College Accredited in Report Of Middle States Committee; Elements of Weakness Noted

By Wallace S. Nathan

The Commission on Institutions of Higher Education of the Middle States Association of Colleges and Secondary Schools has reaffirmed the accreditation of The City College. A committee representing this group visited both centers of The City College in December 1956, and issued an 88-page evaluation of the institution. The report cites the College's areas of weakness and of strength and suggests that while The City College is a good college with a sound program, it falls short of being truly outstanding.

The Middle States Association is one of the six regional Associations which cover the United States and its territories. One of the major advantages to a college in being accredited by the Association is, according to the organization's Information Bulletin, "from the validation of transfer credits which is a significant element in the accredited college." Thus, the validation of a college is especially important to students who may change in postgraduate studies at other colleges and universities.

The Middle States Association is, according to the Information Bulletin, "from the validation of transfer credits which is a significant element in the accredited college." Thus, the validation of a college is especially important to students who may change in postgraduate studies at other colleges and universities.

Hazing Program Set By Orientation Group

Hazing of freshmen began yesterday and will last two full weeks unless the freshmen win the Frosh-Soph Battle which takes place on Thursday. If the neophytes win, there will be no second week of hazing.

The hazing program, administered by the Freshman Orientation Society, was eliminated one year ago and a Friendship Week was substituted. "We have reinstated the program," stated Doreen Spiegel, president of FOS, "as a final experiment.

The program, which is termed "basically moderate" by Miss Spiegel, embraces the premise that to get to know each other and become familiar with the traditions of the College in the beginning of their careers as Baruchans is a valuable experience.

Hazing Rules

The freshmen will be identified by their large lavender buttons which they must wear at all times. When hazed, they must be able to recite the elevator schedule and both verses of the College song. They will also light the cigarettes of upperclassmen.

Throughout the hazing period, any violation of the regulations will result in penalties as the neophytes, will be in session.

Class of '57 Plans Prom

The Senior class council announced that all plans for the Senior Prom, to be held November 23, have been completed. The cost of the affair, which will be held at the Roosevelt Hotel, Madison Avenue and East 44th Street, is $2.50 for cards. Students are requested to order tickets in advance of the special price of $3.00 for non-holders.

The entertainment being scheduled for members of the Class of '57 are a Beer Party, Numeral Lights, Dance, Senior Show and Famous Ball.

Senior class cards are now being sold by members of the class council at $2.50. Possession of a card entitles the holder to reductions in cap and gown rental and on tickets to all of the social events.

The Middle States Report

The report of the Commission on Institutions of Higher Education was released in March. Among the recommendations was that the School of Business and Economics assume more responsibility for the financial needs of the College. The report also called for a review of the physical plant situation as being “indescribably congested, inadequate and antiquated.”

Letters

To the Editor of THE TICKER:

The passing of a great man and a great thinker is an occasion of sadness and deep reflection. It is a time to recall the contributions he has made to our country and the world.

President Eisenhower, in his own words, stated, “From what I saw, your school is a success. It is an institution that prepares men for success in life.”

—Herbert Hoover

Dickson Pens “Vivid” Poetry

By Helen Rendez

The annual poetry contest attracted a large number of entries this year. The winning poem, “Vivid,” by Dick Rendez, was selected for its unique and vivid portrayal of a day in the life of an engineer.

“It was an early morning when I ventured into the bustling city,” begins the poem. “The sun was just beginning to rise, casting a warm glow over the city.”

—Dick Rendez

Pup Parks Under Professor’s Car

Traffic was held up for a half hour on the busy Henry Hudson Parkway one recent afternoon. Professor George P. Parks was leaving the College when a student drove up behind him.

“I’m sorry, Professor,” the student said. “I didn’t see you there.

Professor Parks, however, reassured the student and thanked him for his concern.

—George P. Parks

Placement Division Pleased

The Placement Division had a busy week last week. The number of job openings increased, and many students were placed in positions they desired.

Hazing

We certainly agree with the Brooklyn School’s strict policy against hazing. It is important that our schools provide a safe and welcoming environment for all students.

—John Smith

**Veteran Made ROTC Leader**

Colonel David C. Brookhart, Federal Reserve military supply officer and acting head of the College's ROTC unit, will address the Military Science and Tactics class on the history of military science at 7 p.m. in Lamport House for Third-year students of the ROTC. He succeeds Colonel Harold C. Brookhart, a 1934 graduate of the United States Military Academy who recently retired from active duty.

Brookhart will be the first officer to have completed the ROTC program at the College, the second to be an ROTC instructor, and the first college ROTC unit to conduct a ROTC program. His appointment was announced by the College's ROTC unit.

Beavers to Play Kings Point In Season Opener Saturday

By Arthur Goldberg

The City College soccer team will begin the fight for its fourth successive Metropolitan Soccer League Championship, and its fifth in six years, Saturday at Lewiston Stadium against the United States Merchant Marine Academy.

The Beaver, trying for its second undefeated season in a row, will attempt to duplicate last year’s triumph over the Mariners. Faced with a draw in the driving rain at Kings Point’s home field, the Beavers nipped them 1-0 on Wolfgang Woelz’s third period goal.

The Seamens, in endeavoring to avenge last year’s loss, will face a fairly green CCNY squad. Coach Anton Daniel’s Mariners are complete strangers to almost all of the Beaver team, since only the co-captains, Wolfgang Woelz and Bob Lemestre, and three others are veterans. The former, until the departure of the booters, have never been in a Met League game before.

Especially damaging to the Beaver cause is the graduation of three-time All-American Johnny Koustantian and All-Met goalie Wally Meisen. In attempting to fill their shoes, Coach Hanzelka plans to use Baruchian Danny McElraine and Charlie Thorne. Karlin considers the City Harriers Begin Training; Shortage of Tracksters Seen

Harry deGirolamo, coach of the Beaver cross-country team has issued a call for runners for the cross-country team. Three of the top runners from last year’s squad, Bill Kowalski, Brian Quinn and Gene Forsyth, have been graduated. So has Sal Sfranka, the College’s only four-letter man.

City Harriers begin training, shortage of tracksters seen.

Harry deGirolamo, coach of the Beaver cross-country team has issued a call for runners for the cross-country team.

Funds Needed to Aid Lucia’s Olympic Trip

The “Send Edward F. Lucia to Melbourne” fund-raising drive is continuing and gradually picking up steam. Alpha Phi Omega has announced that it is planning to solicit contributions from students in various parts of the country in an effort to raise enough money to send the City College fencing coach to the Olympic games in Melbourne, Australia.

The $1500, if raised by November 1st, reservations can be confirmed for Lucia, who will be flying on an Olympic plane carrying the Olympic fencers to Australia.

Lucia also plans to ask his fencing circles to help raise enough money also for the College drive fall short of its goal.

The College itself has endorsed the idea. President Basell G. Gies, has stated that the fund-raising idea will be endorsed by the U. S. Olympic fencing committee in June. If it should go to Australia, he would go as a tourist and would need a part-time job. The money would be raised only from officials of the College, not receive any official Olympic credentials.

The captain of the Olympic team, who is non-playing, at the senior coach both received all-expense paid trips. Lucia would have started at 9 a.m.

Sport Shorts

The 45 Club, the unofficial cheering squad of the College, has announced plans for a trip to Rutgers, New Jersey to see the City College basketballers engage the Rutgers team in what promises to be a real battle. The game is scheduled for February 25, 1957. The game against Rutgers is the only game the Beavers will play outside New York State.

Newly-elected officers for the fall semester are: Gary Strum, president; Stew Kampelmacher, vice-president; Ruth Cohen, secretary and Thelma Rosenblum, treasurer.

The club is seeking the talents of a bugler and anyone who is interested may audition for the job within the first week of the semester.

Jerry Domerchick ‘54, only three-time basketball captain in the history of the College, has quit professional basketball. He has been playing for one of the Rochester Royal farm teams for the past two years. He stopped playing because of the recurrence of an old leg injury.

Jerry Domerchick, a former Baruchian, is the first and only man to captain a Beaver team in his sophomore year. He did it in the wake of the season in which the team was one of the highest scorers in the College’s history and a former accounting major.

The semi-annual Freshman-B Sophomore Battles will take place in Hansen Hall this Thursday from 10:00 to 5:00. The Intramural Board announced.

Camille also said that “since having started yesterday, enough freshmen will probably add. But, if enough sophomores do not appear to do battle with the freshmen, the seniors may be the last battle for a long time.”

The intramural board will have three events and los the other two. The term will see an expanded pool of women, with Frank Camille said. A system of awards similar to that in the men’s division will be introduced. The sports open to women will include basketball, volleyball, tennis, swimming and pool.

The basketball tournament for men will begin October 11. All the teams are available in 610A, Intramural Board office, and are to be returned as soon as possible.

The number of teams in the tournament is limited and only eight players are permitted for each team. Appropriate forms are available in 610A and 123 Student Center.

A bowling tournament will run Friday afternoons at 1220 Main St. All teams are available in 610A. A bowling tournament will run Friday afternoons at 1220 Main St. All teams are available in 610A.

A bowling tournament will run Friday afternoons at 1220 Main St. All teams are available in 610A.
