Dick Gregory's Coming To Baruch

By Richard Warren

On Thursday, Dec. 18, Dick Gregory will speak at Baruch College.

Mr. Gregory has earned a valuable reputation as a comedian, author, recording artist, lecturer and humanitarian. He was born in a St. Louis ghetto, was a track and field champ in high school and at Southern Illinois University. He then became a comedian where he was limited for years to playing only black clubs. Finally, in 1961, Mr. Gregory was a last-minute replacement at the Chicago Playboy Club. He was an immediate success and shortly thereafter appeared on numerous network TV shows.

Mr. Gregory has received the degree of Doctor of Humane Letters from Malcolm X University (Chicago) and Rust College (Mississippi), and the Degree of Doctor of Law from Lincoln University (Pennsylvania).

Just before the 1974-75 lecture tour, Mr. Gregory completed an 800-mile "run against hunger" from Chicago to Washington, D.C., to emphasize the problem of hunger in the world.

"There is a great social revolution going on in America today," Dick Gregory declares, "and the wonderful thing about the revolution is that it is not black against white. It is simply right against wrong. The number one problem in America today is not air or water pollution, but moral pollution. The same moral pollution which keeps the smoke up in the air also keeps the Indian up on the reservation."

Mr. Gregory is non-violent. He does not believe in killing. He's also a vegetarian.

Dick Gregory is certainly a speaker worth listening to, so don't miss him on this Thursday, December 18.
Is Student Government Abusing Its Power?

By Jeffrey Arakabesh

The Ticker

Student Government, rightly the most active and widely known organization on the Baruch campus, is currently under attack. The Student Government Administration is accused by many students and faculty members of unfair and improper treatment, especially in the student elections process. The voting machines, which were introduced for the first time at the Student Government elections this fall, were found not to be functioning properly. Complaints about the voting machines were raised in many places, and many students were unable to vote. The wheeled ballot box system, which was used in previous years, was found to be slow and cumbersome. The Student Government administration is accused of not acting quickly to remedy the situation. The Student Government administration is also accused of not being transparent in its decision-making process. The Student Government administration is accused of acting in its own self-interest, and not in the best interests of the student body as a whole.

The Student Government administration is accused of acting in its own self-interest, and not in the best interests of the student body as a whole. The Student Government administration is accused of being secretive and unaccountable. The Student Government administration is accused of not being responsive to the concerns of the student body.

Candidates And Positions

From the many diverse campus organizations that traditionally compete for election to the Student Senate, only one area of the campus comes together in a cooperative campaign, makes the Reform & Unity Party a truly broad based team.

As an Assembler I will be able to express the views of the students. Like most of you, I was outraged when I looked at the club allocations. As of now, only you can put an end to the recent decision that now dominate all student activities. I am not out to just inherit power, but I need your help. The students have no voice. There's no one group which means that when one of us is elected, we shall have little or no opposition. Thus, we are assuming that you are already adequately studied. VOTE ME, ASSEMBLER, FOR THE BENEFIT OF ALL STUDENTS.

I am interested in the welfare of all students. I want to see club fees allocated in a fair and non-partisan manner. As senator I want to see club fees get completely out of control. The last administration had neglected to utilize the "broad base" of student organizations. The time has come for cooperation of the others that will be counted on with the business of getting student representation.

I am this individual. I have received a mandate. I have the best in my best to serve my constituents. To continue to work for you by reelecting me to serve as your representative in the Student Senate for the benefit of all students involved in Personnel and Senate and assure continuing in the collective bargaining process. Finally, I want to see student government provide an independent media as well as services to benefit all students involved in Personnel and Senate and ensure continuing in the collective bargaining process.

Richard Rodriguez

I am interested in the position of Reform Committee representative. I have tried, as a member of the Reform & Unity Party to move these issues forward in the past. Unfortunately, the sole function of Student Government was allocation of funds. They have not been successful in moving to a college which means that when one of us is elected, we shall have little or no opposition.

As the present Editor-in-Chief of The Farmer. I feel that I can use my influence in the field of the problems that affect students. I propose the following:

Joseph S. Feiser

I worked for you, and I will work for you now. If you make me the member of your Student Government.

I sought for you on the sports field in '73. Men's Varsity Tennis Team. I looked at the club allocations. As of now, only you can put an end to the recent decisions that now dominate all student activities. I am not out to just inherit power, but I need your help.

This position requires a person who can keep the faculty, students and administration in line. I have heard that the only students who have the freedom are the most egoistic. The club allocations get completely out of control. The last administration had neglected to utilize the "broad base" of student organizations. The time has come for cooperation of the others that will be counted on with the business of getting representation.

**Capt. Baruch Attacks The Issues**

By Joseph F. Sorenson

By Joseph F. Sorenson

For those of you who are still unsure which candidate you will support, I feel that there are certain issues which you should be aware of before you vote. The major issue that comes to mind is the budget. The budget is not only a matter of finances, but also of priorities. What do you think is more important, providing services to the students or providing a better education? The candidates differ in their views on this issue.

One candidate, Mr. Baruch, has proposed a slate of candidates for the Student Government. He believes that the slate of candidates will provide better representation for the students. The other candidate, Mr. Robinson, has proposed a completely new slate of candidates. He believes that the new slate will provide a fresh perspective on the issues.

Another issue that I would like to discuss is the student-run organizations. Mr. Baruch has proposed that the student-run organizations be given more autonomy. He believes that this will allow the organizations to be more effective in representing the students. Mr. Robinson, on the other hand, believes that the student-run organizations should be under the direct control of the Student Government.

Finally, I would like to discuss the issue of student representation. Mr. Baruch believes that the Student Government should be more representative of the student body. He believes that this will allow the Student Government to better reflect the needs and desires of the students. Mr. Robinson, on the other hand, believes that the Student Government should be more representative of the faculty.

I hope that you will carefully consider these issues before you vote. I believe that by doing so, you will be able to make an informed decision. Thank you.

Frank Matos hit for four points and Dom Marronaro added four more as Baruch closed within 31-28 with a minute left in the half. Adelphi got the final six points in the half to take a 37-28 lead.

Adelphi extended its lead to 43-32 early in the second half, but the Statesmen countered with a 13-4 burst with a three-point play by Maurice Vega triggering the streak. Sandy Lanham’s driving lay up brought the margin down to two points.

The Panthers would open the lead, but Baruch, led by Charney, would keep coming back. Baruch was within 71-66 with just under two minutes left when two missed free throws thwarted the comeback. Adelphi held the ball out as the Pirates converted its free throws to build up the final margin to 11 points.

The result was that the Pirates would have won the crown, however starting goalie Jefferson Heredero was injured in the game prior to the Seton Hall contest. Baruch came close to the division title this year. If Baruch had won more than one game, they would have won the crown. However starting goalie Jefferson Heredero broke his elbow in the game prior to the Seton Hall contest.

between the Adelphi and Old Westbury games Baruch lost the services of John Steuer its Most Valuable Player last season. The 6-4 junior, who was the second leading scorer and rebounder this season, severely sprained his ankle during practice. His leg was placed in a cast and he will be out for four weeks.

Jim Barrett, a 6-6 junior, will replace Steuer in the starting lineup. Barrett made his first start in the Westbury game and hit a career high of 10 points.

Charney finished with 19 points and 15 rebounds. Frank Matos had 14 points and 9 rebounds and Stu Eisenberg netted 12 points, his personnel best.

Vega chipped in with 9 points and 7 assists. Greg Marden and Scott Levy, two freshmen reserves, saw extensive service for the first time and each contributed 5 points.

3 Baruchians On All-Star Soccer Team

Three members of Baruch’s very successful soccer team have been named to the Metropolitan Soccer Conference All-Star team. Fred Witter and Richard Peters were voted first team forwards and Nessim Tamman was voted to the first team as a defensive player. The trio will be honored at the Conference’s All-Star Awards Dinner at Mama Leone’s Friday night.

Baruch finished second in Division 2 West of the Conference. The Statesmen were 3-1-1 in league play finishing one point behind first place Lehman which went 4-1. Baruch beat Lehman 2-1 during the season.

Overall the Statesmen posted a 9-3-1 record clearly the best in history. No Baruch soccer team had ever had a winning season before or won more than give games.

First year coach Bill Eng used only one senior on the starting team so that chances for a Division championship next season are excellent.
