Approval of the Minutes of October 24, 2013: Approved as amended by unanimous voice vote.

Action Items:

Elections:
   a. Committee for Academic Review (members must be full professors who do not serve on the College P&B and do not have titles of VP, dean, or director):
      1. Two members were to be elected. I. Mirsky and H. Clampman had been already voted onto the committee by the College’s Personnel and Budget Committee so their names were removed from the ballot. M. Pita asked to have her name removed from the ballot given the caliber of the remaining
nominees. H. Papas-Kavalis and M. Bates were both elected by unanimous voice vote.

b. **College Ombudsperson (student members have three votes each):**
   1. R. Shane and M. Kirk were the two nominees. F. Moore confirmed that M. Kirk removed her name from the ballot. Discussion ensued. D. Weathers suggested the position needs a higher campus profile. She also suggested the name be changed to Student Advocate. F. Moore noted that suggestion will be taken under advisement and that it requires a change in governance to be done. A motion was made to call the vote. R. Shane was elected by unanimous voice vote.

Salgado reported they are hosting a town hall meeting with the Political Science club on December 3rd to discuss the CUNY expressive conduct policy. She also reported they are working with the Math department to establish study-a-thons with 8 faculty signed on so far to participate. The SGA is also launching a presentation competition. The question for the competition is “a tangible solution to a problem in our society” with $1000 award available for the winner. Faculty is highly encouraged to come support. Faculty is also needed for judging. The competition will be held on December 19th, 4:30-7:00 p.m.

j. **Vice-Presidents and Deans:** no report

k. **Community Relations and Special Events:** R. Ben-Nun reported they have not yet been able to meet due to a clarification on student members needed. To that end, M. Kirk is working with him.

7. **President’s Report:** President Berotte Joseph reported that Comptroller Thomas DiNapoli hosted a celebration in honor of Hispanic Heritage and Puerto Rican Heritage Month in Colston Hall last night that was well-attended. The President also reported on Start Up! New York and CUNY 2020. The President discussed the Haitian Studies Institute (HSI). In response to a previous query on statistics, she reported that 8,635 students in CUNY are Haitian with BCC having 225 students. She noted that no data was available on graduate students. In speaking to the creation of the HSI, she noted a sub-committee of the taskforce established by Chancellor Goldstein after Hurricane Sandy branched off to explore the HSI. The President reported on two upcoming meetings regarding the HSI: December 2nd and December 6th, the latter which is a CUNY-wide (NL 141) meeting in North Hall/Library, room 141 with faculty encouraged to attend. She then asked Sandra Duvivier (English), who has been working on the proposal, to further discuss the proposed Institute. S. Duvivier discussed the information that had been sent out prior to the Senate meeting (mission statement, bylaws, proposal), noting the void that the HSI would fill and that it would be the first of its kind in the US. Given the time concerns, F. Moore asked that questions be saved until after the Senators had reviewed the material. He also reminded that the HSI will also need to go through governance. D. Gonsher asked when the full proposal might be available for Senators to review. S. Duvivier noted it would available by the first week of December. F. Moore urged her to send the materials now so that Senate members would have appropriate time for review. He reported he would send the materials out to Senators as soon as he received it from S. Duvivier.

8. **Budget Report:** Senior Vice-President M. Coleman reported on the budget. For the benefit of the student representatives, she explained her role at the meeting and the reason the budget was being discussed in this particular venue. M. Coleman noted that from the Compact, 3.4 million dollars was received this year. Of that money, 1 million dollars was earmarked for specific expenses: $413,000 for full-time faculty hires (21 to be hired) and
student financial expenses including $117,000 for textbooks, $117,000 for tuition waivers, $115,000 for work study students, and $14,000 for veterans. M. Coleman also noted we are required to raise dollars to spend in addition to those allocated by CUNY and are expected to participate in the productivity initiative and reinvest that money into the college structure. Looking specifically at the report (see handout), she noted the 3.8 million dollars negative in the budget includes every budgeted expense that the college expects to have in the upcoming year. After her report, a discussion ensued. J. Freeman posed a question regarding the Compact budget. He noted the wage inequality between administrative salaries and faculty salaries. M. Pita asked about the West Ed consultant funds and posited the faculty would be better suited to determine the types of professional development they needed. S. Utakis reported on her experience in the classroom with a West Ed consultant. A student representative asked a follow-up question about West Ed. The President responded to the question. Discussion continued including a request from D. Gonsher for transparency regarding the criteria used to hire West Ed. As per M. Coleman’s request, further questions about the budget can be directed to her.
