Pressures

Dr. David Fast was held on the Gates controversy is strangely recurrent. It is because the current intellectual climate he feels the need for preserving the freedom of expression.

His position is weak and he knows it. With the new generation of students who feel that there is a great difference between the present and the past, the old methods of discipline and control are becoming outdated. The Baruch School is faced with the challenge of balancing the needs of the students with the requirements of the society.

City College's tennis team has entered the 1957 season as holders of the metropolitan championship. When the schedule is completed in June, it will be evident that the team will hold the title. Last year's No. 1 singles player was Russian-born Harry Karlin, who was club president for two seasons. Karlin's partner in doubles play was also a Russian, and both played an important role in the victory. A new member of the team is Allan Jong, 19, of downtown. Jong was a recent transfer from Woodley, has transferred to Syd-Drimmer and "Harvey Rothstein. Last year, Jong was one of the members of the team. This year, he will be playing for his last year in college. The team will be playing against a variety of teams.

DANCING: Soon the band strikes up a "hot" number, causing the audience to dance. A new twist to the old favorite, "Light Up the Sky," is now being danced. The newly formed "Chevrolet Skill Training," a club composed of some five members, is formed. Karlin says he'll be saluting the Dunlop dealers every day this week. In five years of coaching tenures, he has not lost a game to Dunlop dealers. He pointed out that a tennis9 man on the doubles team must be able to handle the pressure of the game.

City Fencers Fail In IFA Tourney

LOSE CHAMPIONSHIP: The 1957 City College fencing team recorded a 3-2 record. Coach Edward Lucas is in the center.

After two days of fencing, Friday and Saturday, the City College fencers could do no better than tying for eighth place in the Intercollegiate Fencing Association tournament at the Concourse Plaza Hotel in the Bronx.

The foil team, which was counted on to win the most bouts, made the best showing for the Beavers, coping six matches to tie for sixth place.

In sabre, City won only twelve points. The men lost nineteen matches to eleven, and the women won four games to two losses.

Navy retained the three-weapon championship tallying 31 points to edge New York University by one point.

Tension mounted at the strips throughout the weekend as the Ivy men and women competed in New York, New Jersey, and Pennsylvania.

Navy retained the three-weapon championship tallying 31 points to edge New York University by one point. The Violets, preferring in foil, lived up to expectations, annexing the foil "Iron Man Trophy" with 27 wins.

The Beavers lost the sabre title they won last year. Columbia was first with 20 wins, followed by Navy and the University of Pennsylvania, who tied for second with 23 wins.

As the team competition was concluded, the fencers with the highest scores battled for the individual championships. Al Fricke and Bernie Balaban of NYU took the foil and sabre titles, respectively, while Columbia's James Margolis won epee.

The Beavers still have the National Collegiate Athletic Association championship to compete in. Friday and Saturday, at the University of Detroit, Joel Wolfe, Elliot Mills and Tony Luria will fence in the foil, sabre and epee, respectively.

The Lavender center led in field goals made, field goal percentage free throws attempted and made, rebounds, rebound average, total points and scoring average. Ralph Schefflin, with 986 shots from the floor, led the team in that category, and Stan Friedman, with an 81 percent score in four-foot shooting, headed the squad in that respect.

Joe Wolpin, recipient of the Varsity Violets award for the most valuable player in 1956, will team with Stan Spangler and soccer star Johnny Fagen to form a powerful team in the midfield.

The other obstacle in the way for the Beavers is the Army "B" team. Another tournament and President Drewe will have to drop some games with traditional rivals. The team is limited to an eighteen-game schedule.

Reps to Mull Met League

Student representatives from more than a dozen colleges will meet Friday at New York University to discuss the formation of a Metropolitan Basketball League.

The representatives are unofficial and have no authorization from any of the schools.

The League was proposed by the Federation of Undergraduate Student Councils of New York University. Earlier in the season, FUSC offered a trophy to the school in the met league with the best record in intercity play. NYU, with a 4-2 record, won the cup.

If City College should want to enter a league, it would need the approval of the two faculty athletic committees.

Professor Arthur H. Des Grey, faculty manager of athletics, has gone on record as opposing the league since City would have to play five games with traditional rivals. The team is limited to an eighteen-game schedule.

Commerce Cagers' Finale Will Be Played Friday

Friday night will determine whether the Baruch basketball team will finish the season over or under the .500 mark. The Financial Five will face the Downtown Evening Session team.

The game is scheduled to start at 7:30, will be the season's finale for the Continentals. The Baruchians have compiled a record of four wins and four losses through this season. Their latest victory was last week against the Columbia Junior Varsity.

The game will find Coach George "Red" Wolfe in a peculiar position—he is coach of both squads. Wolfe will probably sit on the sidelines and permit the captains of the respective squads to take over the coaching reins for the game.

At present, there is a scoring battle taking place on the Day Session team. Jack Ross and Sid Gurkin are the high scorers and are fighting it out for the lead. This tray will decide who will be the team's leading point-getter.

Shortage of Manpower Poses Problem—Miller

As spring comes to New York, so come the lacrosse sticks flying through the air in City College's Lewisham Stadium.

This season, Coach Leon "Chief" Miller, faced with two main obstacles in his path, will try to improve last year's three and five record.

The main problem, according to Miller, is the shortage of man power. Lacrosse, being a "minor" sport, does not attract the large turnout that basketball and baseball does. Miller has found getting very rough players who has not been able to field a team to one time at a time to be his actual game conditions.

Fagen Returns

On the bright side of the picture, however, is the return of many of last year's varsity squad. Leading the parade goalie Sheldon Cohen, who showed much improvement throughout the season last year.

Next on the list is Benny Fagen, who sat out most of last season with a broken leg. Miller said that if Fagen does not return his leg, he will be the varsity's top scorer. Willie Jeane, also a returner, can be the most powerful one-two punch that I have had since the days of the dead-d('<?)

Hard Schedule

Mike Voipe, recipient of the Varsity Lauclaw award for being the most valuable player in 1956, will team with Stan Spangler and soccer star Johnny Fagen to form a powerful team in the midfield.

The other obstacle in the way for the Beavers is the Army "B" team. Another tournament and President Drewe will have to drop some games with traditional rivals. The team is limited to an eighteen-game schedule.
