Present:  T. Berger, Chairman
          R. Bernand, M. Chang, C. Connington, D. Hadgis, J. Hynes,
          R. Smith, L.V. Toralbilla and S. Ukeles.

The meeting began at 3:15 p.m. Although no notices were sent out, said
the Chairman, most members knew when and where to come. The next meeting
will be held on May 14 in the same room (Tech II 318) and at the same
time (3 p.m.) reminded the Chairman.

The Excellence in Teaching Award will soon be announced, continued Dr.
Berger, who recounted bits of his experience as a member of the selection
committee for this award.

Next, Dr. Berger spoke on "General Semantics" a course he once took with
Alfred Korzybski and for whom he did a report. "General Semantics is an
attempt to sensitize ourselves to the effects and influences of words,"
began Dr. Berger, who handed out copies of an article by himself entitled
"Eleven Common Sense Principles About Language and Student Writing
Examined for Logic and Clarity" reprinted from A Guide For Evaluating
Student Composition, H. Judine, Editor, National Council of Teachers of
English, Champaign, Ill. 1965.

At 4:20 p.m. the meeting was adjourned.

Respectfully submitted,
