Minutes of the Committee on Instruction and Professional Development

October 20, 1983

The minutes of the previous meeting were approved.

The question of a new meeting time was raised. A. Pomerantz said that we have to reconsider the issue in light of the fact that we could not legally change the meeting time last year. For the time being, we will meet on Thursdays at 2:00.

Announcements:

1. A. Pomerantz reported that the microcomputer workshop will be held during the fall semester.

2. A. Pomerantz wrote to the head of the student council asking that two student representatives be sent to the Committee.

3. There will be a Critical Thinking Workshop at the Summit Hotel, Hartford, Conn. on November 3-4, 1983.

Elections of Officers:

The question of election of Chair and Vice-Chair was briefly discussed. J. Stuchin made a motion that the present officers continue for 1983-84. The motion was seconded and unanimously passed.

Committee Membership:

A representative to the Committee is needed from the Careers Division. The Executive Council will have to meet to look at the results of that division's election to determine who the representative will be.

Faculty Development Questionnaire:

Thanks to J. Juechter, we now have a computer print-out of the results of the faculty development questionnaire. N. Eagle has offered to assist in doing a statistical profile of the data.

V. Anderson made a motion that J. Juechter continue her work and begin an analysis of the data with the assistance of N. Eagle. It was seconded and unanimously approved.

If we are called on to write a grant proposal, Dr. Edith Schor of the English Department has volunteered to assist in the preparation.
Theme for 1983-84:

S. Forman suggested that we choose microcomputers/new technology as our theme, using the microcomputer workshop as a kick-off event.

The suggestion will be discussed at the next meeting.

The meeting was adjourned at 4:45 p.m.

Respectfully submitted,

Susan Forman
Acting Secretary
