Students Brave the Elements To Preserve Free Tuition

Braving sub-freezing weather on a blustery Lincoln’s Birthday, some 300 students from City and Hunter Colleges canvassed the district of Assemblyman Paul Curran (Rep., Man.) for the free tuition cause.

The students, armed with leaflets and “Our Position No Tuition” buttons, left the Baruch School auditorium at noon and dispersed through Mr. Curran’s district that he voted against the discharge motion last March. The assemblyman is up for re-election in November.

The discharge motion was an unsuccessful attempt to pry the free tuition mandate bill loose from the Ways and Means Committee, headed by assemblyman Fred Preller (Rep., Queens). Several representatives of the mass media covered the day’s activities. The Columbia Broadcasting System (CBS) and the American Broadcasting Company (ABC) cameramen recorded the enthusiastic response of the students to Robert Rosenberg, a City College student, stated that this demonstration was “our opening volley in a determined campaign on the part of students against those legislators who voted against free tuition.”

The students were also addressed by Jeffrey Levitt ’64, Downtown College student body president, and Danny Katch, vice president of the Uptown Centre. Levitt said that the gathering of students in the auditorium was “a partial victory. We can demonstrate to these ‘forces’—if they are—what aroused ‘plain old college students’ can do.”

Free Tuition Drive Set For Saturday in Queens

Hot off the successful free tuition campaign conducted against Assemblyman Paul Curran (Rep., Man.) City University students have planned an all-out drive against Assemblymen Fred Preller and Anthony P. Savarese. The drive will take place on Saturday.

The City College students are scheduled to meet at a free tuition rally at the Finley Student Center (Up-town) at 11. After remarks, canvassing the plans for the free tuition drive, the students will be bused to Queens College where they will take part in a mass at the Student Center Memorial Center. At 12:30 the proceedings there will be similar to those held at the School on Lincoln’s birthday. At that time there was extensive coverage by press and television.

After the rally the students will be split up into groups to canvass Preller’s and Savarese’s districts. The faculty will then be distributed free tuition leaflets. The Flyers will also be given the returns of the assemblyman’s stand against free tuition.

Preller, who is an assemblyman from the Ninth A.D., which encompasses Queens Village, Hollis, and St. Albans, represents one of the major hurdles facing the City and State Universities. As chairman of the Assembly Ways and Means committee, he has blocked all attempts to discharge the free tuition mandates to the legislature—floor.

Draft Committee Wants Rosenberg for Senate

A committee has been formed to draft Chairman of the Board of Higher Education Dr. Gustave G. Rosenberg, for the democratic nomination for the United States Senate. Dr. Rosenberg, however, declined being submitted to a ‘means test’ before their children can enter public colleges. This is a backward move in this atomic age and if not checked soon, similar situations could filter down to high school level and lower.

The draft movement is gaining steam rapidly with the enrollment of 7,260 volunteers signing the nationwide petition to have Rosenberg on the ballot. This is the biggest petition this side of ‘In five days,’ Mr. Scutaro reported.

“We must work fast,” he added, “spreading rapidly throughout the state and it is time regular Democratic clubs will announce their support of our movement. We also have four reform clubs that are voting to have their members’ support for Rosenberg.”

Dr. Rosenberg would comment only one statement; he would not deny the possibility that he might accept the nomination. “I knew nothing of the plan to draft me as a candidate for U.S. Senator from New York State until I was called by a newspaper and told of it. Naturally, I was pleased.”

Record Council Budget Set; $5,755 Approved For Spring

The Student Council approved a record budget of $5,755 for the Spring 1964 semester Thursday. The budget was an increase of $769 over the Fall 1963 term.

The Council also announced plans to amend the charter of the Activities Coordination Board to make the organization the Student Council Activities Committee. The entire charter of A.C.B. will be brought up for discussion and possible change on Thursday.

Mr. Raymond Keterlebaum (Sp), S.C. faculty advisor, criticized THE TICKER for printing the S.C. Curriculum Committee’s report before Council approved it. The report embodied suggestions to the S.C. curriculum committee by Professor Bernard Bollush (Hist.) to study the curriculum. The student committee’s chairman, Joseph Traum ’64, gave the report to THE TICKER with the knowledge of S.C. President Jeffrey Levitt ’64.

Council Treasurer Fred Schwartz ’65 feeling that the report was not prepared with the care and deliberation required brought up a motion that the report of the committee be accepted without endorsement.

Stuart Elfenbein ’65 proposed an amendment objecting to the report being submitted for publication without Council’s approval. The motion as amended passed unanimously.

Jeffrey Levitt ’64 had this to say about Council’s action on the Curriculum Committee’s report: “I agreed with Council until discussion with the Curriculum Committee Friday afternoon revealed that the committee had been mandated to present its report for publication without approval or disapproval by Council. I, therefore, must apologize to the members of the committee for my failure to recall the original committee mandate.”

The Executive Board of Council named Harvey Kornberg ’64, Chairman of the Student Council Affairs Committee, Pauline Grossman ’69 Chairman of the Curriculum Affairs Committee. The possibility of allowing students to substitute military science for physical education courses was also discussed.
Doctor of Humane Letters Awarded to Dean Gottschall

President Bev Gallagher announced Wednesday afternoon that the City College of New York undergraduate student body, the Ticker, had been presented with an honorary degree by C.C.N.Y. President Gallagher was on hand to present the degree to Dean Gottschall. The degree was awarded in recognition of Dean Gottschall's contributions to the university, including his service as dean of students and his role in the development of Baruch College.

Many of the City College alumni association, faculty, students, and friends of Dean Gottschall were present at the presentation, which was held in the college's auditorium. The degree was presented to Dean Gottschall by President Gallagher, who emphasized the importance of Dean Gottschall's contributions to the university and the city of New York. The presentation was attended by a large group of faculty, students, and alumni, who给予了 enthusiastic applause.

President Gallagher said, "Dean Gottschall has been an inspiration to all of us and has served the university with distinction. His leadership and vision have been a cornerstone of the university's success, and his contributions have been immeasurable." He continued, "We are honored to present this degree to Dean Gottschall, who has been a true leader and a true friend to the university and the city."
Leadership
by TOM NEJAS

Recently, I attended a weekend conference, the merits and value of which are in my belief too much happened as fast and in such a conceptual manner, that I could not grasp it from my mind into columns.

The conference was held between the facts that my contacts with the world were too weak to make an accurate impression. To those who have no idea of what I talk of, I shall just say that it was an experience of a weekend, which was paid for by the students of the College and the City University of New York, which took place in a weekend, and which was paid for by the students of the College and the City University of New York.

The conference was held between the facts that my contacts with the world were too weak to make an accurate impression. GRADUATES!
CON EDISON WOULD LIKE TO TALK WITH YOU ABOUT WHAT YOU CAN BE DOING IN 1979

We're looking ahead 15 years, because within that period Con Edison will have about 500 top management positions and staff positions opening up.

Right now we can offer ambitious young college graduates specific opportunities to meet the two: We're looking for engineers... accountants... economists... and chemists who can be trained now, to be ready to move into important posts.

Immediate openings at Con Edison are bright, too, for the right men: good starting salary... an individualized training program, with interesting assignments from the start... the chance to do original, creative work in a progressive company that's pioneered many developments in the power field... the possibility of future leadership... And all in the stimulating envirionment of exciting New York! We're looking for engineers... accountants... economists... and chemists who can be trained now, to be ready to move into important posts.

Leaflet Text

Dear Fellow New Yorkers:

Yes, your Assemblyman Paul J. O'connor (D), 5 St.,
now wants you to vote for an amendment to protect free tuition.

The City Colleges and register it at the State University.

If your children's home school is now tuition free, it is not.

Your school is in jeopardy and his efforts to save.

He will be deposed and your children's education will be lost.

Last year, Governor Rockefeller signed the bill into law.

The amendment protects the students' right to receive

free tuition. He is a public servant and his efforts should be supported.

The cost to the community is outweighed by the benefits from

free tuition. Students, who are not currently in their

education, will continue to be supported.

Aside from the door to door job, you can help strengthen

the amendment by speaking to your friends, neighbors, and

family members. Let's work together to ensure that our children's

future is secure.

Sincerely,

Paul J. O'connor

Assemblyman

year. The city has not seen such a performance since the

rk achieved a new personal record in the 100-yard dash.

To the credit of the City College team,

the juncture, they were unable to

run through the line of students blocking the

door. This tactic was effective

in keeping students from entering

the gym. However, the students

managed to find their way in and

continue their protest.

The co-curricular activities will

continue to be held at the City College

gym. The students hope that

the protest will be successful in

forcing the administration to

consider their demands.

Beaver Basketballers Humbled By Fairleigh After Edging Yeshiva

By JEFF PALCA

Lou-Ravettine's twenty-six point performance, enabled Fairleigh Dickinson, the defending Tri-State League basketball champions, to crack City College 65-49, Saturday, at the winner's court.

Earlier in the week, the Beavers had come behind to squeeze past Yeshiva 53-51, thanks to Alex Blatt's twenty-three points.

CCNY and St Francis Square Off Tomorrow

By STEVE RAPPAORT

If the pattern of the past seven seasons continues, the annual C.C.N.Y.-St. Francis basketball clash will be a hard-fought, highly competitive battle.

City made two strong bids in the second half. Two 3-pointers by Alex Blatt and Al Zuckerman cut the lead to 39-32, but, within two minutes the Knights have two 3-pointers, thanks to Alex Blatt's twenty-three point performance, enabling Fairleigh Dickinson, the defending Tri-State League basketball champions, to crack City College 65-49, Saturday, at the winner's court.

The City College rifle team brought their Metropolitan League record to 11-1 by firing 1,412 to defeat Brooklyn Poly (day), 1,986, and Stevens Institute 1,258, in a triangular meet, Thursday at the New York Community College. The City's 595th: City made two strong bids in the second half. Two 3-pointers by Alex Blatt and Al Zuckerman cut the lead to 39-32, but, within two minutes the Knights have two 3-pointers, thanks to Alex Blatt's twenty-three point performance, enabling Fairleigh Dickinson, the defending Tri-State League basketball champions, to crack City College 65-49, Saturday, at the winner's court.

Earlier in the week, the Beavers had come behind to squeeze past Yeshiva 53-51, thanks to Alex Blatt's twenty-three points.

Behind the Scenes: The Officials

Are Refs Really Wise Beaters?

By JOE ROSENBERG

Are referees really wise beaters? The believing basketball fans in college arenas throughout the nation seem to think so. And they might have good cause to, since all too often the score is a poor thirty-three percent average. The City College rifle team brought their Metropolitan League record to 11-1 by firing 1,412 to defeat Brooklyn Poly (day), 1,986, and Stevens Institute 1,258, in a triangular meet, Thursday at the New York Community College.
