Rogoff’s Resignation Is Rejected by SC; Haft Among Six Students To Gain Posts

Meitner, Weisman Also Victorious

Six students claimed victories in three different areas of service Wednesday in the term’s first regular Student Council election.

M. David Haft defeated Paul Nami in the race for Treasurer of the Class of ’68, fifty-three votes to twenty-four votes. The four representative seats were won by John Meitner, Mark Weisman, Neil Bergman and Cynthia Levine.

Mr. Meitner, in the Class of ’69, received fifty-eight “yes” votes as opposed to eleven “no” votes. The vacancies in the Class of ’70 were filled by Messrs. Weisman, Bergman, who received fifty-one and thirty-eight votes, respectively, and Miss Levine, who had twenty-eight votes. Eighty-three students supported Miss Levine in the Class of ’71, while six voted “no.” Renee Ritter, her co-runner, received fifty-eight “yes” votes and twenty-three “no” votes.

Steve Glusband ’68 was defeated by Robert Berman ’68 in the contest for a position on theTicker Association. Messrs. Berman received 177 votes as opposed to 112 for Glusband.

At the same time, a student should have been deferred until he graduated, reaches age 20, or drops out of school.

IE-I-S is the classification given to students attending a college, university or similar institution of learning to qualify for II-S. A student must be satisfactorily pursuing instruction. He must request such deferment either on a Selective Service Form or by letter. In either instance, the request must be in writing and filed with his local board.

To be considered as full-time, a student should have earned twenty-five per cent (Continued on Page 11)

Mass Student-Faculty Strike Is Slated To Protest ‘Perils’ of Vietnamese War

Plans are now being made to form an international Student-Faculty Strike. The strike has been called by the Student Mobilization Committee to End the War in Vietnam.

A steering committee of twelve students has been formed to coordinate plans for the school’s participation in the strike. The steering committee members are Alan Arenas ’68, Marc Bloom ’69, Glenn Davis ’68, My Geller ’68, Sandy Goldstein ’69, Alan Jerin ’68, Bob Korn ’68, Ted McLean ’68, Steve Proctor ’68, and Leon Weissberg ’68.

The steering committee will hold its first meeting Thursday at 12:15 in 1221.

The action is one of numerous plans for the period April 20-30. Other actions planned for Vietnam Week include the withdrawal of United States troops from Vietnam, and the permanent cessation of the military draft. Some groups see the strike as an extension of the anti-war movement.

Mass Student-Faculty Strike Is Slated To Protest ‘Perils’ of Vietnamese War

Treasurer Notes Irresponsibility

Student Council, in a closed 11-to-9 vote, has rejected Paul Rogoff’s resignation as its treasurer.

Despite the council’s actions, Mr. Rogoff has maintained his decision to forfeit his post. Mr. Rogoff’s letter of resignation reads as follows:

As an executive of Student Council, we felt that participation in preparing Council’s budget, as we were other members of the executive board, would be beneficial to me as a student and therefore proceed on

LIU Students Plan Protest

The Baruch School may be become the target of a demonstration by Long Island University students and faculty Monday — deemed “Save LIU Day” — as part of plans for a mass protest at several sites including Board of Higher Education Headquarters.

The purpose of the demonstration is to “pressure members of the B.E. to put on their agenda as soon as possible” the proposed sale of LIU’s Brooklyn Center to the City University.

A delegation of five faculty members and seven students presented a resolution to the executive board at its home meeting on Monday, May 10, 1968, to purchase the Brooklyn Center. Mr. Dr. Bowker told members of the delegation that negotiations of the sale have not yet begun, and that it would take at least six months to iron out all of the difficulties.

The strike was called by the Student Mobilization Committee to End the War in Vietnam.
School is disadvantageous to the serious minded psychology major. The predominate group at the Baruch College are business oriented students. Many students that I have spoken to have told me that there is a certain percentage of psychology majors who are not comfortably situated in the college and they would like to transfer to another institution. We need some sort of a study in which we will find people with similar interests and see if we can give them a better education in psychology.

The Psychology Society isn't only a place for intellectual stimulation. It is a place where psychology majors can meet other psychology majors, make friends, and also get to know what is going on in the college. The Psychology Society helps to make his stay at the college a more intellectual and rewarding one. Its members have organized such social events as parties, picnics and other outings. Past members of the Psychology Society have been able to establish connections with former psychology majors who are in the field.

Growth of The Basement

The Basement, run by the Christian Association and sponsored by the Department of Religion, has gradually evolved from a non-profit meeting place. It is currently directed by Marion J. Dowling, a member of the Baruch faculty, who is responsible for maintaining the facilities and ensuring the Basement's success. The Basement is located in the basement of the Office Building, and it is open to all students, faculty, and staff of Baruch College. Its purpose is to serve as a non-profit meeting place for the Christian Association and other groups on campus.

The Basement is a private, non-profit institution that provides a welcome relief to the pressure of daily life. It is open to all students and provides a quiet and comfortable place to study, relax, or simply socialize with others. It is open five days a week, and it is available for use by any group or individual who wishes to use the facilities. The Basement is equipped with comfortable chairs, a large table, and a small kitchenette. It also has a refrigerator, microwave, and coffee maker. The Basement is run by volunteers who are dedicated to providing a safe and welcoming environment for all who enter.

Revised to Change

The resignation of Mr. Max Berger from the Student Council has come as a surprise to many students here on campus. The move was entirely unexpected, and it comes as a surprise to almost everyone who knew him.

The vote by the Student Council not to accept Mr. Berger's resignation has been met with surprise and astonishment by many students. The situation is quite unique, and it is difficult to explain the events that led up to the resignation of Mr. Berger.

This is a very serious issue, and it affects all of us as students. The Student Council has taken this very seriously, and they have been working hard to resolve the matter.

The Student Council has decided to stay with Mr. Berger's resignation. However, this decision is not final, and it can be changed if necessary.

The Student Council has also agreed to consider new candidates for the position. They will be looking for someone who can bring new ideas and energy to the council.

Spiritual Approval

The Student Council has decided to hold a prayer meeting every week. The meetings will be held on Monday nights, and they will be open to all students.

These meetings are open to everyone, and they will provide a space for students to come together and discuss their thoughts and ideas. The meetings will be held in the Student Center.

The Student Council has also decided to hold a prayer meeting every week. The meetings will be held on Monday nights, and they will be open to all students.

These meetings are open to everyone, and they will provide a space for students to come together and discuss their thoughts and ideas. The meetings will be held in the Student Center.

Eights-three Victims of Vietnam

The attacks on the students who were peaceful protesters in Vietnam have tragically increased. According to the latest reports, at least eight students have been killed in the recent attacks on the protesters.

The Student Council has decided to hold a vigil in memory of these eight victims. The vigil will be held on Friday night, and it will be held in the Student Center.

The Student Council has also decided to hold a vigil in memory of these eight victims. The vigil will be held on Friday night, and it will be held in the Student Center.

Last summer, when it became apparent that the war in Vietnam was going to continue, the Student Council and the Student Assembly decided to hold a campaign to build the international movement against the war in Vietnam. This campaign has been successful, and it has brought many people together.

The Student Council has also decided to hold a vigil in memory of these eight victims. The vigil will be held on Friday night, and it will be held in the Student Center.

Is God's Side?

On Friday night, the Student Council will hold a vigil for the victims of the recent attacks on the protesters in Vietnam. The vigil will be held in the Student Center.

The Student Council has also decided to hold a vigil in memory of these eight victims. The vigil will be held on Friday night, and it will be held in the Student Center.

Discount Tickets Available

Discount tickets are available for all upcoming concerts and events. Tickets can be purchased at the Student Center's ticket desk. Tickets for concerts, theater, and other events are available at discounted rates.

The Student Council has also decided to hold a vigil in memory of these eight victims. The vigil will be held on Friday night, and it will be held in the Student Center.
In his latest film, "Great Expectations," producer, finds he can make more horrendous and sure disaster with successfully accomplishing nothing line, "slapstick humor and through it."

Brothers co-act with the verbal mature burlesque, with reminders—and will probably close on page brings a new focus of comedy.

His superb feats of comedy, and in Hoffman of Graduate fame.

Slow readers and intellectuals have the movie that penetrates the way producer, Max Bialystock was saved from what could have been a poor attempt at burlesque, to a great comedy by Brooks' genius.

"I wanted to work for a small company. It may sound crazy, but that's why I went with IBM."

"When I was in school, I dreaded the thought of working for some huge company where I'd be just another number," says IBM's Jim Hamilton. (Jim, who has a B.S. in Electrical Engineering, is a Systems Engineering Manager in Marketing.)

"At the same time, I knew there were definite advantages in working for a large firm. So as I interviewed, I could expect there is a Systems Engineering Manager in Marketing.)

...for instance, in science and engineering, they use a small team concept. It means, no matter how large the project, you work individually or as part of a small team—about four or five people.

"I considered important.

When it is raining, is to let it rain.

...in all, 331 ballots were cast in the freshman class for tests. Students in every position listed on the ballot.

Registration fees are currently $15.00 per student. If an individual student is enrolled in the group as a whole, the fee is $10.00 per student. If an individual student is enrolled in the group as a whole, the fee is $10.00 per student.

Each time a student is classified as a graduate student, he will be given a certificate of membership in the group. The law authorizes designating a graduate student by the local board to be a full-time and satisfactory student in the group. If a student does not meet the group's standards, he will be given a certificate of membership in the group.
Harriers Tie For First In CTC Meet

The City College tracksters, minus a key operator and plus an injury, were fit to tie in Saturday's Collegiate Track Conference Championships at Fitzgerald Gym at Queens College—tied for first, that is.

The Beavers gained thirty-one individual victories, both coming in yard run with a time of 1:16.7, that occurred, City would have placed fourth in the 600-yard high hurdles and fifth in the long jump.

All three relay squads—two-mile, two-mile, and 40-yard—placed third. St. Peter's took the first two, and the Beavers thus improved upon Queen's third place finish in the meet. The Beaverettes also bettered their showing in last month's CUNY Championships. Queens beat City handily in the City University meet.

• BEAVER POLE VAULTER Navin Gordon Scales 11 feet 6 inches to take 3 points Gym at Queens and Kings Point for victory honors. St. Peter's came home just two points behind the leading trio.

The key operator missing was Skip Johnson. Skip, a five-performer in the 60-yard dash and a top relay runner, has taken a leave of absence from the College. His presence could have easily meant victory for City.

The angry coach was, of course, Francisco Castro, Castro felt that a Kings Point runner should have been disqualified in the 880-yard relay running out of his zone. Had Castro's protest been upheld (it was not) the seamen would have had to forgo their second place finish in that event. Had that occurred, City would have moved up from third and, thus, won the meet.

The Lavender gained two individual victories, both coming in the field events.

Parriers Register Tie For Fourth In Meet

The City College fencing team, under the expert tutelage of Edward Lucia, turned in strong performances in the epee and sabre divisions and tied for fourth in the Intercollegiate Fencing Championships at Princeton this weekend.

The parriers rested 60 points between the three weapons tested (epee, foil and saber) to tie defending champions Pennsylvania for fourth behind winner New York University (74 points), Columbia (72) and Navy (65). Thus, the Violets regained the title they had relinquished to the Ivy-Leaguers a year ago.

The Beavers gained 11 points in both sabers and 2 points in epee division. Claude Castiel took eight of eleven bouts in pool two but Gary Dutton (2-3) and Mike Wahle (0-6) rounded in pool three.

Steve Liebemann led the Beavers and only had only winners in the sabrer division. Liebemann took seven matches in pool one, while R. Keitig matched him in pool two. Joseph Cohen won six of eleven in pool three.

MESSING was the only qualifier for an individual championship for the Beavers, which finished fifth in the epee (third), 16 in foil (seventh), and 20 in saber (tie for fourth).

The Lavender's was paced by Arnold Messing in the epee division. Messing, who finished fourth in the epee individual championships, won ten of eleven bouts in the weapon's third pool. Ron Linter and Bob Charnick each won seven bouts in pool one and two for City's 24 points.

Bill Berkowski (6-5) went for the Beavers in pool one of the foil early in season. The Beavers tied for fourth in the Intercollegiate Fencing Association Championships.

Why The Christian Science Monitor recommends you read your local newspaper

Your local newspaper keeps you informed of what's happening in your area—community events, public meetings, stories about people in your vicinity. Perhaps you can't—and shouldn't—do without it.

HOW THE MONITOR COMPLEMENTS YOUR LOCAL PAPER

The Monitor specializes in analyzing and interpreting national and world news... .with exclusive dispatches from some of the largest news bureaus in the nation's capital and from Monitor news bureaus in 40 overseas countries and all 50 states.
