Increase General Fee $1
As Library Costs Multiply

City College President Buell G. Gallagher has announced that commencing in the Fall semester the general fee will be raised $1 for all undergraduate students. The general fee; presently $4, will be raised to $5. The $1 athletic fee and the $3.50 student activities fee will remain unchanged.

Dr. Gallagher, at his weekly press conference, said that the increased cost of purchasing books for the library and of hiring extra personnel during registration week necessitated the fee raise.

Approximately 90% of the general fee is divided between paying the library costs and providing for funds in the College's budget, such as buying extra books and for hiring more personnel during registration week.

The remaining 10% pays for the cost of X-rays students take before being admitted to the College. It also pays for the costs of obtaining diplomas for graduates. Before the initiation of the general fee, seniors paid a separate diploma fee.

Approved by BHE

The fee raise was approved by the Board of Higher Education at its March 18 meeting. It allows City College to support students at the College. Graduate students pay a $3 general fee while those persons attending the Adult Education Center pay tuition for all courses.

Students at the Uptown Center will pay a total registration fee of $11.55 general fee, $1 athletic fee, $2 student activities fee and a $3 student center fee which supports Finley Student Center.

The Baruch School student body passed a referendum in the Fall to raise the student activity fee from $2.50 to $3.00. The first fee of $3.50 per student was raised to $4.50 in 1949 and was raised to $5.00 in 1952.

Council Gives Approval To Insurance Program

Student Council provisionally accepted a health and accident insurance program, at its final meeting Friday night. The plan provides $1000 for accidental death benefit and a $500 blanket medical benefit with a $100 limit on dental care.

The plan also allows for $15 per day for hospitalization up to 30 days; no payments will be made for hospitalization of two days or less.

Other benefits under the program are $100 miscellaneous hospital expense, $250 surgical benefit; $5 per physician visit, when in the hospital, up to the limit of thirty visits. An additional limit of $250 above the first $50 of expenses incurred for any sickness would be payable when the student is not confined to a hospital.

The tentative cost for the program is $16.25 for nine months and $21.00 for twelve months.

The plan will go into operation in the Fall semester.

In other actions, the Council amended its charter to provide for class council elections of five students; a new class council election was held in the upper and lower classes separately.

Student Council unanimously elected Stewart Kamphues and Gary Strum asalternate National Student Association delegates. The alternates will attend the NSA convention this summer at Ann Arbor, Michigan, with delegates Sheldon Brand, Morton Horwitz and Larry Schiff.

Beaver ‘9’ Loses Final Game, 3-2

The baseball season officially ended Saturday for City College when the Beavers were defeated in the ninth inning by St. John’s, 3-2 at Alley Pond Park in Westbury, Long Island.

The loss kept the Lavender nine in the cellar of the Metropolitan Baseball Conference. They climbed out of last place only once during the season. City tallied one run in the first and one in the third off Emile Viola. The Redmen came back with one tally in the fourth and one in the fifth off Beaver hurler Steve Weiss. Weiss was lifted in favor of Luby Mynar in the fifth who held the Johnnies scoreless until the ninth inning.

Then, basketball stars Walt Beatty and Bill Cowley blasted back-to-back doubles in the final frame to win the game. The Beavers finished the season with a 2-8 conference mark and were 5-10-2 overall.

Wednesday, the Beavers succumbed to left-hander Joe La Guardia of Hofstra. The speedthaler whiffed fourteen Beavers as he counted to a 7-3 win.

Saturday, the College’s lacrosse team lost to Lafayette College, 13-5 at Easton Pennsylvania. The stickmen won only one game all season, against Wagner and Ron Ross scored two goals while Merrit Nessin tallied once for City.

The only undefeated squad this spring, the track and field team, beat Brooklyn College Wednesday at Lewishon Stadium, 88-56. The tennis team best Hunter College Saturday, 6-2.2-1, to finish the season with a 4-5 mark.

Did Faculty Really Win?

The faculty beat the students Thursday in their semi-annual basketball game in Hassen Hall, 52-48. Or, maybe it was the other way around.

This was the first time in the history of the faculty-student fray that a game went into overtime. With the score 41-32, Syd Levy scored a basket, was fouled and converted the free throw. This made the score 41-33, but not according to the scoreboard.

The students then tried to freeze the ball, but with five seconds left to play, Levy converted a layup and was fouled by Ralph Sobovinsky. Sobovinsky committed, according to the students, an unpardonable sin. Levy converted the free toss and knotted the score at 41-all.

The highlight of the game was the de-pantsing of Sam Ranhand. Ranhand, who started the second half in a pair of yellow Bermuda shorts, was seized by all the students and faculty members. They took off his sneakers, socks, shirt and Bermudas. Glad in white shorts, Ranhand pinned a number on his back and ran around the track four times.
