Student Council Votes Record Budget Friday

Student Council Friday evening approved the largest budget in its history. It passed, with a margin of over 50%, a budget of $5,615.11 for this semester.

By Gallagher

The most significant change in the budget, as compared with last semester, was the substantial reduction in club funds. The Baruch School Young Republicans, at a meeting in the Faculty Council Lounge, will sponsor a debate against the appropriation of club funds. The debate will take place in the Political Science Department and will be attended by both members of the Public Affairs Committee and students of the Department. The debate will be moderated by Professor William A. Rusher, Department Chairman, who will speak on behalf of the Baruch School Young Republicans.

Silent Spring

"We cannot afford to win the fight for the "scientific" knowledge of the "future."" The more informed citizens become, the more they will realize the importance of science education. The more scientific knowledge we have, the more we can do to help solve the problems of the world. The more we know about the scientific method, the more we can do to help solve the problems of the world. The more we know about the scientific method, the more we can do to help solve the problems of the world.

One hundred students gathered at City College's 1958-59 basketball tournament, known as the "Beaver's," when the Beavers routed Queens, 88-64. The victory was the Beaver's fifth in the meet league as against Queens, 88-64. The win gave City College's 1958-59 basketball team the Metropolitan Conference title for the second year in succession and permanent possession of the municipal league trophy. The victory was the Beaver's fifth in the meet league as against Queens, 88-64.
Lavender to Face Wagner at Home

By Mary Levy

Understand at the beginning of this season due to an unimpressive 10 and 16 1956-57 record, a much improved Wagner College quintet will invade Wingate gymnasium Friday night.

The factors underlying last year's Seahawk losing record are no longer evident. Not only was Lanny Went, who was expected to carry the scoring load, out for the bulk of the season with a fractured leg, but two of the present starters were freshmen.

These men, things are different for Coach Herb Sutter's squad. Not only is it the 6-5 West healthy, but he is leading the team in scoring; the two freshmen members of last year's squad are no longer overpowered by the transition from high school to college ball and are playing exceptionally well. They are, Harry Orlando, a 5-9 playmaker and shot artist and 6-4 Fred Blackwell. Of equal importance in the Seahawk line-up is 6-6 Joel Ascher.

The Seahawk invasion, with a twelve and four record to date, is a chance to gain national recognition this year, as it has already beaten both Fairleigh Dickenson and Albright by more than twenty point margins. Their most notable victory to date was an impressive two point win over powerful Niagara University.

With their seven game winning streak ended over the weekend by St. Peter's, the Staten Islanders would like nothing more than to get back on the winning track as they take on the Baruch basketball team Friday night at the Wingate Gymnasium, Uptown.

IMB Opens Term's Slate With Frosh-Soph Battles

The beginning of the Intramural Basketball season will be marked Thursday by the Frosh-Soph battles.

The Frosh-Soph battles are the semi-annual events between the classes that has customarily been the deciding factor for the elimination of frosh hazing.

The basketball tournament, which begins February 27, will be between class teams instead of club teams. Applications are now available in 610A.

The men's bowling tournament will get underway February 21 at the Gramercy Alleys on Third Avenue.

No girls interested in the volleyball tournament should come to Camille Visconti in the IMB office, 610A.

The boxing tournament will be held Wednesdays from 1 to 5 and the weight-lifting tournament will be Thursdays from 12 to 2. Additional tournaments will be held in handball and wrestling this term.

Late in the term, the semi-annual Dip and Diploma-Student game will be held.

Former Track Mentor Dies of Severe Stroke

Harold Anson Bruce, retired City College track coach, died last week in an ambulance after suffering a severe stroke.

When he came to City College in 1945, Bruce had 16 years of coaching experience, including a record in 116 victories and 2-1 ties in dual meet competition.

In the 1946 season his cross country team began an undefeated string, lasting three years. After meet victory in 1949, Morgan State ended Bruce's team's streak of triumphs.

In the 1949 Penn Relays, Bruce's relay squad finished second, the Metropolitan Intercollegiates in 1950 saw his team finish in third place behind New York University and Manhattan College.

The 1952 season proved to be a memorable one for Bruce. He coached the first City College cross-country team to score a track victory over NYU since 1921; the score was 30-27.

Bruce's 1954 team added honors to his already illustrious career. Facing a field of thirty scholarship supplied opponents, his team walked out with several trophies at the College-Track Conference.

In addition, his 1954 team won the cross country and Polar Bear relay titles in Lewiston, Stadium. Against teams of national repute, Mr. Bruce spurred the Lavender on to national glory.

In 1955, at the age of seventy, he retired as head coach of the CUNY track team after ten years of accomplishment. —Sultan

Tryouts

Tryouts for the cheerleaders will be held in the near future. Anyone interested in joining the squad, should see Jack Gladstein in THE TICKER office, from February 24-25. Both males and females are eligible to try out.

Tryouts for the College's tennis team will be held soon. Anyone interested in trying out for the squad should contact either Coach Harry Karrin, Uptown, or Joe Flieckman at the Downtown Center.
