McCloy Emphasizes Peace at Charter Day Ceremonies

By Bob Brooks

"World harmony and peace can only be established if there is a more effective grouping between the national states of the free world," stated John J. McCloy at the annual Baruch School Charter Day Convocation Thursday.

Bernard M. Baruch was present at the affair.

Mr. McCloy, who served as Assistant Secretary of War from 1941 to 1945, stated that a new awareness of the world situation by the individual and his willingness to participate in his nation's problems is also prerequisite for tranquility relations between countries.

Alluding to the strong state of relations in American politics, Mr. McCloy emphasized Pericle's view that a nation can only be strong if all citizens of it work toward their own good.

He reiterated Mr. Baruch's belief that a system of "open skies" should prevail throughout the world, which would deemphasize any spying policy that might exist.

He also noted that a world problem could not be tackled alone, but that a concentrated effort on all fronts was necessary.

"In this age in which the economic struggle between the free world and the Communists is rising to the foreground, we must help the underdeveloped countries. It is these underdeveloped nations which will someday prove to be our most needed allies," he said.

BC Students Protest Kingsman Censorship

By Norman Kleinberg

The Executive Board of Brooklyn College's Student Council, on a meeting Thursday attended by more than 100 students, unanimously passed a resolution disapproving of Dean of Students Herbert H. Strong's action in censoring the college newspaper Kingsman.

The demonstration was sparked by a group whose slogan is "passive massive action." They are not affiliated with the Kingsman newspaper.

Syllabic Students

In addition, the group is asking sympathetic students to wear black ties throughout the week as a means of expressing disagreement with the administration's actions.

The National Student Association has sent a three-man investigating board to the Brooklyn College campus, marking the first time that the group has reacted to such a measure. The board plans to review press-administration relations at the campus for the past ten years.

The board will submit a report to the new NSA Congress.

The STATE

Dear Mr. Smith,

I am writing to express my support for the charter school initiative in our community. As a parent of two children attending public schools, I believe that charter schools offer an opportunity for innovation and improvement in education.

Sincerely,

City Defeats NYU, 1-0 To Break Losing Skid

By Marty Perl

City College pulled one of the biggest upsets of the season Saturday, by defeating New York University, 1-0, at Ohio Field.

An unmanned run scored by Frank Costa in the seventh inning was enough of a lead for City in its first game of the season.

Steinfeld struck out seven and walked one, and was the winning pitcher.

The victory halted a fifteen game losing streak, which was broken only by an intuitive against the same Violet squad. That game, a 4-3 tie, came at the end of eleven innings because of darkness, was played April 19, almost a month ago. That was the closest John LaPlace's squad had come to the city before today. Costa opened the seventh with a walk, off losing pitcher Miller. He stole second. He then attempted to steal third and on NYU catcher Ron Costi's overthrow came all the way around to score the most important run of the year.

City's Pete Magnani led the Mitterers with three of the Beavers five safeties.

Steinfeld is a sophomore and is a great hope for City baseball in the coming year.

The win moved City into a tie for seventh place with Brooklyn College. The two will meet Thursday at McComb Park.

The loss was NYU's fifth in the Metropolitan Conference and dropped them into a tie for third place with Fordham for fourth place.

In the preceding game, Thursday, the Beaver's defeat were: Pete Magnani led the Mitterers with three hits on the city side, while Mike LaPlace was the losing pitcher.

Jim Delgado led the team to its finish by winning the half-mile event at 1:36.2 time. His win was good for five points toward the Beaver total of eight. City scored its other three points by taking a third-place finish in the one-mile relay race.

Joel Sainaul, Richy Lewis, Bar-

churian Is Real Kudich and Delgado combined for a 1:30 showing in this event.

Do You Think for Yourself?

(TAKE A CRACK AT THESE QUESTIONS AND SEE IF YOU CONNECT)

1. "Time heals all wounds" is a statement (A) derived by anthropologists; (B) as true as "Time won't kill all weeds", (C) that means your mind can build its own scur tissue.

2. In traffic, when a driver behind you blows his horn, do you (A) ignore him, (B) do what your instinct tells you, (C) hope it'll settle his nerves?

3. When a pal bends your ear about why his favorite cigarette is best, do you listen most to (A) his musings, (B) what you read in the papers, (C) his comments that both really, really good filters and tobacco taste are important?

4. Before you buy your next pack of cigarettes, take a moment to think about what you really want. Most men and women who think for themselves have studied the facts about filters and have chosen Viceroy, the one cigarette with a thinking man's filter and a smoking man's taste.

If you checked (B) in three out of four of these questions, you did exactly think—but if you checked (C), you think for yourself!
