University Set-Up Proposed For City Colleges by Board

A report by a Board of Higher Education committee to Look to the Future, headed by Mrs. Mary S. Ingraham, has proposed the reorganization of the municipal colleges into a City University. The proposed set-up would give New York the largest university under single auspices in the country.

President Buell G. Gallagher, commenting on the report at his press conference yesterday, stated: "It is logical, sensible and desirable. It provides an effective answer to the problem of the University and the increased interest in public higher education."

Dr. Gallagher also noted that the autonomy and integrity of the seven colleges would remain intact, and this would not be under the proposals of the said report.

The existence of the BUC's proposal is that it is the establishment of a university system, involves substantial structural changes in the present system, and involves a number of points for strengthening the system in accord with the university planed President Gallagher.

"With a graduate program, the college would be able to recover the former student debt and imply a CORE Leader to Keynote Human Relations Seminar

James Farmer, the National Program Director of the National Association for the Advancement of Colored People and one of the founders of the Congress on Racial Equality, will present the keynote address at the Student Center.

In the keynote address, Mr. Farmer will analyze the study of human relations and explore the role of the college as a force in democratic living.

The seminar, the first of its kind at the school, is being sponsored by the National Student Association Committee of Student Council. The program will continue with discrimination practices in the North, and will explore both college and community practices.

Problem areas which are stated for discussion include housing, employment, college admissions, and discriminatory policies of institutions.

Other speakers at the seminar will include Mr. John R. Lewis, Director of Housing for SCAAD; Mr. Roger Shaw of the National Conference of Christians and Jews; and Mr. R. B. Miller, Director of the New York Urban League.

Representatives from the Department of Labor and the Conference on Racial Equality and the American Jewish Committee will also speak.

Additional problems to be considered at the seminar include the role of the administration and the role of the religious institutions in human relations.

There will be a final summary of the part which students can play in developing an effective human relations program.

The seminar, to be held in the Oak and Marble Lounges of the Student Center, will begin promptly at 12:15 and students must be present at this time in order to gain admittance.

Under the proposed set-up, the university would provide strong graduate programs and grant the degree of doctor of philosophy, with graduate programs to be expanded.

There would be a "University City University" with full-time students to be continued according to the plan, but "regular" graduate tuition charges would be assessed.

Dr. Don C. Rosenberg, chairman of the HUC, said that he was in favor of the proposal (Continued on Page 2)

The Lost Horizon

By Bob Brooks

"Two, four, six, eight, ten, twelve, fourteen, sixteen, eighteen, twenty-one, twenty-four,..." These are the numbers that were sung by the Choral Union on the opening number of the 8th IFC Ball. The Choral Union, under the direction of Mr. W. H. Johnson, conducted the proceedings of the evening with great enthusiasm and precision. The audience was captivated by the musical performance, which included a variety of popular songs and classical favorites.

In addition to the musical aspects of the evening, the 8th IFC Ball was also characterized by a lively atmosphere and a spirit of camaraderie among the attendees. The event was hosted by the Alpha Kappa Psi fraternity, who were joined by members of other fraternities and sororities to create a sense of unity and brotherhood.

The Lost Horizon was a fitting title for the evening, as it reflected the sense of adventure and exploration that characterized the 8th IFC Ball. The event was a testament to the strong sense of community and the vibrant spirit of the student body. The night ended with a sense of satisfaction and a feeling of accomplishment, as the attendees were able to come together and enjoy a memorable evening of music, fun, and fellowship.

School-Wide Elections

The election results for the 8th IFC Ball are as follows:
- President: 20 votes
- Vice President: 20 votes
- Treasurer: 20 votes
- Secretary: 20 votes
- Academic Advisor: 20 votes
- Social Advisor: 20 votes
- Athletics Advisor: 20 votes
- Finance Advisor: 20 votes
- Recruitment Advisor: 20 votes

The election was conducted under the supervision of the Student Government Association, and the results were announced at the end of the evening. The new officers will take office on the first day of the fall semester, and they will serve for the duration of the academic year.

Polanskv's Beavers dropped their fifth straight game this season last night, losing to Long Island University 73-59 at Wingate Gym. The victory was LIU's fourth in a row.

With Tor Nilsen hitting five of his first six shots, the Beavers took an early five point lead and looked as if they might upset the Blackbirds.

The Beavers worked the ball smoothly until they had the opportunity of getting a good shot. Criticized just recently for having no shooters, the Beavers shot an extraordinary 85 per cent for the first fourteen minutes of the first half.

"It's LUT" depth began to tell.

Art Vain, Neil Schneider and Alan Hernandez dominated the offensive backcourt.

Vain made ten trips to the foul line in the first half and hit nineteen of thirty-three attempts.

In the second half, the Lavener five cut a thirteen point LIU lead to six, 43-37 and Nilsen hit with eight points.

Hernandez found the lead to six, 43-37 and Nilsen hit with eight points.

Coach Dave Polansky

for City, scored thirty points, hitting on thirteen of his thirty-three attempts.

Mike Winston, although scoring only four points, turned in a splendid performance for the Lavender cause.
