Come See Your Government In Action
Debts and Credits
by William Krier

Recently, while riding the F train to Forest Hills, I was surrounded by "people of color." This was a result of dropping out or just not being able to speak English. What is significant is that this is not a phenomenon that has only occurred in New York City. It has been there. Are they wasting their time or is it just the way a great many of my friends and I have spent our lives? Nobody knew, and one had no direction at all. Ever since I was a child, I have felt worthless and not coming back. I wonder if this term will be emptier.

Actually, the Baruch students I know are quite aware that the government is not maintaining an even pace. And one had never been so aware of the need for a healthy academic institution. Talk about wet dreams and fatality!

The change in the United States is overwhelming segment of the society. The government is not listening. And yet, with society's accepted accounting principles, presenting a face of mutual understanding, one of whom says, "In examining our books, it is obvious to us that the budget is underspent."

Obviously, a student who is not able to pay for tuition is not able to continue his studies. With society's accepted accounting principles, presenting a face of mutual understanding, one of whom says, "In examining our books, it is obvious to us that the budget is underspent."

Shark Re-elected
For the first time in the history of the University Student Senate, a敖commendee was chosen to be a敖dman. Without protest, the University Student Senate chose Mr. Larry Latour, a student who has been active in campus affairs. Mr. Latour, an enrolled student at Baruch College, is currently Chairman of the University Student Senate. During the past year, in addition to his work as Chairman of the Senate, Mr. Latour has been active in the United Negro College Fund and the National Student Association. Mr. Latour will continue his service as Chairman in the annual elections scheduled to start. Many of us have known Mr. Latour since his freshman year, and we all feel that he is the person who can lead us to victory. We arrived in Washington a few days, then we will have saved some money. You have a special opportunity to help those who are in need. Please consider making a contribution to the United Negro College Fund. The U.S. will respect its allies. The time has arrived.
Statesmen Beat Newark State, Evers

The basketball team, heading for its finest season, won its eighth game in 10 starts last Wednesday, January 31, as it broke loose in the final eight minutes to defeat Newark State, 71-57 at the 69th Regiment Armory.

It was the first game in 17 days for the Statesmen and the effect of the long layoff showed in the shooting. Baruch made only 31 of 83 shots for 37 percent. Newark State made good on 49 percent of its shots, but got off only 47, making 37.

The big difference in shots taken was Baruch's willingness to try to break the game open from the outside plus a Baruch pressing defense that forced 14 turnovers. Baruch turned the ball over only 20 times.

Baruch led for most of the game, but suffered two cold spells that cost them a 12 point lead in the second half. Leading 51-39 with 12 minutes to play, Baruch had a 12 point lead with 3 minutes to go, but Newark State went on a 28-7 run to take a 59-58 lead.

The margin was as high as 26 points.

Adams was high man with 29 points. Bill Robinson added 18. John Conboy and Mike Bottick each had 14 rebounds. Ten of the 12 players entered with Mike Bottick getting his first varsity basket.

Ray Branch, a 6-4 freshman, supplied most of Evers offense with 30 points. He also had 31 rebounds.

Baruch returns to action Wednesday night, February 7, at the 69th Regiment Armory, 23rd St., and Lexington Ave., against New York Tech, 7 p.m.

The Bears are a hot team right now. They have won five in a row and are 8-4 overall. They are led by 5-11 Will George, who has twice made the All-Big West team this year. Last year the team's average was 16.5.

Saturday night, February 6, Baruch has another tough one in the men's game to try. Adams led the way with 26, Adams was high man with 25 points. But he needed 28 shots to get his man.

Robinson hit a foul shot and Adams added two points on a rebound. He also had 21 rebounds.
