Elections

Elective cards for the spring term are available in 312 and must be returned by October 9. They will be used as a basis for the schedule of recitations for next term.

All students at the College are required to file elective cards by 5 p.m. October 9. It is important for class representatives to register at the end of their respective classes next semester.

Friday's Special Elections

Fill SC, Class Vacancies

Special Elections to fill vacant Student Council and Class Council offices were held Friday in Lounge C.

In the Class of 99 there were no uncontested elections for class offices. Hal Pensky won for treasurer with 389 “yes” votes to 9 “no” votes. Arthur L. Goldberg triumphed for the secretaryship of the class with 27 “yes” to 9 “no” votes.

Class of ’60

Although there were 4 vacancies for the position of Student Council Representative from the Class of 59, only one person—Warren Frenz—ran for the representative post. He tallied 24 “yes” votes as opposed to 19 “no” votes.

Class of ’61

In the only contested election, Warren Frenz ran for the representative post and Neil Reshen, the president of the Class of 99, ran for the post of Junior Prom co-chairman. Frenz won 14 votes to 6 “no” votes. There were, however, two va

Mrs. Roosevelt Says
USSR Talks Urgent

"The growth of power in Red China is something we should use to try to make some agreement.** Mrs. Roosevelt noted that she had heard in many diplomatic circles in Europe that Red China was now a power, she said.

With the growth of what she believes to be the genuine article of Soviet Russia. It was her second visit to the United States when the Security Council was made.

Lexicon '59 Begins Work

The Ticker, October 1, 1958

The Editors of THE TICKER:

The first edition of Lexicon '59 will be in the hands of the student body on October 7. It is the responsibility of the editors to see that the book is what the students want it to be. Therefore, a few suggestions for the content of the book may be of interest.

The book will be divided into three sections: the front section, which will be the same as that of previous years, the middle section, which will be devoted to articles on various subjects, and the back section, which will contain advertisements.

The front section will include articles of general interest, such as news of the city, sports, and current events.

The middle section will be devoted to articles on various subjects, such as philosophy, literature, and science. It is hoped that the articles will be well written and that they will be of interest to a wide range of students.

The back section will contain advertisements of various items, such as books, clothing, and other goods. It is hoped that the advertisements will be well designed and that they will be of interest to the students.

The editors of THE TICKER believe that the book should be as attractive as possible. Therefore, they will work hard to see that the book is well designed and that it is easy to read.

We encourage students to submit articles for the book. If you have an article that you would like to submit, please send it to the editors of THE TICKER.

Sincerely,

The Editors of THE TICKER

New Government Professor Denounces Southern Attitude

By Gene Gold

We have learned that the new Government Professor, Mr. Bertrand, is facing a difficult and sensitive situation. In his first semester here, he has made it clear that he will not tolerate any form of Southern attitude.

In his recent lecture, Mr. Bertrand denounced the Southern attitude in the most explicit terms. He said that it is a form of discrimination and Nguyên, a symbol of the country's backwardness.

In his words, "The Southern attitude is a product of the South's backwardness. It is a form of discrimination against the Northern people. It is a form of Nguyên, a symbol of the country's backwardness.

We have every reason to believe that Mr. Bertrand's words will be heard by the student body. He has made it clear that he will not tolerate any form of Southern attitude. We hope that the students will support him in his efforts to overcome this problem.

We are confident that Mr. Bertrand's words will be heard by the student body. He has made it clear that he will not tolerate any form of Southern attitude. We hope that the students will support him in his efforts to overcome this problem.

Socccermen Edge RPI, 2-1; Sund Scores Twice in Fray

TROY, N. Y., October 4—A combination of Billy Sund’s two goals and a staunch defense, led by Johnny Paranos, gave the Beavers a 2-1 victory over Rensselaer Polytechnic Institute in the season’s opening game today.

However, the calm of the sunny afternoon was shattered when goalie Wally Wolke was kicked in the face as he was attempting to stop the ball with his leg. The goal was given to RPI when the ball was executed by a shot from the left side of the field.

In the first period, RPI went on the offensive and Sund scored his first goal on a shot from a corner kick. However, the second period brought no additional goals from either team. The game ended in a 2-1 victory for the Beavers.

Baruch School Instructor Serves as Tennis Umpire

By Alvin Revin

Dr. Andrew Lavender, English instructor and Student Council faculty advisor, served as tennis umpire at Forest Hills. At the West Side Tennis Club he has been the umpire for several matches. Among others, he has umpired for the Pancho Gonzales-Frank Suddvgman match.

The game was closely played, and Dr. Lavender feels that a tennis official should be firm in his decisions. At a scrimmage, Dr. Lavender had a tight situation during a Gonzalez-Suddvgman match, and he felt that he had to be firm in his decisions. He was unhappy with the game.

LiNY Booters to Play in League Contest

By Bob Signer

The Long Island University soccer team will invade Lewiseson Stadium Saturday in an attempt to avenge last season’s ignominious 9-1 defeat at the hands of the Beaver booters.

The Beavers will face LIU with a juggled front line. There are occasional changes. Occasionally, one or two substitutions are made, but usually the starting eleven remain the same.

When you stop playing, you should stay with tennis to serve as an umpire.

The Beavers will be short of proven runners. Baruch’s squad has been somewhat distorted by injuries to key runners. Bob Cleary, the number one left back, is out. The team has relied on experience to fill in the vacancies left by the injuries.

Two Players Out:

Harriers Get Set for ’58 Debut

The City College cross-country team will kick off its season Saturday at Van Cortlandt Park against Fairleigh Dickinson. They will be out to improve upon their 14th-place finish last year.

The bright picture painted by the team at the start of practice has been somewhat distorted by the loss of two key runners, Bob Cleary, the number one man on the City team last season. The second factor is the absence of the captain, Ralph Taylor.

Taylor was to be the ready replacement for Cleary. However, he decided to give up the game, only two lettersmen are returning, Howie Taylor, who played halfback in 1957 will be the goalie. Frank Piccola will alternate between fullback and halfback.

In its first outing of the new season, LIU went against Pratt Institute in a practice session. Although the Blackbirds were turned back, 7-6, O’Boyle felt that the team as a whole looked much better than last season.

Sund took a pass from Gabor Sohlisser and rammed the ball clear of the goal mouth. However, the calm of the sunny afternoon was shattered when goalie Wally Wolke was kicked in the face as he was attempting to stop the ball with his leg. The goal was given to RPI when the ball was executed by a shot from the left side of the field.

Still unable to evaluate the entire team at the start of practice, O’Boyle feels that the team as a whole could be a better team this year.

The opening game of the season was washed out. The United States Merchant Marine Academy was supposed to play the Beavers Monday at the Kings Point field, however, the game was postponed until tomorrow.
