Favorable Verdict Expected In Austin's Appeal to Allen

The attorney for Dr. Warren B. Austin, former City College English instructor who was dismissed by the Board of Higher Education in December, told THE TICKER Friday that "we expect a favorable decision in our appeal to State Commissioner of Education James E. Allen.

Ephraim S. Londen, Dr. Austin's lawyer, said, "I think Allen has a reputation for fairness." Mr. Londen added that it is "reassuring" that Commissioner Allen will render a decision sometime within the next few months.

Dr. Austin was dismissed for "conduct unbecoming of a member of the staff," in December.

The BHE decision was based on the report of a three-man trial committee headed by Charles H. Tuttle and was made after hearing evidence both oral and written. The report of the trial committee stated that "any of the many facts found in this trial about Austin, would not, if isolated and standing alone, be sufficient to sustain the charge. But taken in a different evaluation emerges when all such facts are considered together, such facts are, in the light of all the evidence." The lone witness to testify against Dr. Austin was Dr. Lewis Balanath, a former City College physics instructor and member of the Communist Party from 1937 to 1945. He told the committee that Dr. Austin was a member of the College Communist Party cell.

The prosecution relied, in part, upon the testimony of Morris U. Shappell, a former faculty member and leader of the Student Federation, to associate Austin with "the "cell" of New York College; Austin a continued membership in the Teachers Union 19 years is a member of the American Federation of Teachers Union 19 years.

Education

All applications for student teaching, courses in methods of teaching, transfer to the school of education, writing English qualifying examination, oral speech interview, and medical examination should be filed no later than October 10, in 1109 from 9:30 until 4:30.

The Education Society will meet Thursday, October 2, at 12:15 in 1197.

Mr. Joseph Gruber, Director of Business Education for New York City, will be guest speaker. The meeting is open to all.

Thursday at 12:15:

Bauer to Talk on 'Beat Generation'

Dr. John Bauer of the Psychology Department will speak on "The Psychological Significance of the Beat Generation" Thursday at 12:15 in the Faculty Council Lounge.

Dr. Bauer's talk is the first of a series of picture presentations by the National Student Association—Speakers Bureau Committee of the College.

Among the other planned programs in this series are:

- A symposium, "Masculine Culture" is scheduled for the fourth of this series to be held Thursday, November 20.
- A discussion on "Freedom and Policy" will highlight the fifth of this series. It will be held Thursday, December 4.
- A debate on "What Limitations on Freedom should there be in an Academic Community," will take place Thursday, November 6. The debaters have not been announced.

- A symposium, "Teenage Culture" is scheduled for the fourth of this series to be held Thursday, November 20.
- A discussion on "Freedom and Policy" will highlight the fifth of this series. It will be held Thursday, December 4.
- A debate on "What Limitations on Freedom should there be in an Academic Community," will take place Thursday, November 6. The debaters have not been announced.

History Department Launches Experiment in Large Classes

By Dean Ceromino

The History Department has launched a six-year experiment to study the feasibility of increasing class sizes in introductory courses and has appointed Mrs. John H. Gallivan as instructor to develop in his own classroom.

From the outset it was set not only to see the effect of the experiment, but also to determine whether the average student would benefit from it. The experiment is designed to test the hypothesis that increasing class size will not affect student performance.

The experiment is being conducted in the history classes of Mr. A. T. Smith, Mr. C. H. Brown, Mr. J. H. Gallivan, and Mr. E. H. Baker.

The History Department has been criticized in the past for its small classes, which are said to be too small to be effective. The experiment is designed to test the hypothesis that increasing class size will not affect student performance.

The experiment is being conducted in the history classes of Mr. A. T. Smith, Mr. C. H. Brown, Mr. J. H. Gallivan, and Mr. E. H. Baker.

The experiment is being conducted in the history classes of Mr. A. T. Smith, Mr. C. H. Brown, Mr. J. H. Gallivan, and Mr. E. H. Baker.

The experiment is being conducted in the history classes of Mr. A. T. Smith, Mr. C. H. Brown, Mr. J. H. Gallivan, and Mr. E. H. Baker.

Group Charges Bias At Queens College

By David Pulfer

The Catholic Student Association of the Diocese of Brooklyn has asked Mayor Wagner to investigate charges of bias at Queens College. The association said it had been denied the opportunity of holding a Mass on the campus of the institution.

Dr. John E. Farmer, a Catholic, who is a member of the City College of New York Board of Trustees, has asked Mayor Wagner to investigate charges of bias at Queens College.

The association charged that charges have been received in the matter of Queens College and that the school has failed to respond to the charges.

A spokesman for Queens College said that the school has not received any formal charges.

Discrimination has announced that Queens College will not be able to attend the next meeting of the Board of Higher Education.

During the past year, Queens College has been under investigation.

A college spokesman has denied that the school has been under investigation.

The association said that Queens College has been under investigation for several months.

The association has asked Mayor Wagner to investigate the charges and to take action.

PHI LAMDA DELTA

Phi Lambda Delta will hold a meeting on Thursday, October 10, at 4:30 p.m. in the Phi Lambda Delta room of the Business School.

Dr. G. Fallon, a Catholic, the provost of Queens College, will be the speaker.

Discrimination has announced that Queens College will not be able to attend the next meeting of the Board of Higher Education.

The association said that Queens College has been under investigation for several months.

The association has asked Mayor Wagner to investigate the charges and to take action.

### Polansky Gets Fresh Job

Dave Polansky, who has been varsity basketball coach for two years, will take his new position in charge of the frosh hoop squad when practice opens November 15.

The change was brought about by the return of "Mr. Basketball," Nat Holman, who is re-retiring to his post as coach of the city "Five.

Holman has built on a base of absinthe for the past two years. During this period he has been to Turkey, Japan and Korea.

This is the second time in six years that Polansky has stepped down from his position to make room. Holman was in charge of the varsity squad from 1952 to 1954 when Holman was relieved of his post during the repercussions of the scandal of 1951. During this period Polansky led the Beavers to a record of 40 wins and 31 defeats.

#### Slates

**Bouters Begin National Title Defense**

The City College soccer team will open its 1958 campaign tomorrow in quest of its second straight national soccer championship. It will oppose the United States Merchant Marine Academy at the Kings Point field. The opener will see the Beavers pitted against a very weak team.

Cadets coach, Commander Ed Liebertz said, "We have a very green team with no soccer players." The Commander noted that the American-born players on the Academy's team have "no experience" compared with the City players.

"We will be seeking our sixth consecutive Metropolitan-Metro League title in addition to their "Girlie" intercollegiate game in Net League play since 1952 and their 1954 consecutive win in league play since 1955.

In facing the Marines, the Beavers will play a team that won but two games in ten last season.

**Academy Captain**

The captain for the Academy will be Leon Manfredi, a senior. Sandy Csabai, who was the high scorer for RPI last year, almost ruined Leon Manfredi's shutout with a penalty kick last season.

However, on the whole, the Techmen didn't show a strong offense as Manfredi had only five saves; RPI had 21 saves.

Rensselaer is considered to be a team of national repute and the Beavers' win over them last season helped to contribute to its being cited for national honors.

**Coach Corkery**

The Engineers, coached by Jack Corkery, will have in their top ten defensive spot, a senior, Sandy Csabai, who was the high scorer for RPI last year, almost ruined Leon Manfredi's shutout with a penalty kick last season.

However, on the whole, the Techmen didn't show a strong offense as Manfredi had only five saves; RPI had 21 saves.

#### Slate Frosh-Soph Battles Thursday

The Frosh-Soph Battles will be held Thursday, 12-2 in Hansen Hall.

This semi-annual affair, was held in previous years to eliminate hazing of the freshmen by the Baruch School upperclassmen. Since there is no frosh hazing this semester, the battle will be held.

However, the Intramural Board expects the attendance of sophomores to be poor. If the attendance is not what it should be, the classic will be discontinued for future terms.

"Classic" is truly the word to be used, as the freshmen formerly looked forward to it as a means of ridiciling the upperclassmen hazing opportunities. The rules had it that hazing should be two weeks, but if the freshmen proved victorious in the battles, hazing would be discontinued after but one week.

**Wear Old Clothes**

The two classes will meet on the gym floor Thursday without hazing as their motive. Students who will participate are urged to wear old clothes. preferably dungarees, sneakers and no shirt.

The events that will be held include a mass basketball game, a cagedball contest and a Tug o' War.

**Basketball Tourney**

Applications are still available for the basketball tournament which will begin Thursday, October 9 in the gym. Teams will be composed of groups of classes instead of a combination of students from various classes. For further information go to 610A.

Swimming Program Halted By Shower Modernization

Construction work now going on in the basement improving shower facilities in the pool will cause gym classes to postpone swimming until the middle of the term.

Directly affected by the renovation will be the Physical Education 1-4 classes. They usually include several weeks of swimming as a part of the term's program.

The work in the locker room and women. The construction job is being done by two companies.

F&G Heating Company is laying a new compressor foundation to reach the old plumbing. New pipes will be installed and the General Contractor Company will put new tiling on the floors.

Since the facilities of the pool are not available, gym classes will be more crowded than usual. There are three classes which have about 130 students in them.

The auxiliary gym facilities will be used to reduce the large enrollment from the classes. This means that boxing will be eliminated from the elective program.

Wrestling won't suffer because it is conducted in the annexe under the supervision of Coach Joe Saporca.
