Town Meeting

We are extremely pleased to note that Student Council has presented a Town Meeting for Thursday to give the School body a chance to express its ideas on the question of improving the school.

We made our stand on this task quite clear last week. We feel it necessary, however, that we pay something like attention to the idea that time—namely the circulation of the School body. This point is supposed to be a substitute for anything we might have said.

We are not misunderstanding the purpose of the purpose of a college to the people who are graduating. A college is supposed to be a means of teaching a student to think for himself. We are not saying that there is no value in the intellectual center of the community as a whole and as a place for the development of young individuals.

Admittedly, the Baruch School leaves much to be desired, but it is a training institution, which is an essential step in the development of the student. Every person who takes part in our Town Meeting must take from our present dealing state into one of action.

It is quite true that there will be less opportunity to work as a student in the future, but it is impossible to work as a student in the same way as a student in the past. It is only when a student does good work, he should be given an opportunity to work as a student.

It is unfortunate that so many Baruchians work now, but they would be interesting to know how many of them are working in the same way as a student in the past. It is only when a student does good work, he should be given an opportunity to work as a student.

We feel that student-faculty relations have deteriorated to a dangerously low level, but we feel that the situation will continue to be a dangerous step.

No matter what your individual view, we urge you to attend this meeting, to be held in the P.T. It would very much be appreciated if you could come, and if you have any questions, you should feel free to ask them. If you find anything incorrect, you should have nothing to say, "Forever hold your peace."

Elections Tomorrow...

(Continued from Page 1)

Beverly, Gail, Stanley Richards and Nancy Delaney are running for class council. Their aims are to present a new student body, to provide services for the council, and to improve the organization. All six student council seats are up for grabs.

The Class of '59 has chosen among Marty Bemis, Dave Heppner, Janie Fink, Max Harmon and Walt Weber for president and vice-president of the student council. The two names for the student council last year were Bob Mclnnis and Jack Kahn in the class of '58. These names were not available for the class of '59. The Class of '59 is planning to design a new student council, and the election is not only for the students.

‘Five’ Loses Game To Adelphi, 65-55

By Eddie Perlman

The City College eagers ran out of gas, Saturday night and were topped by the Adelphi Panthers, 65-55.

The Beavers entered the game with a reputation of being a great second half team. Unfortunately, the Beavers were the exact opposite in their loss to the Panthers.

City broke the ice in the first half on a pair of foul shots by Julio Delatorre. They continued to play good strong ball during most of the first half hitting on outside shots. However, once the second half began, the failure of Coach Nat Holman to substitute for the starting players took its toll. The taller, brawnier Panthers took advantage of the Beaver boards. Four of the starting five—City-hoosiers played the entire game.

After hot shooting during the first half by Marty Groveman and Hector Lewis, City came out leading, 35-30. In the second half, as in the first stanza, Adelphi employed a 1-2-2 zone defense, which kept City to outside and corner shooting and prevented them from getting inside and driving. City desperately tried to rally with Delatorre, Lewis and Guy Narrot scoring, but a Panther freeze kept the Beavers from advancing any further.

Last Chance Squeaks To Tourney Triumph

By Bob Kane

Last Chance did it! Paced by Sam Rothstein, with 14 points, they took a “squeaker” from the Gunners, 53-51, Thursday, in Hansen Hall, to win the Intra-Mural Board’s basketball tournament.

Although defeated, the Gunners’ Allen Miller was presented with the Most Valuable Player award at the end of the game. He scored the game’s high of 19 points.

Last Chance took an early first half lead which was never relinquished. Backing up Rothstein in the scoring were Bob Halpern, with 12 points and Marv Kraisman, with 11 markers.

The game reached high tension in the final one-minute of play. Julie Wolfson sank two foul shots for the Gunners, making the score, 52-49. With 30 seconds to go, Allen Miller scored, to make the score 52-51. After Last Chance’s Bob Halpern sunk one foul shot, the Gunners’ Steve Bernstein, who was fouled, had a chance to tie the game up, with two seconds to go.

The Crowd Silenced

The crowd in the gymnasium silenced as Bernstein tied the line. He missed the first shot, and the second was missed deliberately, in an attempt to pull down the rebound and score on a two-pointer. However, Ben Gein, of Last Chance got the rebound and killed the remaining two seconds on the clock.

City to Play Queens Next

City College’s basketball team will meet Queens tomorrow night at the Flushing, New York, battlefield.

Brooklyn will be the Beavers’

Tickets

Tickets to the City College-Brooklyn game will go on sale tomorrow, at 50 cents each, at the ninth floor booth, from 12-2. Also, on Thursday, from 12-2.

There will be no gate sale at Brooklyn.
