Former Senator Lehman Selected As Fifth Distinguished Lecturer; Will Deliver Address April 2 in PET

By Gary J. Strum

Herbert H. Lehman, former Governor and Senator from New York State, will be the fifth speaker in the Bernard M. Baruch Distinguished Lecturer series.

Lehman's talk will take place Tuesday, April 2, at 10:15 in Pauline Edwards Theatre.

City College Business and Public Administration—City College of New York

BARUCH LECTURER: Herbert H. Lehman, fifth speaker in the Distinguished Lecturer Series, in front of the Capitol.

Council Petitions Gallagher To Reverse Speaker Ban

At its meeting Friday night, Student Council constructed a resolution to send to President Buell G. Gallagher urging a reversal of the ruling that barred John Gates, editor of the Daily Worker, from speaking at the College.

The resolution, which was sponsored by fifteen representatives, opposed the action of the Presidents Council of the Board of Higher Education as "an infringement upon freedom of speech and free inquiry."

The resolution noted that "one of the roles of any university in a free society is the encouragement of non-conformist dissent. It is only by the constant examination and re-examination of ideas that the university justifies its existence as an intellectual center."

Nigri Motion Fails

The resolution passed after a substitute motion by John Nigri was defeated. Nigri's motion would have tabled the resolution until a poll had been taken among the students regarding their feelings in the matter.

The Council also voted to send a letter to Dean Emanuel Saxe thanking him for his "active interest in the student body as demonstrated in the recent report on space allocations."

Prior to his election to the United States Senate in 1949, Lehman worked as Director General of the United Nations Relief and Rehabilitation Administration.

Lehman was born in New York City March 28, 1878, and received a BA degree from Williams College. In 1908, he became a partner in Lehman Brothers, a firm of investment bankers; he retired in 1929.

Lehman was elected to the governorship four times from the end of Franklin D. Roosevelt's term. He resigned to serve in the State Department as Director of Foreign Relief and Rehabilitation Operations.

The Distinguished Lecturer series was initiated by former Senator Lehman.

Besides Bernard M. Baruch, who delivered the first three lectures, other speakers have been Brigadier General David Baruch, chairman of the board of the Radio Corporation of America; Thomas J. Watson, Jr., chairman of the board of the General Dynamics Corporation; and Paul G. Hoffman, chairman of the board of Studebaker-Packard Corporation.

The topic of Senator Lehman's speech has not been selected; however, he has stated that it will be of current interest.

At the conclusion of his talk, Lehman will be presented with the Bernard M. Baruch Medal, an award given to each of the speakers in the Distinguished Lecturer Series.

Free-lancing for various newspapers can be a worthy sideline for Dr. Lewis Hamlin of the English Department who was formerly a theater critic, a newspaper reporter and a columnist.

The discarded "scriptwriter" graduated from Cornell University in 1943 where he was a pre-medic student. He left to enter the Army Air Force and served at an air base in the Philippines. He then served as a staff writer for a major New York City newspaper.

Dr. Hamlin is currently a professor at The City College of New York and also serves as a consultant to several newspapers in the area.

City Fencers Fail In IFA Tourney

LOSE CHAMPIONSHIP: The 1957 City College fencing team recorded a 3-2 record. Coach Edward Lucas is in the center.

After two days of fencing, Friday and Saturday, the City College fencers could do no better than tie for eighth place in the Intercollegiate Fencing Association Tournament at the Concourse Plaza Hotel in the Bronx.

The foil team, which was counted on to win the most bouts, made the best showing for the Violets, Copaing sixteen matches to tie for sixth place.

In sabre, City won only twelve points. The team finished ninth while the opeemen won fourteen to place eighth in their division.

Navy retained the three-week on championship tallying fifty points to edge New York University by one point.

Tension mounted at the strips Saturday when NYU pulled ahead of the Midshipmen, 72-71. With three matches to go, the Midshipmen's captain, Charles Edson dropped a close 3-4 sabre bout, which meant that Navy had to win its remaining two bouts to win the cup. The next two men won their matches, 5-4 and 5-3 and Navy was the IFA champ once more.

The Viokets, pre-tourney favorite in foil, lived up to expectations, annexing the foil "Iron Man Trophy" with 27 wins.

The Bearcats lost the sabre title they won last year. Columbia was first with 26 wins, fol

Levy Leads Lavender In Scoring, Rebounding

According to final scoring statistics released last week, Syd Levy led the City College basketball team in all but two categories.

The Lavender center led in field goals made, field goal percentage, free throws attempted and made, rebounds, rebound average, total points and scoring average. Ralph Sheffman, with 303 shots from the floor, led the team in that category, and Stan Friedman with an 80 percent score in free shooting headed the squad in that respect.

Reps to Moll Met League

Student representatives from more than a dozen colleges will meet Friday at New York University to discuss the formation of a Metropolitan Basketball League.

The representatives are unofficial and have no authorization from any of the schools.

The league was proposed by the Federation of Undergraduate Student Councils of New York University. Earlier in the season, PUSC offered a trophy to the winner of the intercollegiate competition with the best record in inter-city play. NYU, with a 4-2 record, won the cup.

If City College should want to enter a league, it would need the approval of the two faculty athletic committees.

Professor Arthur H. Des Grey, faculty manager of athletics, has gone on record as opposing the league since City would have to face teams with traditional rivals. The team is limited to an eighteen-game schedule.
