didn't come as any shock to the City College baseball team when their contest against the Johnnies was postponed Saturday. In fact, at the Beaver players welcomed the cancellation.

Last year, St. John's defeated City College twice in the Metropolitan Conference and won the league championship.

The only other one game. The Redmen garnered both tilts by five runs against City, 12-7 and 7-2, respectively.

Last year, the City College baseball team ended its season with a drubbing from St. John's, 7-0, and 7-2.

The Beavers compiled a 5-7 mark in the Metropolitan Conference to finish in fifth place, four games behind the Conference winning Redmen.

All Beaver home games will be played at Monument Park, another name for Babe Ruth Field. The diamond is situated at 161 Street and Jerome Avenue, next to the Yankee Stadium.

The Beavers will play at home eight times during the season, the first one on Saturday, April 21, against Hofstra, last season's Metropolitan Conference runnerup.

All baseball games played on Saturdays will commence at 2, while those played during the week will begin at 3.
