BHE To Campaign For Mandate

Student Council's fight for restoration of the mandatory free tuition clause to state law for the City University is beginning to materialize.

"Student Council is going to attempt to contact each local Parent-Teacher's Association," declared Ronald Novita, chairman of the Free Tuition Committee. "In addition, we plan to go to the assemblies of the four high schools in our district and have them explain the fight. We will take letters with us and ask them to keep up the pressure on the governor and/or the legislature protesting the revocation of the free tuition mandate at the City University."

Dr. Gustave G. Rosenberg, chairman of the Board of Higher Education, emphasized in a press release that "the Board of Higher Education stands solidly for the principle of free tuition for undergraduate baccalaureate matriculants in the senior colleges of the City University."

"In a short time, the City's tradition of free tuition will have been maintained for 116 years," Dr. Rosenberg continued. "State law was changed in 1961 to give the board permission to charge or not charge tuition, thus taking away the mandate. We will make every effort to get the reversal of the legislation to remain the mandate."

At Uptown City College a student group has already voted to make a campaign for free tuition for the City University. The trip will be preceded by a rally February 21, in Townsend Harris auditorium. Mayor Robert F. Wagner head quartered a list of notables invited to address the rally. Business declaring 'no tuition' will be sold at a reduced price of ten cents a unit and free stationery to be used in an all important letter-writing project will be distributed by Uptown Student Leaders. (Continued on Page 9)

Saxe Discusses Various Issues

Expansion of SAT Seen as Possibility

Dean Emanuel Saxe, in an interview with THE TICKER, discussed faculty disposition of the College Board's recent decision to extend the Scholastic Aptitude Test. He supported the decision and expressed his belief that it would benefit students.

"The college has already decided that the SAT will be given to all students," he stated. "This is a step in the right direction, but it does not mean that we will stop giving the special examination to students who need it."

Dean Eberhardt Retires Ending Years of Devoted Service

Dean Charles J. Eberhardt announced Friday he will be terminal leave from the College, effective in June. Dean Eberhardt has served the College for thirty-two years of service.

Dean Emanuel Saxe

Dean Eberhardt has no immediate plans for his retirement years. He expects to pursue his own inclinations with "an invaluable asset," he dean stated.

Opinions Offered

Ronnie Ward and Ira Yellin in the wake of Governor Rockefeller's request for tuition at the State University, he is dubious over whether he will be, or should be, at the UPTOWN City University. Looking at the first meeting of Student Council this semester, Dean Emanuel Saxe declared "the outcome will be far reaching."

He indicated that tuition and the scholar incentive plan, which could pay possible tuition, will be needed for fees, books, and living expenses. Numerous faculty members and students were influenced by the proposal to augment the program at the particular college campus.

Professor Bernard Bellush declared that the state action will fortunately make it much more difficult to maintain free tuition. The professor further noted that the faculty feared a student protest that he would do nothing to change the State's capacity to maintain its freedom of choice in regard to tuition.

Robert Dickson, sub-chairman of the English Department, noted that Eberhardt Retires Ending Years of Devoted Service

Reduced Rate Tickets Offered to Baruchians

By Barbara Schwartz

The registration of the Student Theatre Ticket Agency, sponsored by the New York Beth Din and Student Life, was announced by Jeffrey Barash. The purpose of the agency, according to Mr. Barash, is to provide students with a variety of shows for a reduced price. The agency will operate from February 14 to March 31.

The agency will offer tickets to a variety of shows, including Broadway plays, Off-Broadway productions, and college productions. The tickets will be sold at a reduced price of $10 for students, with a maximum of four tickets per person per day.

The agency will be open Monday through Thursday from 12:30 to 5:00 p.m. and 7:30 to 9:30 p.m., and Friday from 12:30 to 4:30 p.m. The agency will be located in the Student Center, Room 107.

AEPi Seeks Co-ed

By Robert Pitter '80

The president of the AEPi fraternity, Robert Pitter '80, announced that the fraternity will be seeking co-ed members. The decision was made by the fraternity's executive board at a recent meeting.

The fraternity's goal is to increase the diversity of its membership and to promote a more inclusive environment. The decision is being welcomed by many students, who see it as a step towards greater inclusivity on campus.

The fraternity will be holding an open house on February 25 to introduce interested students to its activities and programs.

Community Rally Sets Battle Against Tuition

More than two hundred representatives of labor unions, community groups, and students met at Yeshiva University's Schechter Auditorium yesterday afternoon to discuss the issue of high tuition.

The rally was organized by the Yeshiva University Student Council and the United World College Union of North America. The main speakers were Thomas Sennott, the president of the Student Council, and Rabbi Eliezer Rosenzweig, the director of the Jewish Studies Program at Yeshiva University.

The rally was attended by representatives of organizations including the American Federation of Teachers, the United Federation of Teachers, and the American Federation of State, County, and Municipal Employees.

The speakers called on President Gerardus Smith to decrease tuition and to make higher education accessible to all students.

Employment

The Placement Office is currently conducting a survey of students who are interested in finding employment. The survey is being conducted to determine the job market and to help students find suitable employment.

The survey is being conducted through an online questionnaire, which can be accessed through the Placement Office's website. Students are encouraged to complete the questionnaire as soon as possible.

Approval of Cotrell Report Begun by Student Council

By Richard Glatt

The Student Council has begun the process of approving the Cotrell Report, which was submitted to the Student Council by President Emeritus Dr. George Cotrell.

The report recommends changes to the college's curriculum and governance, including the creation of a new board of trustees and the establishment of a new budgeting system.

The Student Council has organized a series of meetings to discuss the report and to determine its course of action.

Approval of the Cotrell Report will be considered at the next Student Council meeting.
The Club Program

The Club Program at the School takes on many varied and extensive activities. The following is a sampling of some of these activities.

The Psychology Society

The Psychology Society gives the student an opportunity to learn and to apply what he will either upon graduation, find himself engaged in business or related work. The group raises issues that are of interest to the student and to the psychology students. An addition to the activities of the society is the publication of a psychology magazine, possibly not only the Accounting Club's.

The Club Program through increased cooperative efforts this semester

Final Departmental Elective Courses

Eligible courses for the Fall '63 and Spring '64 will be offered by the History, English, and Political Science Departments:

- History: Third Rome, the third Moscow, the third Rome (Western History, 3 hrs., Spring)
- English: Kings and Rulers of the Middle Ages, 3 hrs., Fall; American Literature from 1890 to present, 3 hrs., Fall
- Political Science: Political Institutions and Process, 3 hrs., Fall

Another Quick Laugh

Two paintings also on exhibit of Rhodesia.; Osagie Osifo, Nigeria; and A. C. J. D. Luvwezo. Luvwezo has been "recognized for his contribution to the field of arts." He was active in an article for Harper's Magazine.

The performer has been active in the Congo since 1890.

Exhibition of African Artists

A.J.D. Luvwezo exhibition will be Negro comedian Dick Gregory. The show will be Negro comedian Dick Gregory. The performer has been active in the Congo since 1890.

The performer has been active in the Congo since 1890.

Gallagher Discusses Danger to Freedom

By Stan, Small-

"The greatest danger to liberty is academic freedom," said Dr. Paul G. Gallagher, president of the University, in an interview with Richard Feldman.

Gallagher discussed the problem of academic freedom, the need for cooperation among organizations, and the need for a national network of support for academic freedom. He also discussed the importance of understanding the concept of academic freedom.

The purpose of the anniversary celebration is to highlight the achievements of the University and to encourage the organization's work in the field of academic freedom.

Pockets for Library

The Baruch School Library, which has been in operation since 1950, has received a new collection of books for its library. The collection includes a variety of subjects such as history, politics, and economics.

The library is located in the Student Center at the University of Chicago and is open to the public. The library is open from 9:00 a.m. to 5:00 p.m., Monday through Friday.

Fees at State Colleges Locked in

By Richard L. Fein

The fee bill currently under consideration in the state legislature, which would lock in fees at state colleges, is strongly opposed by educators, students, and the financial community.

The measure would eliminate the practice of raising fees to cover rising educational costs, and would instead require tuition rates to be set based on a formula linked to the state's per capita income.

"This is a disastrous proposal," said Professor John Smith, head of the economics department at the University of Illinois. "It will only serve to increase the burden on taxpayers and reduce the quality of education at our state universities."

"We need flexibility in our budgeting process," said Student Body President Jane Doe, "to accommodate unexpected increases in costs such as rising salaries for faculty and staff."
Men of C.C.N.Y.,

NYC Five Fights Off Rally To Upset Roughriders, 72-71

Special to The Ticker

City College's basketball team fought off a late rally to upset Rider, 72-71, last night in a Tri-State League contest at Wingate Hall. The Roughriders were tied for the league lead before the start of the game.

Julie Levine, a reserve guard, scoring the team's first field goal by hitting two free throws with thirty-eight seconds remaining to give the Beavers their seventh victory in fourteen starts. The team is 4-3 in conference play.

Levine's shots put C.C.N.Y. in front 72-71. Rider scored its last two points in the final eight seconds.

The Beavers led at halftime, 45-33. It was the team's finest period of the season as they hit twenty-two of thirty-six shots from the floor.

In the second half, however, the Roughriders fought back two times, but Levine's foul shots insured the victory to keep their hopes alive.

Wrestlers Overcome FDU To Even Season's Ledger

By Steve Rosenblatt

The C.C.N.Y. wrestling team overcame an 8-0 deficit to defeat Fairleigh Dickinson University, 17-13, Saturday at Teaneck, New Jersey. The victory made the Beavers' record 3-3.

After the matmen dropped the first two matches, they came back to win the next five in a row before losing in the heavyweight division. Co-captain Harvey Taylor won points in the 157.5-pound category, defeating Kurt Rudolph, last year's metropolitan champion.

Other Beaver winners were: Fred Greenberg, Tom Smith, Steve Polansky, Don Sadat, and Jerry Greenberg combined for six consecutive points to put the game seemingly out of reach.

With 1:55 left, City was on top 50-63. The Roughriders fought back twice, but Levine's foul shots insured the victory.

Fairfield Triumphs In Loop Contest

By Jeff Palca

The City College basketball team had its easiest game of the season Saturday as it defeated Fairleigh Dickinson, 90-76, in a Tri-State League game before a standing room only crowd at the Hawk's gym. The victory was the first over the Hawks in four years and gave the Beavers the conference record against Hunter.

Earlier in the week, the Beavers put up a tough fight before losing to talentied Fairfield, 71-69, in Connecticut. This was also a league tilt.

The win over Hunter gave City the "mythical" Municipal College Championship, since the Lavender had already defeated Brooklyn and Queens.

C.C.N.Y. raced into the lead first, led by fifteen points coming after Johnny Wyles field goal with 289 out of a possible 3d points by Alex Blatt, Steve Golden, and Jerry Greenberg. The lead increased steadily as Greenberg, Johnny Wyles, and Don Sadat scored on jump shots from beyond the foul line against a zone defense.

Hunter was unable toOffset this surge. Hawk star Jan Barnes, who

Three Men Score In Double Figures

came into the game leading the league in scoring with a twenty-three point average, committed three quick personal fouls, and had to leave the game at the seven minute mark. Excellent guarding by Blatt held him scoreless through the first half.

City led at the half, 32-14, and proved shooting night by the Beavers-broke the double-figure mark. Three men controlled the boards, as evidenced by his eleven rebounds.

With three regulars on the bench for City at the start of the second half, Hunter narrowed the gap. Barnes and Bowle Schwell led a surge that chopped the lead to 34-25. Greenberg and Wyles went back into the game, and Jerry's jumper and two baskets by Blatt finished Hunter. A 12-2 tear gave the Lavender a 46-27 advantage, and permitted Coach Dave Polansky to put in the reserves.

J.V. Hoopsters Split Two Encounters

Ken Troll pumped in thirty-two points, but City College's junior varsity basketball team dropped a 78-66 decision to the Columbia Freshmen Monday in Hanson Hall. The Beavers now have a 4-3 record.

The Beavers gained their fourth win of the season February 8 by defeating the New York Community College J.V., 70-63, in double overtime.

In the Columbia tilt the Lions opened up a 1-4 lead early in the first period. City came back to tie ahead 23-26. Troll, however, led a comeback which cut the lead to 28-29 at intermission. He tallied sixteen points in the period.

At the start of the second period, Columbia widened its lead to 40-31 and increased its margin to eighteen points midway in the half. Troll led all scorers with thirty-two points, making fifteen of twenty-four shots from the field.

Frank Palca paced the Beavers with 289 out of a possible 30. Fred Grospin followed him with 286. Jerry Wyles and Bob Wyles combined for 287.

In the encounter Friday at Lewisohn Stadium, the nimrod easily outclassed his opponents by tallying 14-9 points. Co-captain Greenberg captured 12-8, and Brooklyn Poly collected 1-6. Grospin and John Rowell tied the team by hitting 289 each. Alabaster followed them with 286. Wyles tailed 281 and Uretsky scored 279.

The sharpshooters continued a Friday by hosting St. Peter's and Pace. C.C.N.Y.; then has a series against St. John March 1.

He'll Be Ready

Ira Smolav, an eighteen point per game man for Brooklyn College's basketball team, will be eligible to play for the Collegiate next season. He recently transferred to City's engineering school. Smolav has indicated that he will play for the varsity next season.
