Charges Against Gibbs Dismissed

By JIM HEDGES
Thursday evening, March 4th, Harry Gibbs, president of DSSG last semester, was brought up on charges before the Student-Faculty Disciplinary Committee. The charges stemmed from actions taken by Mr. Gibbs during the Student Government elections last semester.

Before the hearing began, both Mr. Gibbs and Dean Roy R. Senour Jr., the complainant, were given the chance to settle the matter privately rather than go through the lengthy proceedings. Both declined and the hearing opened. Harry Gibbs also declined to ask for a postponement so that he could seek legal counseling on the matter.

The charges stated that Mr. Gibbs violated rule no. 114 of Regulations Governing Student Conduct which says a violation occurs with “Failure to comply with directions of duly authorized and identified College officials acting in performance of his official duties.” (For more information see page 70 of the Student Handbook). This concerns the fact that Gibbs refused to hand over the keys to the ballot boxes to Dean Senour.

Gibbs stated that he was missing class in order to attend the meeting and that he felt that he was being harassed.

The biggest debate of the meeting concerned whether or not Mr. Gibbs had been officially informed by Dean Senour about counseling prior to the meeting. "I move that the committee dismiss the charges on the grounds that I have been harassed and the failure to follow procedures by Dean Senour concerning contacting me about a counseling session prior to this hearing." "Mr. Gibbs did not follow my directions and therefore these charges have been brought", the reaction given by Dean Senour when asked to explain his reasoning for the hearing. At one point the Dean made reference to the fact that President Wingfield was responsible for pressing the charges but a few seconds later changed his statement for the record to read that he and he alone (Senour) was pressing the charges.

The debate kept going back and forth with Gibbs quoting passages from various memorandums and Senour denying allegations in a raspy and almost unintelligible voice due to the fact that he was the victim of laryngitis.

Finally after almost two hours, the committee adjourned to another room for about ten minutes and upon returning disclosed the unanimous vote to dismiss the charges. Professor Berger, a member of the committee, was quoted as saying, "To be honest I don't even know why we're here today."

Fire Drill Successful

By JIM HEDGES
On Thursday, March 4, a fire drill took place in the 17 Lexington Avenue building. Under the supervision of Mr. Linden, Director of Baruch Security, the entire building was cleared in approximately ten minutes and forty seconds. Although the procedures of handing the drill received compliments, including one from a fire marshal representing the New York Fire Department, the overall drill was not as successful as Mr. Linden had wanted it to be.

The movement of students and faculty evacuating the building was very orderly. However, some students complained of the inconvenience having a fire drill caused them. The exercise was announced 20 minutes prior to the 11:45 scheduled time, with signs posted around the building.

The scene outside was a little puzzling—everyone who had left the building were standing outside and directly across the street. The puzzling fact was that the students waited as if they had to make a 12 o'clock class inside the building. Everyone knows that between the hours of 12 and 2 on Thursday's, no classes are scheduled. A movie was not planned for the auditorium, either, so it was a strange sight indeed to see the mass of students in anticipation. More drills are planned for this semester.

Vanguard Students' Coalition In Action

By KAREN KIRKLAND
On Friday, March 5, 1976, five members of the Vanguard Students' Coalition for Equity in Education (VSC) at Baruch College of CUNY went to the Board of Elections offices at 80 Varick Street to turn in the first batch of voter registration drive at the college.

According to VSC president Uriel M. Joseph, "These forms represent politically-conscious CUNY students who realize that we must participate in the political process if we want to be heard in a viable way."

The voter-registration effort was VSC's first major project. In addition to fostering the political education of Baruch students, the VSC will also seek to establish a job-information and referral service for students, and ensure that the college maintains some equitable ratio in the ethnic enrollment of the college.

VSC holds its meetings on Thursdays from 12 to 2 p.m. in Room 1520 of the 23rd Street building. All students who want to work for the survival of CUNY are invited to attend.

Discussing some basics about the electoral process at Election Board headquarters are former State Senator Watelba Stewart, Uriel Joseph, Luther Blake from the Mayor's office, Dr. Juanita Howard, and Arnold DeWalt.

Baruch College consisting of between 78-93 credits.

Transfer Students

5. Credits completed at other college (without letter grades)

Minimum 3.40 calculated on letter grades

A.B. and B.S. degrees are conferred at the end of the spring semester. Spring 1976 graduates as well as nine students who have completed all their college credits at Baruch will be eligible for election to Phi Beta Kappa in Liberal Arts Colleges.

The eligibility requirements, which include superior scholarship, character, and potential for professional development, should be considered when making nominations. Those eligible are invited to apply to Phi Beta Kappa, 405 E. 16th St., New York, N.Y. 10016. The names of the elected students will be announced at the annual meeting of the society, which will be held in May 1976.

Elected students will be initiated into Phi Beta Kappa Saturday, May 8, 1976.

Upper Juniors

1. Grads who have completed all of their college credits at Baruch College consisting of between 94-110 credits.
2. Minimum of 30 credits
3. Minimum of 3.40 calculated on letter grades
