THE ’8 DEATH

Believing the student representatives to the Executive Committee, Student Senate, BCCC, and College students will also have to decide on the fate of Student Activities, included in the fee that is paid once a semester, is $8 which goes to Student Activities Fee. This means that there will be no money for clubs, publications, and any other functions performed by students, Without proper funding, organizations run by students will fade away.

This referendum is a historic portion of the college. Since the College and fee committees have a significant impact on the school activities, all students should be informed about the referendum. The referendum will be held in order to decide on the fate of Student Activities.

The difference between paying $60 and $52 is not that great, but it is a significant difference for many students. Without proper funding, organizations run by students will not be able to operate. The referendum will be held in order to decide on the fate of Student Activities.

TUESDAY, OCTOBER 5, 1971
On October 2nd, in a rain-abbreviated game, the Baruch nine battled John Jay College as well as the elements. Before the game was halted after three innings, the Bengals held a 3-0 lead, with Bob Dinardo hurling 1 hit ball. Dinardo also aided his own cause with 2 R.B.I.'s.

Other contributing members to the Baruch attack were centerfielder Hector Baker, who had two doubles, second basemen Tony Russo and shortstop Glen Fried. Had this game gone the regulation 9 innings, the Bengals would most assuredly have scored in double figures.

On the third, in a game marred by errors and tough breaks the Bengal nine bowed to New York Tech. After a shaky third inning which he yielded 3 runs, starter Fred Wallach became a bit more parsimonious and shut off the Tech bats until the seventh. During this time however, the Bengals took the lead. In the second, two runs scored as the result of an error. In the fourth Tony Disanzo led off with a single and Hector Baker promptly lined a 320 foot homer to the opposite field. Baruch held the lead until the seventh, when 3 errors, 3 walks, a single and a groundout produced 5 "unearned" Tech runs. Rich Armellino came in to relieve the jinx ridden Wallach and shut the door for the rest of the way. Baruch added three runs in the eighth as O'Leary knocked in 2 runs with a hit, and Klein drove in one.

It was to say the least, a tough game to lose. Coach Rizzi summed it up—"we got a lot of tough breaks, and with a little luck we would have won."

This game just proved that the best team does not always win. Look at the Giants this year. Submitted by Ted Sobel
