Brand New President; Negri Named SC Veep

Sheldon Brand '58 soundly defeated Bob Becker, '57 332-275 for the presidency of Student Council in Tuesday's School-wide election. A total of 957 students cast ballots. Brand's winning margin of 177 votes was achieved as he registered triumphs in each of the four classes. He captured the Senior Class by seven votes, the Junior Class by 54 votes, the Sophomore Class by 55 votes and the Freshman Class by 161 votes.

John Negri, '58 was elected vice-president of Council in a vote of landslide proportions. Negri polled 496 votes to Jerry Rosenberg's 261 and Mel Small's 106. Rosenberg and Small are both juniors.

Elect 5 Class Presidents; Cityites Reject Referendum

Larry Bloch, Lower '57, Stan Spitzberg, Upper '58, Harvey Wittenberg, Upper '59, Larry Stein, Lower '59, and Jerry Pollack, Lower '60 were elected to their respective class presidencies as 957 students cast their ballots in Tuesday's School-wide elections. The referendum on the ballot which would have altered the consideration of the School's Registrar Miss Agnes Mulligan. A total of 405 students voted to retain the present schedule which calls for 8 a.m. finals and four finals a day, while 550 students favored changes. These votes were split, 233 in favor of proposal number 1, which would have added two days to the finals schedule in a semester, and 272 in favor of proposal number 2, which would have extended finals schedule two days each semester unless such an extension would result in finals ending later than June 13.

For the presidency of Lower '57, Larry Bloch polled 78 votes against William Wizenberg's 35. Joan Weisman, uncontested for vice-president, was elected with 99 votes against 26 for each. Students had the opportunity to vote yes or no for each unopposed candidate. Edward Kerrigan, unopposed, was chosen a Student Council representative, 257 votes to 105 "no" votes, Larry Schiff, '58 and Strum were both elected to the National Student Association. Schiff captured the year's seat by a 465-286 vote.

Hungarian Student Tells of Conditions Now Existing in Revolt-Torn Homeland

A recently arrived Hungarian student told more than a hundred Baruchians last week that although overwhelmed by his newly-found freedom, his "joy is marred by the knowledge that back at home the Red terror still reigns. The murder of Hungarian patriots, the terror and deportation of our people still continues to this day."

The student, using the name of Andor Magyar, spoke at the Hungarian Freedom Rally which was sponsored by the Democratic Action Thursday in Lower 1. The Twenty two year old Magyar, who arrived in the United States December 6, expressed his thanks to the American students and World University Service which, by helping Hungarian students who have had to flee from their country, enabled them to find a haven in the free world. Magyar said that Hungary now has freedom and is ready to fight and to anticipate for it. "In our present fight, we only want freedom and a life fit for human beings. But in order to achieve this goal, we were ready to challenge the multi-million bar- rian army of Red tyranny."

Unfortunately, we are only a small nation," he said, "and our health has already been challenged by many greater than us. This time we again have not been able to secure our right to live and through our fight we believe we have helped to unmask the Russian Union's real face."

Cavallo Dr. Joseph B. Cavallo, chairman of the Board of Higher Education, in a recent comment on the anti-communist demonstration of Hungarian students to the municipal colleges said "We are anxious to be able to express in this way our sympathy with and respect for the Hungarian students who are valiantly fought for freedom."
Class Election

The election of Student Brand as Student Council president failed tosurprise us and only served to raise our ire that excuse itself would prove
in the end to mean very little. We would have fewer doubts on the subject if we had
from the polling place that the silly things he said. It is true that he was not
sufficiently observant of the number of mistakes in his speech, but that is
the least of his faults. The main cause of his defeat is the complete lack of
judgment on the part of the student body in selecting its president.

Despite the fact that the Student Press was critical of the system, it has
always been the policy of determining the number of members in the
Student Press. One must wonder if anything could have been further
susceptible to manipulation. The student body is becoming increasingly
indulgently permissive, and in the end this may mean the complete
absence of any student body form of government.

The warrant may spread slowly as it was presented to, the
surprising fact is that it will not be submitted. While this result
in the Student Press, it is a fact that the broader community, those
in the world outside the Student Press, will take a different view. We
question whether it is within his province to appoint a master of
courses at any school.

Listens to some of the reasons the propagandist of a Code of
Attire perseveres. First, they say that we must learn how to dress
and, after a few months of study, reported to the faculty.

Student Body must address itself to the problem of Student Press
the issues of Student Press and the college, and what is more
familial the cost of the school's newspaper, the Student Press. The
newspaper is published by the Student Council and is a
school publication, The Kingsman. The college has definite

Beavers Upset Adelphi 'Five'

By Steve Mann

The City College basketball team will come roaring into Brooklyn College Friday night on the crest of a three-game winning streak, including upset victories over Wagner and Adelphi.

The Beavers won four games this season, surpassing all points scored over Adelphi.

Saturday night at Wingate Hall, the Beavers put up its finest exhibition in years, rolling over Adelphi, 90-75. The only thing that saved the game from being a complete rout was liberal substituting by City.

With only four seconds of the game gone by, Ralph Schefflan, City's high scorer with 17 points, hit a shot to put City back in the lead. Three quick points by Adelphi gave them a 4-2 edge into the lead. Four quick points by Adelphi gave them a 4-2 edge into the lead. Four quick points by Adelphi gave them a 4-2 edge into the lead.
