Discrimination Found at City Agency To Restore New Site Funds

City College President Buell G. Gallagher appearing before the City Planning Commission last week requested that they restore the funds needed for the acquisition of a new site for the Baruch School. Earlier this month, the sum of $465,000 had been deleted from the 1960 Capital Budget by the Planning Commission. The Board of Higher Education for new projects had requested the money for necessary engineering studies for the proposed site.

Proposed Charter Change Vetoed by Council, Friday

Student Council, by a vote of 6-11-1, once again defeated an amendment which would allow upper juniors to serve as president. The defeat of the proposal marks the third straight semester that an attempt to allow upper juniors to serve as president has failed. The amendment, which was brought to the Council by President Buell G. Gallagher, was defeated on a vote of 11-1-1 after a motion to eliminate the alumni vote in the student body was tabled.

President Buell G. Gallagher

The amendment argued that the charter, which limited the presidency to the junior class, created an unwieldy situation. It was suggested that the student body, in the interest of the public, should have the right to vote for the president. The amendment was defeated on a vote of 11-1-1 after a motion to eliminate the alumni vote in the student body was tabled.

Student Council this semester.

Blau Discusses Business Ethics

Speaking before only forty students, Dr. Joseph Blau, professor of Philosophy of Religion at Columbia University, said that "a profound concern for the public interest is the business ethic." By Robert Brooks

Business and Public Interest

Dr. Blau presented the first of two lectures on business and the public interest. His second lecture will be held Thursday at 12:30 in 42.

Only 40 Students Attend:

Blau Discussed Business Ethics

President Buell G. Gallagher

Only 40 Students Attend:

Blau Discussed Business Ethics

President Buell G. Gallagher

Said Kudlowski, past head of STD, had resigned along with many of the products of the proposal at the proposal revision. Including SC President Joe Ficurelli, argued that the office of Student Council President demanded a person of maturity and experience who could command respect from the faculty and administration. However, in exchange for these privileges, the business students had to conform to requirements. Outside merchants were not allowed to compete with local merchants and many of the products and their prices were strictly controlled.

Trade Privileges

Dr. Blau emphasized that all the privileges obtained by the merchants and businessmen in the middle ages were under the stipulation that they would serve in the interests of the public. This fact was responsible for the lack of incentive toward the growth of commerce. Businesses were not troubled by thoughts of active competition, since all their competitors were regulated by the same set of laws that they were.

They all carried on trade ethically, with a feeling of Security, ease and peace of mind and none

(Continued on Page 2)
Of immediate importance is the freeing of the bonds of the city colleges from the control of the Board of Education. For many years the Board has been occupying the universities with its own policies and procedures. The time has come when the city should have the right to control its own educational institutions.

The President of the Board of Education is a zealous advocate of the cause. He has been active in the field of education for many years and has a wealth of experience to bring to bear on the problem. He is a well-known and respected figure in the educational community.

Now What?

The President of the Board of Education has made a number of proposals for the improvement of the city's educational system. These proposals are designed to bring about a more efficient and effective system of education. They include:

1. The establishment of a new department of education in the city colleges, to be headed by a professional educator.
2. The appointment of a new board of education, to be composed of representatives of the city colleges, the Board of Education, and the Department of Education.
3. The establishment of a new system of examinations, to be administered by the new department of education.
4. The establishment of a new system of grades, to be based on a new system of evaluations.

The President of the Board of Education has also proposed a number of measures to improve the financial condition of the city colleges. These measures include:

1. The establishment of a new system of taxation, to be based on the assessed value of the property in the city colleges.
2. The establishment of a new system of scholarships, to be based on the financial need of the students.
3. The establishment of a new system of grants, to be based on the merit of the students.

The President of the Board of Education has also proposed a number of measures to improve the academic standards of the city colleges. These measures include:

1. The establishment of a new system of examinations, to be administered by the new department of education.
2. The establishment of a new system of grades, to be based on a new system of evaluations.
3. The establishment of a new system of requirements, to be based on the financial need of the students.

The President of the Board of Education has also proposed a number of measures to improve the physical condition of the city colleges. These measures include:

1. The establishment of a new system of maintenance, to be based on the assessed value of the property in the city colleges.
2. The establishment of a new system of repairs, to be based on the financial need of the students.
3. The establishment of a new system of improvements, to be based on the merit of the students.

The President of the Board of Education has also proposed a number of measures to improve the social condition of the city colleges. These measures include:

1. The establishment of a new system of counseling, to be based on the assessed value of the property in the city colleges.
2. The establishment of a new system of counseling, to be based on the financial need of the students.
3. The establishment of a new system of counseling, to be based on the merit of the students.
Beavers Come from Behind To Defeat RPI, 5-3, Saturday; Minnerop and Wachter Star

By Larry Orinzel

Trailing 3-2 at halftime, the Beaver soccer team Saturday, put on an amazing exhibition of soccer to outplay and out hustle Rensselaer Polytechnical Institute and defeat them 5-3.

In doing so they have extended their unbeaten streak in regular season play to 45 game. The last booter loss was in 1953 against Brooklyn College.

Star booter Heinz Minnerop said after the game "in all my four years of soccer at City, I never saw a team hustle as much this one did in the third period."

The playing conditions on the field were almost impossible. Players from both sides were slipping and sliding all over the field.

The Beavers took an early lead on half-back Carl Ravicz's first goal of the season, but this lead didn't stand up very long. The RPI men scored a goal about ten seconds later. Heinz Minnerop put the Beavers ahead 2-1 with his first of two goals of the day by heading a corner kick into the nets.

In the second period Rensselaer John Goolsby prevented an RPI goal from scoring what appeared to be a sure goal, but a penalty was called. RPI converted the penalty kick to tie the score 2-2. RPI tagging another goal to take a 3-2 halftime lead.

In the third quarter the Beaver attack started to blossom. Hugh Bubl, a native of Trenton, was magnificent, being a constant threat in the RPI offense. He was all over the field and halted many of the threats RPI had.

In this period the Beavers put constant pressure on the RPI goal. Minnerop scored his second goal to tie the score at 3-3, and Wachter scored the first of his two goals to make the score 4-3.

In the fourth period, Wachter scored the winning goal.

Rained-Out Harrier Meet Scheduled for Today at 4

Because of the rainy weekend, the Beaver cross-country team will play today a rescheduled meet against U.S. Merchant Marine Academy.

The meet was originally scheduled for Saturday.

Also this week, the Harriers will run against Iona in the last of the season's dual meets. The 1949 season was 27-7 in favor of Iona. The Beavers also beat the Merchant Marine Academy last year, 6-0, and the year before, 7-1.

Coach Harry Delimanno has been having some trouble getting his team started. He said City lost its first two games.

If your studies led you to believe you could strike oil by digging a hole right in the middle of the campus, would you (A) keep it all to yourself or (B) sell it? (C) say you know nothing about the subject?

If you got a job in the city you would say, (A) "I'm not interested," (B) "I'm not interested," (C) "I'm not interested," (D) "I'm interested," (E) "I'm interested, but I can't come to the interview?"

If you are interested in the idea, even if you had to give him most of the profit? (A) the man who (B) the man who (C) the man who (D) the man who (E) the man who

"A watched pot never boils" means (A) the idea is for you to work on it (B) if you don't try, the idea won't be a success (C) if you don't try, the idea won't be a success (D) if you don't try, the idea won't be a success (E) if you don't try, the idea won't be a success

City Soccermen to Meet Adelphi, LIU in Met. Gam

Tomorrow, the first of two games in three days will play by the Beaver booters. Harry Karlin and his team is off to Garden City, Long Island, where they will play the Panthers from Adelphi. Saturday, the booters will play the Long Is Land University soccer team at their home in Brooklyn. The score in 1958 was 2-0.

The Blackbirds finished with a 14-1-1 record last year. Coach Gary Rosenfeld is sure to be better than last year, his returning lettermen.

Harry Karlin, 16, Hornstein, Nick Russo, Ben tafeto and Bill Frey.

Tatam, from among the lettermen, has been noted as booters: trouble-shooter. Adeline. he has played every position on the field, and is regarded as the guiding force of the team.

The Blackbirds have a new game schedule, including Pratt, Wagner and Br. College.

Do You Think for Yourself?

(THROW THESE QUESTIONS INTO THE POT AND SEE WHAT COOKS)

If you sold a girl a pack of cigarettes, would you say, (A) "Take them", (B) "Take them", (C) "Take them", (D) "Take them", (E) "Take them"?

Assuming cigarette could talk, would you listen to (A) a filter cigarette that talks only about its taste? (B) a weak-tasting cigarette that talks only about its taste? (C) a filter cigarette that talks about its filter design and full taste speak for itself? (D) a filter cigarette that talks about its filter design and full taste speak for itself? (E) a filter cigarette that talks about its filter design and full taste speak for itself?

Next time you light a cigarette, take a moment to think about what you really want in your filter cigarette. Most adults and women smokers think for themselves choose VICEROY.

The Man Who Thinks for Himself Knows

ONLY VICEROY HAS A THINKING MAN'S FILTER... A SMOKING MAN'S TASTE!
