Dean Emanuel Saxe

Announces Convention

Vacation Is To Be Split

Next year's spring vacation will be split into two parts, one near the end of March and the other a month later.

Dean Emanuel Saxe announced the following dates for the vacation: March 24-28, Good Friday through Easter Sunday, and April 24-28, which includes the holy days of Passover.

He said that the vacation was split up this way so that the School would be allowed to observe both religions holidays.

In addition to changing the form of the School's spring vacation, the council will also hold an election for Student Council representatives and Class Council officers.

In the only contested election, Eugene Nickerson, Nassau County executive, will be the keynote speaker at the School's Mock Democratic Convention Thursday.

After the keynote address, the delegates will vote on the party platform, nominate a candidate, and then choose a candidate for lieutenant governor.

The proposed platform, which can be the basis for discussion, includes sections endorsing the return of the free tuition mandate, the legalization of off-track betting on horse racing, and support of civil rights.

Delegations are available for any club or group of at least five students. Information may be obtained in the Student Council office (416 S.C.).

The convention will be governed by Robert's Rules of Order, revised, except as modified in the proposed rules and procedures at the present meeting.

Mr. Nickerson has requested that the convention adopt the rules of the New County.

The first Democrat was elected Democratic governor in Nassau County.

200 Take Draft Test

In Spite Of Protests

After three days of demonstrations and sit-ins, City College students took the selective service draft deferment test Saturday.

Demonstrators against the war in Vietnam attempted to hand the students another test, the National Vietnam Test of the Students for a Democratic Society, but were foiled by what was termed "as a College administration ruse.

Proctors at the test, seeking to avoid trouble, directed the students to leave by the Harris Hall exit, which was not being guarded by the demonstrators. Many of them had spent the night in a sit-in at the College.

Bob Gottlieb, a sit-in organizer, stated, "This is a perfect example of how the College administration has engaged in unfair dialogue with students protesting the draft." Gottlieb was biggest of the demonstrators.

Tom Hayden, the spokesman for the students, said the exam took place under strong protest at 4:00 a.m. and that the students had been directed to leave by a previous locked door to avoid confrontations.

About two hundred students took the test, seeking to be fingerprinted and registered as potential draft resisters.

Elections for Student Council representatives and Class Council officers will be held tomorrow from 9 to 3:15 in the lobby of the main building.

The proposals for the Student Council will be on record as opposition to the selective service draft.

Student Council Boatwed Loses Almost One Thousand Dollars

A loss of $1,000 was incurred Saturday on a boatride to Bear Mountain, with Burt Berman '67, secretary, and president-elect of Student Council, as the leader of the excursion.

The trip was intended to be a good way to get the students to vote for the upcoming election, and to bring a little change into the present year. The money was raised from various sources, but it included contributions from students, faculty, and some non-campus groups.

The failure was predicted by Students '67, a group who had been raising funds for the same cause in the hope of providing better facilities for the students.

and in the hope that this might be a way to improve the economy's situation, the Governor has asked for an increase in the aid to the economy. This, however, would not be a way to improve the economy in the long run, as the Governor has indicated in his message of this year's budget directive to meet the $170 million shortfall in the economy's budget.

**Funds for CUNY**

Governer Nelson Rockefeller’s statement that there is needed a thorough overhaul of CUNY “in a consistent, well-planned manner” is not inconsistent with our consistent opinion that nothing else. For he has outlined in broad terms the nature of the CUNY crisis, but has failed to offer, consistently refused to offer, and consistently to plan a program of supplementary education and, consequently, he has not yet offered advice to CUNY on how to expand the number of students that are presently benefiting from the public education.

Since Rockefeller decided that he must replace CUNY, he has increased the deficit, and has feared to face the consequences of his actions. However, he does not mention that the Governor, while managing to keep the CUNY budget in the black, has also managed to increase the number of students that are presently benefiting from the public education.

**A Gamble That Failed**

One usually does not say that when the odds are against you, you have a 50 percent chance of losing. This year’s board may have been surprised at one point, but it has not yet been surprised at the end. Still, we think this is the result of a gamble that failed.

Baseballers Edge Army Cadets
Before Bowing to Blackbirds 3-1

The City College baseball team journeyed to West Point Wednesday to face the most powerful Army squad in years. The Cadets had won all twelve of their games, with only a 1.400 The New York Times blemishing their record. Lavender honor was upheld, however, as C.C.N.Y. defeated Army 11-10 in ten innings.

The Beavers' week's record Saturday with a loss to Long Island University. L.I.U.'s Sechelt Field was the scene of City's 5-1 defeat.

The loss dropped the Beavers below .500, giving them a 6-7 record and a 3-6 mark in the Met Conference.

Barry Leifer received credit for the victory. Over Armitage, reliever Tom Terzino in the eighth. The Beavers held a lead of 5-1 at that point.

The Cadets came up with three runs in the bottom of the ninth. Steve Angel singled, and pinch-hitter Jim Van Horn walked Al Miller and Barry Mandel. Bill Miller, who accounted for five of City's twelve hits and a 1-3 put-up, hit a 300 in the game, singlet to right off reliever Bill De Bolt, driving across runs. Army tied the score with a single run in the bottom of the tenth, but it was not enough.

The contest saw six home runs, totaled by both teams. Vinnie Cenci hit a pair and Bob Scaglione, Ron Horvati and Larry Smith one each for the Cadets. Dave Minkoff belted City's lone round-tripper.

L.I.U. strengthened its winning streak with the defeat of City. The Blackbirds now have won seven straight, following losses in their first two contests. The Brooklynites are now in first place in the Met Conference.

CRIME DOESN'T PAY: A City baserunner is seen stealing second base in a recent game at Macombs Dam Park. In the Bronx.

Jim O'Connell Set School Record
of 10.48, and Friedman trailed with an 11.92.

The only Beaver in place in an event was Don Schissler as he finished third in the 100 yard dash with a time of 9.9, two tenths of a second off the school mark. In the weight events Tom Mihale threw the hammer 1250. Track and field man Harold Sharp, who has been having a fantastic season, did not run because of his bad heel, which has been bothering him lately.

Over at Fort College, at the C.T.C.'s, the Lavender freshmen finished second, overall, as they broke three school marks. Jack Ilabalan set a mark in the one-half mile run with a time of 1:58.4. Guy Ranne of Comstock, Cary Ramas, Joe Simonds, and Don Davis set a School mark with a time of 45.4, less than a second and a half over the varsity mark which was set last year at the C.T.C.'s. Fieldman Larry Moyler broke the hold in the high jump event with a leap of 6'-6 3/4.

Next week O'Connell may run in the NCAA meet in Chicago, and in two weeks the team will race in the IG.A.A.'s at Downing Stadium.

Lacrosse Men End "Satisfying" Season; Lose Final Contests To Union and FDU

The lacrosse team finished its season without a flourish last week as the Beavers were defeated by Union 8-4, Saturday, and at FDU, 10-8, Wednesday.

The two losses came on the tail-end of a two-game win streak. The stickmen's record now stands at 5-6, not including the loss to the Cadets in the first such contest for the Beavers which was held in late March.

Commenting on his team's showing for the season, Coach George Grinstein said, "I am very satisfied with the boys. They started the year with very little experience, and as the season moved on they really started to jell."

The Union game was played away, with George Grinstein scoring two goals, Richard Reaver one, and co-captain Vince Pandoliano one. Pandoliano set an individual scoring high with 24 goals this season. John Orlando's season record of 44-points.

ONE POINT: A Beaver stickman sears a goal, but it was too late for the lacrosse team. The game was over in two and a half games week last.

The stickmen's record but this time around it was a different story, as the Jennysites edged City, as co-captain Pat Wallance led City, as co-captain and Lloyd Smith each added one.
