COURSE AND FACULTY EVALUATION INITIATED

The long sought Course and Faculty Evaluation Program has become a reality due to the efforts of a student committee calling itself the Ad Hoc Committee on Course and Faculty Evaluation. The committee consists of Zetha Lofaro, Richard Guarino, Anita Haberman, Edith Moshe, Ronald Litwin, Michael Agronow and Lawrence Lands. The committee was formed last year in an effort to make the Freshman Orientation program more effective for the students. In early September, the committee began meeting in small groups to examine the possible ways of organizing an evaluation program. After several meetings, the committee decided to form an ad hoc committee to focus on the evaluation program.

Freshman Orientation Reorganized

Spring freshman orientation will be different this year. It is anticipated that approximately 500 students will participate in the Freshman Orientation program, which is to begin on January 20th. On that day, President Smith, Dean Benner, Kinser, and Lofaro will welcome the new Freshmen. The program will be divided into two parts: the first one, a seminar on the Freshman Orientation program, will be held in the morning, and the second part, a tour of the campus, will be held in the afternoon.

The program for the first of the semester will be an intensive study of the Freshman Orientation program, which is designed for the students who have completed 3 or 4 weeks of the semester. The program will also be a seminar for the students who have completed 6 weeks of the semester. The program is designed to give the students a better understanding of the Freshman Orientation program and to help them prepare for the second part of the seminar.

SEEK Awards Presented

Sixteen students at Baruch College, members of the SEEK program, were selected to receive scholarships and opportunities for education under the guidance of the SEEK Scholarship Awards Program. The scholarship recipients were selected based on their academic performance and their participation in the SEEK program.

The SEEK Scholarship Awards Program was established by the Student Personnel Services Department and is administered by the Student Financial Aid Office. The program is designed to help students who have financial need to continue their education at Baruch College. The scholarships are awarded to students who have demonstrated academic excellence and have shown a commitment to their education.

Baruch Loses 24 Varsity Athletes

Hunter Wins By Default

A list of the 24 varsity athletes that Baruch lost in the 1971-1972 season includes, among others, football, basketball, and baseball. The athletes were transferred to other institutions, and Baruch College is challenged to find replacements for these athletes. The Baruch College athletic department is looking for new athletes to replace the lost varsity athletes and to improve the quality of the varsity teams.

The Baruch College athletic department is looking for new athletes to replace the lost varsity athletes and to improve the quality of the varsity teams. The athletic department is also looking for new coaches to help with the improvement of the varsity teams. The athletic department is hoping to find new talent and to improve the quality of the varsity teams.

Dedicated to Marty Garfinkel

Once upon a time, there was a boy

named Marty Garfinkel. Every day he

would go to his favorite store and buy

the same thing. He was a very happy

boy, but then one day he saw a new

product that he really wanted. He asked

his parents for it, but they said no.

Marty was very sad and continued to

go to the store every day. One day he

met a new friend who also loved the

same product. They decided to

work together and buy it. They

finally succeeded in convincing

their parents to buy it for them.

Marty and his friend were

overjoyed and decided to

share their happiness with everyone

around them. They spread the word

and many others joined them. The

story spread far and wide and

Marty Garfinkel became a

legendary figure of the world.
