Bronx Community College  
City University of New York  

Curriculum Committee  
Minutes of the Meeting of March 14, 1995

1. Call to Order: Chairman J. Ryan called the meeting to order at 2:45 PM.

2. Minutes: The minutes of February 14 and 28 were read and accepted.

3. Announcements: The Chairman distributed a draft of a memo written by him and directed to Mr. Jerry Simotas/Director of Computer Services. The memo was written in response to a draft document “A Conceptual Model for Implementing Prerequisites and Co-requisites within SIMS”, prepared by Mr. Simotas. In his memo, the Chairman responds at some length as to how prerequisites and co-requisites should be handled within SIMS, and especially how they may be overridden at registration.

A discussion of the Chairman’s memo took place, and several amendments were made, including one to permit only Department Chairs or their designates to override pre and co-requisite blocks.

The memo was accepted by the Committee as amended.

4. Old Business:
   A) A letter of intent for the proposed new curriculum:  
      Community/School Health Education, AS
      Department of Health, Physical Education, and Wellness  
      was Approved (with one correction). 15–0–1
   
   B) Changes to the existing curricula:  
      Accounting and Marketing Management Specializations (in Business  
      Career Programs, AAS) and Marketing, Management, and  
      Health Care Management Options (in Business Administration Programs,  
      AS)  
      with one attendant new course:  
      Computer Fundamentals and Applications (2 rec, 2 lab, 3 cr)  
      Department of Business  
      was discussed and additional questions were asked. No action was taken.
C) Change to an existing curriculum:
   Radiologic Technology, AAS
   with one attendant new course:
   Patient Care and Pharmacology (1 lec, 3 lab, 2 cr)
   and changes in ten existing courses
   Department of Physics
   was discussed and additional questions were asked. No action was taken.

D) Changes to existing courses:
   Astronomy 11, Astronomy 12
   Department of Physics
   was deemed a routine change (new page for AST 11 needed), and approved.

E) Change to an existing curriculum:
   Computer Science, AS
   with changes in co-requisites for an existing course:
   Introduction to Computer Programming (2 lec, 2 lab, 3 cr)
   Department of Mathematics and Computer Science
   was deemed a routine change and approved.

5. New Business:

A) Change to an existing curriculum:
   Nuclear Medicine Technology
   Department of Physics
   was presented to the Committee. The changes were discussed and questions
   were asked, which are to be answered at our next meeting.

B) Proposed new course:
   Introduction to Anthropology
   Department of Social Science
   was distributed to the Committee. No questions were asked.

C) Proposed new curriculum:
   Fast Track LPN to RN, AAS
   Department of Nursing
   was distributed to the Committee. No questions were asked.

6. Adjournment: The meeting was adjourned at 4:05 PM.

Respectfully submitted,

Alvin J. Paulley
Secretary Pro Tem
