Student Council Passes SA Referendum Move

Student Council, by a vote of 17-4-1, passed a motion to hold a student referendum during the school-wide meeting, concerning the Baruch School's affiliation with the National Student Association.

Arnold Schreiber, president of the Student Council, stated that the outcome of the referendum will be binding on future councils. Some representatives had been clear on this point.

The first part of the referendum text asks that the Baruch School continue its membership in the N.S.A. at least through the school year 1961-62. The second part of the referendum text asks that the Baruch School be invited to join the N.S.A. if a majority of the students want N.S.A., they would vote for it.

The opponents of the referendum stated that the referendum was not binding and that it was necessary since the Baruch School would receive $200 a year in the form of any school or institution's financial assistance. The referendum was passed by a vote of 12-9-1.

The opponents of the referendum argued that the student body favored the affiliation with the National Student Association. They also noted that some Baruchians may be in favor of an affiliation with N.S.A., but against allocating funds for representation at the summer convention.

The opponents contended that if the students want N.S.A. they must be willing to pay for it. They argued that if the student body favored an association with the national group, but voted subsidizing it, it would, in effect, ruin the affiliation.

State Senate Passes Bill for City University

The city colleges moved closer to university status last Monday night when the State Senate unanimously approved half of the two Zaretzki-Brook bills. The second part of the bill is now in the Assembly.

However, the legislation makes no change in the present tuition-free policy of the colleges. Introduced by Senator Joseph Zaretzki, minority leader of the Senate and Assemblyman John H. Brook, the bills are designed to clear the way for expansion of the present curriculum to include graduate work towards doctor degrees. The municipal colleges may now award doctor degrees above the master's.

William Herberg, a New York College for Teachers, said, "If the question of free undergraduate tuition comes under great debate, we will tackle it from the way it is now.

The City and the University of New York City have decided to merge the City College of the City University of New York. The merger will take place on July 1, 1961, and the new institution will be called the City University of New York.

The merger was announced by the Board of Education and the Board of Trustees of the City College. The merger will result in a larger and more comprehensive educational institution.

The City College of New York was founded in 1847 and is one of the oldest public colleges in the United States. The University of New York City was founded in 1867 and is one of the largest public universities in the world.

The merger will result in a larger and more comprehensive educational institution. The City College of New York will become a part of the City University of New York, and the University of New York City will become a part of the City University of New York.

Grotto to Discuss Eichmann At First Hillel Forum Talk

Dr. Alexander Groth of the Government Department will initiate Hillel's Spring Forum Series Thursday at 12:15, at the Hillel quarters, 144 E. 24 Street. The topic of discussion will be Adolf Eichmann, the Nazi commander now awaiting trial in Israel for crimes against humanity.

Dr. Groth, born in Warsaw, Poland, in 1932, was a survivor of the Auschwitz Ghetto. He and his mother later escaped from a prison train bound for Auschwitz. After going to school in the United States, he entered the City College.

While in C.C.N.Y., he was elected to Phi Beta Kappa and was graduated magna cum laude with a B.A. In addition, he holds both a masters and a doctorate in Government from Columbia University.

Dr. Groth began teaching at the City College in 1959, at which time he contributed to THE TIKKUN Literary Supplement in an article entitled, "The Crisis in Our Foreign Policy."

"William Herberg will speak at the second Hillel Forum in March 9. He has chosen "Existentialism in a Jewish Perspective" as the book for the forum. He will be ready to be put into operation.

If the Assembly also passes the bill, it will give New York City the right to give P.D.S. The bill, which was introduced by Senator John H. Hughes, a Republican, would provide for undergraduate education in the City University system through "no other channels."

The President also said that he saw "no possibility of this legislation imposing a tuition charge on the municipal colleges."
Government Rockdale.

The Board of Regents Education should have a step around the issue. It did not see a worst problem that higher education in the State of New York is not being provided. The tuition problem is not one to be ignored and requires immediate action.

The issue is that New York is not the only state that has a severe problem with higher education. Many students are in desperate need of funds to attend college. It is critical that we address this issue and find solutions to ensure that everyone has access to quality education. I urge the Board of Regents to take swift action to address this pressing matter.
Beavers Split Two Games; To Play Hunter and Rider

By Lew Lipset

City College's basketball team split two Tri-State League games this week, beating Bridgeport, 74-47, Wednesday and losing to league-leading Fairfield, 76-47, Saturday.

The Beavers will play Marine Academy tomorrow night and playing host to Rider Saturday.

The victory over Bridgeport brought prominence to a new Beaver playmaker — Baruchian Mike Winston. Winston's 15-point performance was of only secondary importance to his playmaking, which set up many scores and his ball-handling, which protected the Beavers for the second consecutive year.

The game was little contested as the Beavers had trouble finding their shooting eyes. Fairfield led at the half, 37-22 as Winston was the only Beaver hitting the mark. He had 11 points at the half.

Fairfield came into the game with an 8-2 league record and had already clinched the league title for the second consecutive year.

The game is little contested as the Beavers had trouble finding their shooting eyes. Fairfield led at the half, 37-22 as Winston was the only Beaver hitting the mark. He had 11 points at the half.

Leading only 37-36 at the half, the Beavers exploded in the second half to steadily move away from their opponents.

Tor Nilson hit 19 points to lead the Beavers and was followed by Shelly Baskin with 17, Winston with 15, and Irving Cohen with 14.

Also impressive was sophomore Bob Hutter who tallied ten points, earning himself a starting position in the Fairfield game.

Don Sidat who tallied ten points, earning himself a starting position in the Fairfield game.

Winston was top man for City with 17 points, his career high.

Nilsen followed him with 11.

Hunter Game

Hunter will pose one main problem for City which will be stopping 6-4 Charlie Rosen. Rosen is one of the Tri-State League's top scorers and recently scored 43 points. He is averaging about 25 points per game.

Rider, who recently upset highly rated American University, is led by Bill Gramlich, a member of the All-League team. Rider has a 2-2 league record and is tied for fourth place with City.

City's Junior Varsity also split two games, losing to the C.W. Post, 73-59 and trouncing Queens, 79-55.

High scorers were Baruchian Rudy Einsohn in the Post game with 19 points and Eddie Gurn in the Queens game with 19 and 22 points respectively.

Kings Point Beats City

In Dual-Swim Contests

The Beaver swimmers topped four first places they lost to Kings Point, 51-44, Friday in the victory's pool.

The loss was City's second of the season against six wins.

The United States Merchant Marine Academy is now 3-2.

Bob Hutter led Fairfield scorers in the 400-yard freestyle, Mike Bologovsky, Ralph Cohen, Carl Ross and Wohlleber were the winning swimmers in this event.

The fencers visit Harvard, West was City College's "A" late of the Year" in 1960. The prize is presented annually by the class of 1913.

The mermen will host power New York University, Wednesday February 22. Last year the YU won the meet, 60-24.

A visit to Lafayette will end the season, Saturday, February 26.

If I were in my right mind...

I'd buy my text books at Barnes & Noble

Nearly everybody else does!

> SAVE MONEY—at New York's largest educational bookstore. New and used textbook bargains!

> SAVE TIME—fast, efficient service given by a large sales staff.

> TURN A PROFIT on your discarded textbooks. Top cash paid for books you sell—even those discontinued at your college. Barnes & Noble will buy books still in use somewhere!
