STUDENT GOVERNMENT ELECTIONS
To Be Held Wed., Thurs., Fri., Sept. 27-29

By Mitch Greenstein
Elections Committee

The chart you see is a sketch of the ballot booth. The Elections Committee hopes you will enter between tomorrow and Friday. These elections will determine a Student Government for the next year. In order that organizations can get the funds to have their scheduled events or for the voice of the student body to be heard by the administration, the students of Baruch will have to give up a few precious seconds to vote for the candidates of their choice.

To vote, you will have to present your photo-identification card (or your bursar’s receipt for consolidated fees in the case of freshmen) to the election machine to close the curtain for privacy in voting. Select the column that corresponds to the class in which you belong. Seniors will vote in the first column, juniors in the second, sophomores in the third and freshmen in the fourth. Going down the column that you belong, you will select the candidates you support for the given positions, and press down the lever next to his or her name.

When you have finished picking the candidates of your choice; review the levers you have pressed to see that they are correct. When all of your choices are correctly in the down position, draw back the curtain with the same lever you used to seal the booth. This will register your vote in the machine and let you out at the same time. The levers you placed down will also pop back up to keep your vote secret.

One last thing to remember—in order to get the things you want out of this school, be it a cleaner cafe, more say on curriculum, or even the shuttle bus we all need, you have to get out and VOTE ON WEDNESDAY, THURSDAY AND FRIDAY.

I.D. Card or Bursar’s Receipt Must Be Presented In Order To Vote

BARUCH COLLEGE
Message From 50th Street: — Optimism

by Susan Drablin

At the Freshman Center, students are encouraged to participate in the operation of the center by serving as Student Aides. Upper classmen trained to help freshmen in their endeavors are known as Student-Leaders who are working in the center representing their various groups, the School of Business, School of Arts and Science, and School of Administration. Freshmen who want to help are encouraged to approach Student-Leaders and get involved. Right now, the Freshman Center is only open during the week days from 9 a.m. to 7 p.m. (Continued from Page 2)

After a week or two of Baruch Day life New Star Organization offers you Baruch Night Life.

Sept 29th at Champs Community Center at 121 West 120th Street between Manhattan and 8th Ave.

Take A, D, or AA to 125th St.

Admission is FREE to all Baruch Students with I.D. or Bursar Receipt.

It's gonna be a SOUL explosion from 10 until 3.

STUDENT GOVERNMENT ELECTIONS

Wednesday, Thursday & Friday

I.D. Cards Required (Bursar's Receipts For Freshmen and Transfer Students)

"Vote For Your Life!!!"
How do you feel about attending
any political activities? Do you still feel like a part of Baruch?

The Need To Vote

The Student Body must realize that its greatest responsibility this year is to elect a new Student Government. The Board of Higher Education by law directs that in order for a student body to vote, no less than 25 percent of the student population must vote. If 30 percent is not achieved, then the Student Government elections must be delayed until next year. The only way to make sure that the Student Government elections are conducted in a timely manner is for each student to be on hand with his or her voting card. As a matter of fact, it is the responsibility of each student to get his or her voting card. It is important for students to understand that voting is not taken lightly. The Student Government represents the students and is responsible for running the Student Center. The Student Center is a place where students can hang out, meet new friends, and enjoy a variety of activities. Therefore, it is important for students to participate in the Student Government elections.

And Who To Vote For

After much consideration, "TICKER" has decided to endorse three candidates for the Student Government: Robert Kassett for President, Barry Surwit for Treasurer, and Lucy Pallejo for Secretary. These three candidates have shown a strong commitment to the Student Center and have developed a positive reputation among the Student Body. Robert Kassett is a diligent and hardworking candidate who has a strong vision for the Student Center. Barry Surwit is a talented and experienced candidate who has a great understanding of the financial aspects of the Student Center. Lucy Pallejo is a dedicated and enthusiastic candidate who is committed to making the Student Center a vibrant and dynamic place for all students.

Student Body Politic

MICHAEL TISHEIN

According to the last elections, neutrally designed candidates for the Student Government received the highest percentage of votes. Therefore, it is important to support these candidates when voting in the upcoming Student Government elections. The Student Government is a vital part of the Student Body and plays a crucial role in shaping the future of the Student Center. By supporting these candidates, you are ensuring that the Student Center will continue to be a vibrant and dynamic place for all students. Therefore, I urge you to vote for Robert Kassett, Barry Surwit, and Lucy Pallejo in the upcoming Student Government elections.

The Outsider

A column and a criticism are appropriate for this section. A column is a personal opinion written by an author who expresses their views on a particular topic. A criticism is a critical review of a product or service. Therefore, the column and criticism sections should be distinguished from each other. The column should focus on personal opinions and the criticism should focus on evaluating the quality of a product or service. The column should be written in a way that is engaging and thought-provoking, while the criticism should be written in a way that is objective and factual. The column and criticism sections should be separated to ensure that readers can easily distinguish between them. In addition, the column and criticism sections should be written in a way that is easy to read and understand.
New Star Goes To Africa

by Gary Grunblatt

Before starting on what may well become a six-month-long journey throughout Africa, I want to set the stage with a few general remarks about the continent. Africa is vast, with a population of over one billion people and a landmass that is almost as large as the United States and Canada combined. It is a continent with a rich history, a diverse culture, and a complex political structure. As a result, Africa is a continent that is often full of surprises and challenges for those who venture there.

The trip I am currently undertaking is the result of a competition sponsored by the Student Government Association of Baruch College. The competition was open to all students, and I was selected as one of the winners. The prize I received was a trip to Africa, which I have been planning and preparing for over the past few months.

I am looking forward to this trip, and I am excited about the opportunity to learn more about the continent and its people. I hope that my experiences will help me to better understand the complexities of Africa and its role in the world.

Hillel Holds Memorial Service

HILLEL held a memorial service for the late Edward Herring, who was a key figure in the Hillel community at Baruch College. The service was held in the Hillel chapel, and it was attended by students, faculty, and members of the Jewish community.

The service was a moving event, and it was a reminder of the importance of remembering and honoring those who have passed away. The service was also a testament to the strength and resilience of the Hillel community, and it was a reminder of the importance of coming together to support one another.

Students For McGovern

By Kevin Howard

The choice is clear. McGovern is the only candidate who offers the hope of restoring the dignity of the presidency. The reason is simple. McGovern is a man of integrity, a man who has earned the respect of the American people. He is a man who has a clear vision of what he wants to accomplish, and he has the courage to follow through with it.

McGovern is a man who understands the issues of the day, and he has a plan to address them. He is a man who is dedicated to the principles of justice and equality, and he is committed to making the world a better place.

McGovern is the only candidate who has a clear understanding of the complexities of the world, and he has a plan to deal with them. He is a man who is committed to the principles of peace and justice, and he is dedicated to the ideals of freedom and prosperity.

McGovern is the only candidate who has the experience and the knowledge to lead the country. He is a man who has served in the highest levels of government, and he has the wisdom and the judgment to make the tough decisions that are necessary to protect the interests of the American people.

We need a leader who is dedicated to the principles of justice and equality, and who is committed to making the world a better place. We need a leader who is committed to the principles of peace and justice, and who is dedicated to the ideals of freedom and prosperity.
