SC Awards Insignia

Robert Brooks Captures Highest Honors

Five seniors were granted Insignia awards for excellence in the co-curricular field by Student Council Friday. They are Robert Brooks, highest honors; Dr. Gustave G. Rosenberg, high honors; and Michael Kreitzer, honors.

Marilyn Kiehl, a past editor-in-chief of THE TICKER, arranged their presentation.

Robert Brooks, a former editor-in-chief of THE TICKER and president of Student Council, now is a coordinator at large for the University Press

Finance Committee of the Student Council, serves as a coordinator at large for the University Press.

The following are the recipients of the Insignia awards:

Entrance Standards Increased at College

Associate Registrar Agnes Mulligan confirmed yesterday that admission requirements will be raised next semester.

The present requirement of a 162 composite score, if a student does not present an eighty-five average, will be increased to 165.

At the Uptown Center, the composite admission requirement will be raised to 178 from 174.

Miss Mulligan explained that the new score was necessary because "the city colleges were hit with more applicants than last semester."

She estimated that the one-point increase would disqualify approximately seventy-five students from admittance.

SC Elections Set Tomorrow From 9-3 In Cafeteria, Center

By Jay Haberman

Student Council elections will be held tomorrow from 9-3 in the tenth floor cafeteria and the lobby of the Student Center. Voting on the club break referendum will take place simultaneously and will be held over until Thursday.

Robert Pifer, chairman of the Boat Ride Committee, announced Robert Pifer, chairman of the Boat Ride Committee.

The following subway routes are available:

1. I.R.T. Lexington Avenue to Bowling Green
2. I.R.T. Seventh Avenue to South Ferry
3. Fourth Avenue B.M.T. local to Whitall Street

Tickets will be on sale today through Friday in the Student Center lobby from 10-3 and from student salesmen at $3.00 per ticket. A limited number will be available at the price of $3.00 per ticket. No tickets are refundable.

The boat will be supplied with continuous music from a disc jockey on both trips. No alcoholic beverage is permitted on board.

Two baseball fields and one volleyball area will be available to groups which apply for them. The steamer will leave Bear Mountain at 5:30 sharp and arrive at Battery Park at approximately 8:30.

Convocation Speaker Supported

President Boell G. Gallagher, answering the objections presented in the "TICKER" last week, "whole post to the Charter Day speaker, Dr. Jaime Benitez, Chancellor of the University of Puerto Rico, said, "I can think of no idea which would undermine academic freedom more."

"To follow the suggestions of "O.P.," the president said, "would mean that the only people who would be able to speak would be those whose whole point of view were congenial to the president of the College."

In reference to the case of Melvin Lesser, Dr. Gallagher remarked that the "results of this appeal are welcome to all of us at the City College and the City University."

"It is the right decision in the light of present circumstances."

Mr. Lessner is a student with an average of 174. He is the only student at the City College who is in the un­versity. He has been a coordinator at large for the University Press.

It is the right decision as far as I am concerned. Any other decision would be a violation of the fair procedure, we try to maintain.

Dr. Gallagher stated that "history is likely to be added to the City College in the fall."

To follow the suggestions of "O.P.," the president said, "would mean that the only people who would be able to speak would be those whose whole point of view were congenial to the president of the College."

Liberal Arts Vs. Business: The Faculty Views Education

By Larry Crandall

At this time in the semester, when we ask ourselves what are the major reasons we undertake education, I think that we can be sure of one thing. It will not be measured by the amount of money we make in the end. The money we make will be measured instead by our ability to make ends meet. But this does not mean that we should not be interested in the amount of money we make. There is a difference between money and earnings. Money is the means by which we earn our living. Earnings, on the other hand, are the results of our efforts. It is not the amount of money we make that is important, but the amount of earnings we make. It is not the amount of money we make that is important, but the amount of earnings we make. It is not the amount of money we make that is important, but the amount of earnings we make. It is not the amount of money we make that is important, but the amount of earnings we make. It is not the amount of money we make that is important, but the amount of earnings we make.
Robert Horn

I am running for a position on the student council. As the second year class president, I have served on the student council for the past two years. I have had the opportunity to work with a variety of student organizations and have gained valuable experience in working with students. I am particularly interested in the Student Council and its role in representing the student body. I believe that the council has the potential to be a powerful force for positive change on campus. My goal is to work with the Student Council to achieve this vision. I hope to be the council secretary.

Ronald Novita

I have served on the Student Council for the past three years. I have had the opportunity to work with a variety of student organizations and have gained valuable experience in working with students. I am particularly interested in the Student Council and its role in representing the student body. I believe that the council has the potential to be a powerful force for positive change on campus. My goal is to work with the Student Council to achieve this vision. I hope to be the council secretary.

Lawrence M. Groll

The first function is obvious; the second, and the more important function of the treasurer. This is a dual role, and it is important to be able to handle both aspects of the position. The treasurer is a key figure in the student council, and it is important to be able to work with other members of the council to ensure that the council is functioning effectively. I believe that I am the right person to fill this position.

The other candidates and I will work hard to make sure that the student council is functioning effectively. I will be available to meet with other students and work with them to make sure that the council is functioning as it should.

**Reasons...**

1. Students should have the right to vote on important issues affecting their lives.
2. Voting in student elections is a way for students to have a say in their school.
3. Voting is an important civic duty that helps to ensure that the government is representative of the people.
4. Voting is a way for students to express their opinions and have a voice in the decision-making process.
5. Voting is a way for students to hold officials accountable and ensure that they are doing their job.

**Bammgarten...**

1. Bammgarten is an important part of the student body.
2. Bammgarten provides a place for students to socialize and relax.
3. Bammgarten is a popular location for student events and activities.
4. Bammgarten is a symbol of the student body's commitment to socializing and building community.
5. Bammgarten is a space for students to express their identities and connect with others.

**Eagle...**

1. Eagle is a symbol of the student body's spirit and pride.
2. Eagle is a representation of the student body's unity and strength.
3. Eagle is a symbol of the student body's commitment to excellence and achievement.
4. Eagle is a way for students to express their love and support for their school.
5. Eagle is a symbol of the student body's determination to overcome obstacles and succeed.

**Decision Making Cited...**

1. The decision-making process involves considering all relevant factors and making a choice based on those factors.
2. The decision-making process should be transparent and inclusive.
3. The decision-making process should be based on facts and data.
4. The decision-making process should be fair and just.
5. The decision-making process should be participatory and involve all stakeholders.

**Letters to the Editor...**

1. Letters to the Editor provide an opportunity for students to express their opinions and engage in constructive dialogue.
2. Letters to the Editor should be respectful and文明.
3. Letters to the Editor should be relevant to the issues at hand.
4. Letters to the Editor should be timely and relevant.
5. Letters to the Editor should be well-written and logically argued.

**Student Council Presents...**

1. Student Council Presents provides a platform for student organizations to showcase their talents and achievements.
2. Student Council Presents is an opportunity for students to come together and celebrate their accomplishments.
3. Student Council Presents is a way for students to support each other and build community.
4. Student Council Presents is a way for students to express their love and support for their school.
5. Student Council Presents is a symbol of the student body's commitment to excellence and achievement.
Beaver Diamondmen Divide
Doubleheader with Jaspers

The four hit pitching of Howie Friedman and the timely hitting of Marty Antonelli and Bart Frazzitta enabled the City College baseball team to trounce Manhattan, 7-2, in the first game of a Metropolitan Conference twin bill Saturday at Van Cortlandt Park. Manhattan edged the Beavers, 4-3, in the second contest.

The split left the Beavers in seventh place, but only 1½ games out of the first division with four games remaining.

City now has a .550 winning percentage and a 7-8 overall record. This is the best the LaVender has done since 1955 when the team had a .577 conference, and a .510 season mark. The last time C.C.N.Y. defeated the Jaspers was in 1955 by a 5-2 score.

Frazzitta (8-1) shut out the Jaspers after they scored twice in the first inning of the opener. He retired fourteen in a row until Jim McElroney beat out a single in the sixth. Howie had it in the clutch, strand- ing nine when Manhattan threatened in the fourth and fifth innings.

Antonelli’s three run inside-the-park homer highlighted the Beavers’ lead in the seventh inning. The Beavers and Jaspers were tied 0-0, and Howie hit a 350-foot home run to give the Beavers a 1-0 lead.

In a non-league game Wednesday, City lost to Army, 8-7.

Masters Stars For Cit
As Harriers Retain Title

By Stu Kaplan

Paced by sprinter Owen Masters, the C.C.N.Y. track and field team captured its fourth consecutive title in Municipal College Championships Friday at Lewisohn Stadium.

The Beavers finished far ahead of the field by amassing 241 points. Queens placed second with thirty-nine, followed by Brooklyn and Hunter with twenty-five and eighteen, respectively.

Masters, a junior, shattered two meet records as he coped the 220-yard sprint in 22.1 and the quarter mile run in 48.8.

In the field contests both Hoeftizer and Paul Bronstein turned in fine performances. Hoeftizer scored an impressive victory; the hammer throw while Bronstein was the meet’s high scorer.

Coming up for the trackmen be the C.T.C championships (Legiate Track Conference) at Saturday at Adelphi.
